(g) At the Debtor's own expense, the Debtor will: (i) without limiting the provisions of the Loan Agreement, keep the Collateral fully insured as required pursuant to the Loan Agreement, by insurers and in amounts approved by the Secured Party, for the benefit of the Debtor and the Secured Party, (ii) promptly deliver the insurance policies or certificates thereof to the Secured Party and (iii) keep the Collateral in good condition at all times and maintain same in accordance with all manufacturer's specifications and requirements. Upon any failure of the Debtor to comply with its obligations pursuant to this Section 3(g), the Secured Party may at its option, and without affecting any of its other rights or remedies provided herein or as a secured party under the UCC, procure the insurance protection it deems necessary and/or cause repairs or modifications to be made to the Collateral and the cost of either or both of which shall be a Secured Obligation and payable on demand with interest at a rate per annum equal to the Past Due Rate in effect from time to time.

(h) The Debtor hereby assigns to the Secured Party any and all moneys which may become due and payable with respect to the Collateral under any policy insuring the Collateral, including money due as a return of unearned premium, and, subject to the terms of this Agreement and the Loan Agreement, directs any such insurance company to make payment directly to the Secured Party; the Debtor hereby authorizes the Secured Party to apply such moneys in payment on account of the Secured Obligations, whether or not due, or toward replacement of the Collateral (as the Secured Party may determine) and to remit any surplus to the Debtor, subject to the terms of this Agreement and the Loan Agreement.

(i) The Debtor will not use the Collateral in violation of any statute or ordinance or applicable insurance policy and will promptly pay all taxes and assessments levied against the Collateral.

(l) The Debtor will indemnify and hold the Secured Party harmless from and against any loss, liability, damage, costs and expenses whatsoever arising from the Debtor's use, operation, ownership or possession of the Collateral or any part thereof.

(m) The Debtor will use its best efforts to maintain the confidentiality of all customer lists and not sell or otherwise dispose of such lists except in the ordinary course of business. The Debtor shall deliver copies thereof to the Secured Party upon its request (with respect to which the Secured Party will use its best efforts to maintain confidential until it exercises its rights and remedies hereunder but, in any event, the Secured Party may furnish any customer list to a professional or consultant for purposes of appraisal), which may be made at any time and from time to time.

(n) The Debtor will not enter into any agreement (for example, a license agreement) that is inconsistent with the Debtor's obligations under this Agreement, without the prior written consent of the Secured Party.

(o) The Debtor will appear in and defend every action or proceeding arising under, growing out of or in any manner connected with the Collateral or the obligations, duties or liabilities of the Debtor and any assignee hereunder or thereunder.

(p) Debtor will not create any Chattel Paper without placing a legend on the Chattel Paper acceptable to the Secured Party indicating that Secured Party has a security interest in the Chattel Paper.

(q) Should the Debtor fail to make any payment or to do any act as provided herein or in any Specified Agreement, the Secured Party may (but without obligation on the Secured Party's part to do so and without notice to or demand on the Debtor and without releasing the Debtor from any obligation hereunder) make or do the same in such manner and to such extent as the Secured Party may deem necessary to protect the security interests provided hereby, including specifically, without limiting the general powers, the right to (i) appear in and defend any action or proceeding purporting to affect the security interests provided hereby and (ii) perform and discharge each and every obligation, covenant and agreement of the Debtor contained in any Specified Agreement and, in exercising any such powers, pay necessary costs and expenses, employ counsel and incur and pay reasonable attorneys' fees. All costs and expenses (including attorney's fees and disbursements) incurred by the Secured Party in

connection with the foregoing, together with interest thereon until paid, at a rate per annum equal to the Past Due Rate from time to time in effect, shall be payable by the Debtor on demand.

Section 4. Special Provisions Concerning Contracts and Specified Agreements. The Debtor represents, warrants and agrees as follows:

(a) The Contracts and Specified Agreements constitute the legal, valid and binding obligations of the Debtor, to the extent that the Debtor is a party thereto, and, to the best of its knowledge, the other parties thereto, enforceable in accordance with their respective terms.

(b) The Debtor will faithfully abide by, perform and discharge each and every obligation, covenant and agreement to be performed by the Debtor under the Contracts and the Specified Agreements, unless contested in good faith or released therefrom.

(c) At the request of the Secured Party, and at the sole cost and expense of the Debtor, the Debtor will enforce or secure the performance of each and every obligation, covenant, condition and agreement contained in the Specified Agreements to be performed by the other parties thereto.

(d) Without the prior written consent of the Secured Party, the Debtor will not modify, amend or agree to vary any of the Specified Agreements in any respect or otherwise act or fail to act in a manner likely to (directly or indirectly) entitle any party thereto to claim that the Debtor is in default under the terms thereof.

