TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made effective October 1, 2004 by and among SCP Pool Corporation, a Delaware corporation, on behalf of itself and all of its subsidiaries, (the "Assignor"), and Alliance Trading Inc., a Delaware corporation (the "Assignee").

WHEREAS, Assignor has adopted and is using or intends to use the service marks, trademarks, trade names and/or United States Trademark Registrations identified and set forth on Exhibit A, including variations thereof and any and all common law rights attached thereto (the "Marks"), and the goodwill of the business associated therewith;

WHEREAS, Assignor also has certain rights and interests in the patents identified and set forth on Exhibit A (the "Patents");

WHEREAS, Assignor desires to reaffirm its prior assignment to Assignee in writing and assign, all right, title, and interest in and to the Marks and Patents together with the goodwill of the business in connection with which the Marks and Patents are used, including all foreign rights corresponding thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee, each intending to be legally bound, hereby agree as follows:

Assignor does hereby assign, transfer, and set over to Assignee its entire right, title, and interest in and to the Marks and Patents, together with the goodwill of the business in connection with which the Marks and Patents are used, and all registrations and applications therefor in the United States and in all foreign countries, including any renewals and extensions of the registrations that are or may be secured under the laws of the United States and in all foreign countries, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Marks, with the right to sue for and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns, or other legal representatives.
