TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement") is entered into as of this 12th day of March, 2004, by and between Wells Fargo Bank, National Association, a national banking association, as agent (in such capacity the "**Secured Party**") for the Lenders, as defined in the Credit Agreement described below, and Pfingsten Publishing, L.L.C., a Delaware limited liability company ("**Debtor**").

WHEREAS, the Debtor and Secured Party have entered into that certain Credit Agreement (together with all amendments, modifications and restatements of such Agreement, the "Credit Agreement") of even date herewith among the Debtor, the Secured Party and various Lenders, as defined therein, pursuant to which the Lenders have agreed to make advances and grant certain other financial accommodations to the Debtor;

WHEREAS, as a condition to the agreement of Secured Party to perform its obligations pursuant to the Credit Agreement, Debtor is required to enter into that certain Security Agreement, dated as of the date hereof (the "**Security Agreement**"), to grant Secured Party a security interest in the Collateral (as defined therein);

WHEREAS, as a further condition to the agreement of Secured Party to perform its obligations pursuant to the Credit Agreement and as is required by the Security Agreement, Debtor is required to enter into this Agreement;

WHEREAS, all terms not defined herein shall have the meanings ascribed to them in the Credit Agreement and the Security Agreement.

NOW, THEREFORE, as security for the Obligations, Debtor hereby grants to Secured Party a Security Interest in and lien upon, and pledges to Secured Party, all of its right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "**Trademark Collateral**"), whether presently existing or hereafter created or acquired:

(1) all service marks, trademarks, trademark or service mark registrations, trademark or service mark applications and trade names, including, without limitation, those listed on Schedule A annexed hereto (together with any renewals thereof), and all of the goodwill of the business connected with the use of, and symbolized by, each of the foregoing.

(2) all products and proceeds of the foregoing, including, without limitation, any claim by Debtor against third parties for past, present or future (a) infringement or dilution of any registered United States trademarks owned by Debtor, including, without limitation, the registered trademarks listed on Schedule A annexed hereto and any registered United States trademarks issued with respect to the trademark applications listed on Schedule A, or (b) injury to the goodwill associated with any such registered United States trademarks.

This Security Interest is granted in conjunction with the Security Interests granted to Secured Party pursuant to the Security Agreement and is not intended to increase the rights of Secured Party or the obligations of Debtor beyond the rights and obligations contained in the Security Agreement. Debtor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

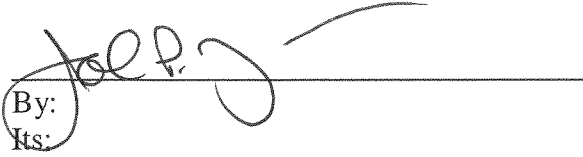

In accordance with the provisions of Section 3(f) of the Security Agreement, Debtor hereby authorizes Secured Party to modify this Agreement by noting any future acquired Trademark Collateral on Schedule A; *provided, however*, that the failure of Secured Party to make any such notation shall not limit or affect the obligations of Debtor or rights of Secured Party hereunder.

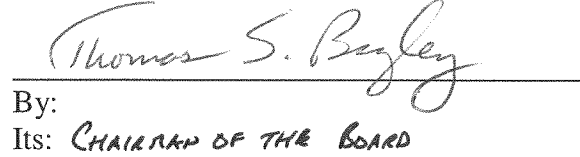

[SIGNATURES APPEAR ON THE FOLLOWING PAGE]

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be duly executed and delivered in its name and on its behalf, all as of the day and year first above written.