(e) The Debtor will not terminate or permit the termination of any Specified Agreement, except in accordance with its terms.

(f) Without the prior written consent of the Secured Party, the Debtor will not waive or in any manner release or discharge any party to any Specified Agreement from any of the obligations, covenants, conditions and agreements to be performed by it, under such Specified Agreement including, without limitation, the obligation to make all payments in the manner and at the time and places specified.

(g) Upon the occurrence and during the continuance of an Event of Default, if the Secured Party so requests, the Debtor will hold any payments received by it which are assigned and set over to the Secured Party by this Agreement for and on behalf of the Secured Party and, in accordance with the Loan Agreement, turn them promptly over to the Secured Party in the same form in which they are received for application in accordance with the terms and conditions of this Agreement and the Loan Agreement.

(h) Upon the request of the Secured Party, the Debtor will send to the Secured Party copies of all notices, documents and other papers furnished or received by it with respect to any of the Specified Agreements.

(i) Upon request by the Secured Party, the Debtor will use its best efforts (but shall not be required to commence suit) to cause each party to each Contract and Specified Agreement (i) to execute a consent to the assignment, as security, of such Contract (or any Account arising thereunder) or Specified Agreement, in such form as the Secured Party may reasonably request and (ii) upon the request of the Secured Party, to comply with such consent.

Section 5. Special Provisions Concerning Accounts.

(a) As of the time when each material Account arises, the Debtor shall be deemed to have warranted as to each such Account that such Account and all papers and documents relating thereto are (i) genuine and in all respects what they purport to be and (ii) represent the genuine, legal,

valid and binding obligation of the account debtor evidencing indebtedness unpaid and owed by such account debtor arising out of the performance of labor or services or the sale and delivery of merchandise or both.

(b) The Debtor will keep and maintain at the Debtor's own cost and expense satisfactory and complete records of the Accounts and the Debtor will make the same available to the Secured Party, at the Debtor's own cost and expense as set forth in the Loan Agreement. If the Secured Party shall so request, the Debtor shall legend, in form and manner satisfactory to the Secured Party, the Accounts and other books, records and documents of the Debtor evidencing or pertaining to the Accounts with an appropriate reference to the fact that the Accounts have been assigned to the Secured Party and that the Secured Party has a security interest therein.

(c) The Debtor shall endeavor to collect all Accounts in accordance with sound business practices. The Debtor will not rescind or cancel any indebtedness evidenced by any Account or modify any term thereof or modify or amend any Contract or make any adjustment with respect thereto, or extend or renew the same, or compromise or settle any dispute, claim, suit or legal proceeding relating to a Contract or to an Account, or sell or assign any Account or Contract, or any interest therein, except to the extent expressly permitted by the Secured Party in writing or expressly permitted pursuant to the Loan Agreement.

(d) The Debtor will duly fulfill all obligations on its part to be fulfilled under or in connection with the Accounts and will do nothing to impair the rights of the Secured Party in the Accounts.

(e) The Debtor shall endeavor to collect or cause to be collected from the account debtor named in each Account, as and when due (including, without limitation, Accounts which are delinquent, such Accounts to be collected in accordance with generally accepted lawful collection procedures) any and all amounts owing under or on account of such Account, and apply forthwith (on a daily basis) upon receipt thereof all such amounts as are so collected to the outstanding balance of such Account. The costs and expenses (including attorney's fees) of collection, whether incurred by the Debtor or the Secured Party, shall be borne by the Debtor.

(f) If any of the Accounts becomes evidenced by an Instrument, the Debtor will notify the Secured Party thereof, and upon request by the Secured Party promptly deliver such Instrument to the Secured Party appropriately endorsed to the order of the Secured Party as further security for the satisfaction in full of the Secured Obligations.

Section 6. Special Provisions Concerning Equipment. The Debtor will do nothing to impair the rights of the Secured Party in the Equipment. The Debtor shall cause the Equipment to at all times constitute and remain personal property. The Debtor retains all liability and responsibility in connection with the Equipment and the liability of the Debtor to pay the Secured Obligations shall in no way be affected or diminished by reason of the fact that such Equipment may be lost, destroyed, stolen, damaged or for any reason whatsoever unavailable to the Debtor.

Section 7. Special Provisions Concerning Trademarks, Patents and Copyrights. (a) The Debtor (either itself or through licensees) will, for each Trademark, (i) to the extent consistent with past practice, continue to use such Trademark on each and every trademark class of Goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (ii) maintain as in the past the quality of products and services offered under such Trademark, (iii) employ such Trademark with the appropriate notice of application or registration, (iv) not use such Trademark except for the uses for which registration or application for registration of such Trademark has been made, and (v) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any

Trademark material to the conduct of Debtor's business may become invalidated.

