## Trademark Security Agreement

**TRADEMARK SECURITY AGREEMENT**, dated as of January 4, 2005 (this "Agreement"), is by and among the parties identified as "Grantors" on the signature pages hereto and such other parties as may become Grantors hereunder after the date hereof (individually a "Grantor", and collectively the "Grantors") and Technology Investment Capital Corp. (the "Purchaser").

Grantors and Purchaser hereby agree as follows:

### SECTION 1

#### Definitions; Interpretation.

(a) Terms Defined in the Note. All capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings assigned to them in the Note.

(b) Certain Defined Terms. As used in this Agreement, the following terms shall have the following meanings:

"Collateral" has the meaning set forth in Section 2.

"Note" means the 9% Senior Secured Guaranteed Promissory Note issued by WinZip Computing, Inc. to the Purchaser.

"Trademark Office" means the United States Patent & Trademark Office.

### SECTION 2

#### Security Interest

To secure the complete and timely payment and satisfaction of the Obligations, each Grantor hereby grants to Purchaser, and hereby reaffirms its prior grant pursuant to the Security Agreement of, a continuing security interest in Purchaser's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Collateral"), whether now owned or existing or hereafter created or acquired:

(a) Each trademark listed on Schedule I annexed hereto, together with any reissues, continuations or extensions thereof (each a "Trademark"), and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(b) All products and proceeds of the forgoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark, or (b) injury to the goodwill associated with any Trademark.

### **SECTION 3**

#### **Supplement to Security Agreement**

This Agreement has been entered into in conjunction with the security interests granted to Purchaser under the Security Agreement, and other security documents referred to therein. The rights and remedies of the Purchaser with respect to the security interests granted herein are without prejudice to, and are in addition to those set forth in the Security Agreement or any other security documents referred to therein, all terms and provisions of which are incorporated herein by reference.

### **SECTION 4**

#### **Representations and Warranties**

Each Grantor represents and warrants to Purchaser that:

(a) Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each Trademark, free and clear of any liens, charges and encumbrances, including without limitation licenses and covenants by Grantor not to sue third persons, except for Permitted Liens.

(b) Grantor has no notice of any suits or actions commenced or threatened with reference to any Trademark; and

(c) Grantor has the unqualified right to execute and deliver this Agreement and perform its terms.

### **SECTION 5**

#### **Further Acts**

Grantor agrees that until Grantor's Obligations shall have been satisfied in full, Grantor shall not, without the prior written consent of Purchaser, sell or assign its interest in, or grant any license under, any Trademark or enter into any other agreement with respect to any Trademark (except as permitted under the Transaction Documents), and Grantor further agrees that it shall not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to Purchaser under this Agreement.

### **SECTION 6**

### **Purchaser's Right to Sue**

After an Event of Default occurs and while it continues, Purchaser shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Purchaser shall commence any such suit, Grantor shall, at the request of Purchaser, do any and all lawful acts and execute any and all proper documents reasonably required by Purchaser in aid of such enforcement and Grantor shall promptly, upon demand, reimburse and indemnify Purchaser for all reasonable costs and expenses incurred by Purchaser in the exercise of its rights under this Section 7.

### **SECTION 7**

#### **Cumulative Remedies; Power of Attorney**

Purchaser hereby acknowledges and affirms that the rights and remedies with respect to the Trademarks, whether established hereby or by the Security Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Grantor hereby authorizes Purchaser upon the occurrence and during the continuance of an Event of Default, to make, constitute and appoint any officer or agent of Purchaser as Purchaser may select, in its sole discretion, as Grantor's true and lawful attorney-in-fact, with power to (a) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Purchaser in the use of the Trademarks or (b) take any other actions with respect to the Trademarks as Purchaser deems to be in the best interest of Purchaser, or (c) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (d) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Grantor hereby ratifies all that such attorneys shall lawfully do or cause to be done after the occurrence and during the continuance of an Event of Default by virtue hereof. This power of attorney shall be irrevocable until Grantor's Obligations shall have been paid in full. Grantor hereby further acknowledges and agrees that the use by Purchaser of the Trademarks after the occurrence and during the continuance of an Event of Default shall be worldwide, except as limited by their terms, and without any liability for royalties or related charges from Purchaser to Grantor.

### **SECTION 8**

#### **Binding Effect**

This Agreement shall be binding upon, inure to the benefit of and be enforceable by each Grantor, Purchaser and their respective successors and assigns. No Grantor may assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or duties hereunder except as specifically permitted by the Note.

### **SECTION 9**

## **Governing Law**

This Agreement shall be governed by, and construed in accordance with, the law of the State of New York, except as required by mandatory provisions of law or to the extent the perfection or priority of the security interests hereunder, or the remedies hereunder, in respect of any Collateral are governed by the law of a jurisdiction other than the State of New York.

## **SECTION 10**

### **Entire Agreement; Amendment**

No amendment of any provision of this Agreement shall be effective unless it is in writing and signed by the Grantors and the Purchaser, and no waiver of any provision of this Agreement, and no consent to any departure by the Grantors therefrom, shall be effective unless it is in writing and signed by the Purchaser, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Notwithstanding the foregoing, (a) additional Persons may become Grantors under this Agreement without consent of any other Grantor through execution and delivery to the Purchaser of an Assumption Agreement in the form of Annex 1 hereto or any other form of supplement acceptable to the Purchaser, and (b) Purchaser unilaterally may modify, amend or supplement the Schedules hereto, and such modified, amended or supplemented Schedules shall be deemed to be accurate absent manifest error. To the extent that any provision of this Agreement conflicts with any provision of the Note, the provision giving Purchaser greater rights or remedies shall govern, it being understood that the purpose of this Agreement is to add to, and not detract from, the rights granted to Purchaser under the Note. Nothing in this Section 10 shall be construed to permit any Grantor to form a Subsidiary unless expressly permitted to do so under the Note.

## **SECTION 11**

### **Counterparts**

This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile shall be equally as effective as delivery of a manually executed counterpart. Any party hereto delivering a counterpart of this Agreement by facsimile shall also deliver a manually executed counterpart, but the failure to so deliver a manually executed counterpart shall not affect the validity, enforceability, or binding effect hereof.

## **SECTION 12**

### **Termination**

Upon the indefeasible payment and performance in full of all Obligations, the security interests created by this Agreement shall terminate and the Purchaser (at the Grantors' expense) shall promptly execute and deliver to the Grantors such documents and instruments reasonably requested by the Grantors as shall be necessary to evidence termination of all such security interests given by the Grantors to Purchaser hereunder, including cancellation of this Agreement by written notice from Purchaser to the Trademark Office.

### **SECTION 13**

#### **No Inconsistent Requirements**

Each Grantor acknowledges that this Agreement and the other documents, agreements and instruments entered into or executed in connection herewith may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and each Grantor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

### **SECTION 14**

#### **Severability**

If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

### **SECTION 15**

#### **Notices**

All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Guaranty.
