All capitalized terms not defined herein shall have the meanings ascribed to them in the Purchase Agreement.

B. Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under Assignor's Trademarks listed on Exhibit A attached hereto, including without limitation the goodwill associated therewith (the "Assigned Trademarks").

C. Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under Assignor's Patents listed on Exhibit B attached hereto (the "Assigned Patents").

### AGREEMENT

NOW, THEREFORE, in consideration of mutual covenants contained herein and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. Assignment of Assigned Trademarks. Assignor hereby transfers and assigns to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the Assigned Trademarks, including without limitation the goodwill associated therewith and all rights to sue and recover for infringement of any Assigned Trademarks, whether arising prior to or subsequent to the date of this Assignment, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States, Canada and in any other jurisdiction, the same to be held and enjoyed by Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

2. Assignment of Assigned Patents. Assignor hereby transfers and assigns to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the Assigned Patents, together with all rights to sue and recover for infringement of any Assigned Patents, whether arising prior to or subsequent to the date of this Assignment, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States, Canada

and in any other jurisdiction, the same to be held and enjoyed by Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

3. Governing Law. Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment shall be governed by and construed in accordance with the internal laws of the State of Ohio.

IN WITNESS WHEREOF, Assignor has executed this Assignment as of the day and year first written above.