(b) The Debtor (either itself or through licensees) will, for each Patent and Copyright, not do any act, or omit to do any act, whereby any Patent or Copyright which is material to the conduct of the Debtor's business may become abandoned or dedicated.

(c) The Debtor shall notify the Secured Party immediately if it knows or has reason to know that any application or registration relating to any Patent, Trademark or Copyright which is material to the conduct of the Debtor's business may become abandoned or dedicated, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court) regarding the Debtor's ownership of any Patent, Trademark or Copyright which is material to the Debtor's business, its right to register the same, or to keep and maintain the same.

(d) In no event shall the Debtor, either itself or through any agent, employee, licensee or designee, file an application for the registration of any Patent, Trademark or Copyright with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, unless it promptly informs the Secured Party, and, upon request of the Secured Party, executes and delivers any and all agreements, instruments, documents, and papers as the Secured Party may request to evidence the Secured Party's security interest in such Patent, Trademark or Copyright and the goodwill and General Intangibles of the Debtor relating thereto or representing thereby, and the Debtor hereby constitutes the Secured Party its attorney-in-fact upon the occurrence and during the continuance of an Event of Default to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power, being coupled with an interest, is irrevocable until the Secured Obligations are paid in full.

(e) The Debtor will take all necessary steps that are consistent with good business practices in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application relating to the Patents, Trademarks and Copyrights (and to obtain the relevant registration) and to maintain each registration of the Patents, Trademarks and Copyrights which is material to the conduct of the Debtor's business, including, without limitation, filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition, interference and cancellation proceedings.

(f) In the event that any Collateral consisting of a Patent, Trademark or Copyright is infringed, misappropriated or diluted by a third party, the Debtor shall notify the Secured Party within five (5) days after it learns thereof and shall, if consistent with good business practice, promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and take such other actions as are appropriate under the circumstances to protect such Collateral consisting of a Patent, Trademark or Copyright.

(g) If, before the Secured Obligations have been satisfied in full, the Debtor obtains rights to any new trademark, patentable invention or copyright, or becomes entitled to the benefit of any trademark, patent or copyright application or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent, or any improvement on any Patent, or any trade name, service mark, copyright, permit or license, any and all of the foregoing shall constitute part of the Collateral and the Debtor shall give the Secured Party prompt notice thereof in writing. The Debtor authorizes the Secured Party to modify this Agreement by amending the appropriate schedule hereto to include any future patents, trademarks and copyrights and patent, trademark and copyright applications that are included in Collateral.

(h) The Debtor shall have the duty, through counsel acceptable to the Secured Party, to prosecute diligently any patent or trademark application pending as of the date of this Agreement or thereafter until the Secured Obligations have been paid in full, to make application on unpatented but patentable inventions and to preserve and maintain all rights in patent and trademark applications; provided, however, that the Debtor shall have no obligation to make application on any unpatented but patentable inventions if making such application would be unnecessary or imprudent in the good faith business judgment of the Debtor. Any expenses incurred in connection with such an application shall be borne by the Debtor. The Debtor shall not abandon any right to file a patent, trademark or copyright application or any pending application for any patent, trademark or copyright in the United States without the consent of the Secured Party, which consent shall not be unreasonably withheld.

(i) The Secured Party shall have the right but shall in no way be obligated to bring suit in its own name to enforce the Patents, Trademarks and Copyrights and any license thereunder, in which event the Debtor shall, at the request of the Secured Party, do any and all lawful acts and execute any and all proper documents required by the Secured Party in aid of such action and indemnify the Secured Party for all costs and expenses incurred by the Secured Party in the exercise of its rights under this clause (i).

(j) The Debtor represents and warrants that it has no Patents, Trademarks or Copyrights except such as are listed on the applicable Schedule 1(ii)-2 or Schedule 1(ii)-3 hereto.

**Section 8. Financing Statements; Control; Documentary Stamp Taxes.** (a) The Debtor will, at its own expense, make, execute, endorse, acknowledge, file and/or deliver to the Secured Party from time to time such lists, descriptions, vouchers, invoices, schedules, confirmatory assignments, conveyances, control agreements, transfer endorsements, powers of attorney, certificates, reports and other assurances or instruments and take such further steps relating to the Collateral and other property or rights covered by the security interest hereby granted, which the Secured Party deems appropriate or advisable to perfect, preserve or protect its security interest in the Collateral. Where Collateral is in the possession of a third party, Debtor will join with Secured Party in notifying the third party of Secured Party's security interest and obtaining an acknowledgment from the third party that it is holding the Collateral for the benefit of Secured Party. The Debtor authorizes the Secured Party to file one or more financing statements describing Collateral and, to the extent Secured Party may deem it necessary, to file amendments thereto. The Debtor authorizes the Secured Party to describe the Collateral as "all assets" or "all personal property" of the Debtor. The Debtor agrees that this Security Agreement reflecting the signature of the Debtor or a photocopy hereof (including a photocopy of the Debtor's signature) may be filed as a financing statement and, in all cases, the Debtor will pay all applicable filing fees and related expenses.

