EXHIBIT B
TO SECURITY AGREEMENT

AGREEMENT

(Trademark)

THIS AGREEMENT (TRADEMARK) (this "Agreement"), dated as of October 16, 2001, is made by Vita Special Purpose Corporation, a Delaware corporation, (the "Grantor"), in favor of Paul Capital Royalty Acquisition Fund, L.P., a Delaware limited partnership (the "Grantee").

RECITALS

Pursuant to the terms of that certain Security Agreement, dated as of October 16, 2001 (as may be amended, extended and replaced from time to time, the "Security Agreement"), made by the Grantor in favor of the Grantee, the Grantor granted the Grantee a security interest in all of the Grantor's patents, trademarks, copyrights and other intellectual property and agreed to execute and deliver certain supplemental documents, including, without limitation, this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Grantor agrees, for the benefit of the Grantee, as follows:

1. Definitions

Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.

2. Grant of Security Interest

As collateral security for the prompt and complete payment and performance of the Obligations, the Grantor hereby assigns and pledges to the Grantee and hereby grants to the Grantee a security interest in, all of the Grantor's right, title and interest in and to the following, whether now or hereafter existing or acquired (the "Trademark Collateral"):

- (a) all trademarks and service marks of the Grantor related to the Products in the Territories, including all registrations and recordings thereof, and all applications for registrations thereof, including without limitation those registrations and applications for registration of trademarks and service marks that are listed in Item A of Attachment I hereto (collectively, the "Trademarks");
- (b) all licenses of Trademarks to or by Grantor, including without limitation each Trademark license referred to in Item B of Attachment I hereto (collectively, the "Trademark Licenses");
- (c) all reissues, extensions or renewals of any of the items described in clauses (a) and (b) above;

- (d) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clauses (a) and (b) above; and
- (e) all proceeds of, and rights associated with, any of the foregoing, including any claim by the Grantor against third parties for past, present, or future infringement or dilution of any Trademark or Trademark License or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark License.

3. Security Agreement

This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Grantee in the Trademark Collateral with the United States Patent and Trademark Office and Canadian Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Grantee under the Security Agreement. The Security Agreement (and all rights and remedies of the Grantee thereunder) shall remain in full force and effect in accordance with its terms.

4. Release of Security Interest

Upon the indefeasible payment in full of the Obligations then due and payable, the security interest granted herein shall automatically terminate, and all rights to the Trademark Collateral shall revert to the Grantor. Upon any such termination, the Grantee shall, at the Grantor's expense, execute and deliver to the Grantor all instruments and other documents as the Grantor shall reasonably request to release the Lien upon the Trademark Collateral which has been granted hereunder to evidence such termination.

5. Acknowledgment

The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

6. Transfer of Title

Notwithstanding anything to the contrary, to the extent title in or to the Trademark Collateral is transferred to a third party, the third party shall take its rights in the Trademark Collateral subject to the obligations and duties of: (i) Vita Licensing under the Vita License Agreement and (ii) and Grantor under the Vita SPC Trademark License Agreement.

7. Counterparts

This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original, and all of which shall constitute together but one and the same agreement.
