W I T N E S S E T H

WHEREAS, Assignor developed and originally owned the registered marks, and the applications for registrations of marks, set forth on <u>Schedule A</u> attached hereto and incorporated herein by this reference (referred to collectively herein as the "Marks");

WHEREAS, Assignor previously agreed to assign as of September 14, 2000, and Assignee previously agreed to acquire as of September 14, 2000, among other things, all of Assignor's right, title and interest in and to the Marks, together with the goodwill of the business symbolized by the Marks, and accordingly the parties have taken action in reliance upon such agreement;

WHEREAS, the parties desire to enter into this Assignment to memorialize the previous transfer of the Marks as of September 14, 2000, as contemplated by the parties' agreement;

NOW, THEREFORE, for and in consideration of the premises and the mutual promises hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1.   Assignor hereby confirms *nunc pro tunc* the assignment to Assignee, its successors and assigns of all the right, title and interest of Assignor throughout the world in and to the Marks and the corresponding registrations therefor, and all rights of extension and renewal to the fullest extent allowed by law, together with the goodwill of the business symbolized by such Marks.

2.   Assignee shall have all right to register, extend, renew, maintain, defend and enforce the Marks, and any and all registrations resulting therefrom, in its own name in the United States and any foreign country, and Assignor hereby agrees to execute any documents and perform any acts that Assignee may request from time to time to ensure that all rights intended to be transferred to Assignee by this Assignment have been transferred, and to enable and assist Assignee to perfect, by registration or otherwise, and to protect, by enforcement actions or otherwise, all rights to be transferred by this Assignment.

3.   Assignor hereby assigns to Assignee, its successors and assigns all causes of action and claims of infringement of the Marks under the trademark laws of the United States, foreign countries and international trademark conventions and treaties that have accrued to

Assignor as of the date hereof. Assignor hereby further agrees to cooperate fully, at Assignee's cost, with Assignee in the enforcement of all such causes of action and claims.

4.   Assignor hereby represents and warrants that (i) as of the Effective Date, it was the exclusive owner of the Marks, as well as the goodwill of the business symbolized by the Marks, (ii) it has full authority to enter into this Assignment, and (iii) to the best of its knowledge, neither this Assignment nor any right granted herein violates any obligation owed to, or right of, any third party.

5.   Assignor hereby agrees that this Assignment shall be binding upon its representatives, successors and assigns.

6.   Assignor hereby agrees that this Assignment shall be governed by the laws of the Commonwealth of Virginia, without reference to its choice of law provisions.

7.   This Assignment may be executed in one or more counterparts, each of which shall be deemed an original.