(b) Debtor shall cooperate with Secured Party in Secured Party obtaining control with respect to Collateral consisting of Deposit Accounts, Investment Property, Letter-of-Credit Rights and Electronic Chattel Paper.

(c) The Debtor agrees to procure, pay for, affix to any and all documents and cancel any documentary tax stamps required by and in accordance with, applicable law and the Debtor will indemnify and hold the Secured Party harmless against any liability (including interest and penalties) in respect of such documentary stamp taxes.

**Section 9. Special Provisions Concerning Remedies and Sale.** In addition to any rights and remedies now or hereafter granted under applicable law and not by way of limitation of any such rights and remedies, upon the occurrence and during the continuance of an Event of Default:

(a) The Secured Party shall have all of the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any applicable jurisdiction in addition to the rights and remedies provided herein and in the Loan Agreement and the other Security Documents. The Secured Party shall have the right, without further notice to, or assent by, the Debtor, in the name of the Debtor or in the name of the Secured Party or otherwise:

(i) to ask for, demand, collect, receive, compound and give acquittance for the Accounts or any part thereof; to endorse the name of the Debtor on any checks, drafts or other orders or instruments for the payment of moneys payable to the Debtor which shall be issued in respect of any Account; and to file any claims, commence, maintain or discontinue any actions, suits or other proceedings deemed by the Secured Party necessary or advisable for the purpose of collecting or enforcing payment of any Account;

(ii) to extend the time of payment of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any of the Accounts;

(iii) to make test verifications of the Accounts or any portion thereof;

(iv) to enforce Debtor's rights against the account debtors and the obligors; to notify any or all account debtors under any or all of the Accounts to make payment thereof directly to the Secured Party for the account of the Secured Party; and to require the Debtor to forthwith give similar notice to the account debtors;

(v) to require the Debtor forthwith to account for and transmit to the Secured Party in the same form as received all proceeds (other than physical property) of collection of Accounts received by the Debtor and, until so transmitted, to hold the same in trust for the Secured Party and not commingle such proceeds with any other funds of the Debtor;

(vi) to take possession of any or all of the Collateral and, for that purpose, to enter, with the aid and assistance of any Person or Persons and with or without legal process, any premises where the Collateral, or any part thereof, are, or may be, placed or assembled, and to remove any of such Collateral;

(vii) to execute any instrument and do all other things necessary and proper to protect and preserve and realize upon the Collateral and the other rights contemplated hereby;

(viii) upon notice to such effect, to require the Debtor to deliver, at the Debtor's expense, any or all Collateral to the Secured Party at a place designated by the Secured Party; and

(ix) without obligation to resort to other security, at any time and from time to time, to sell, re-sell, assign and deliver all or any of the Collateral, in one or more parcels at the same or different times, and all right, title and interest, claim and demand therein and right of redemption thereof, at public or private sale, for cash, upon credit or for future delivery, and at such price or prices and on such terms as the Secured Party may determine, with the amounts realized from any such sale to be applied to the Secured Obligations in the manner determined by the Secured Party.

Except as otherwise provided herein or as may be required by law, the Debtor hereby agrees that all of the foregoing may be effected without demand, advertisement or notice, all of which are hereby expressly waived, to the extent permitted by law. The Secured Party shall not be obligated to do any of the acts hereinabove authorized, but in the event that the Secured Party elects to do any such act, the Secured Party shall not be responsible to the Debtor except for its gross negligence or willful misconduct. The Secured Party has no obligation to clean-up or otherwise prepare the Collateral for sale.

(b) The Secured Party may institute legal proceedings for the appointment of a receiver or receivers (to which the Secured Party shall be entitled as a matter of right) to take possession of the Collateral pending the sale thereof pursuant either to the powers of sale granted by this Agreement or to a judgment, order or decree made in any judicial proceeding for the foreclosure or involving the enforcement of this Agreement.

(c) To the extent permitted by law which cannot be waived, upon any sale of any of the Collateral, whether made under the power of sale hereby given or under judgment, order or decree in any judicial proceeding for the foreclosure or involving the enforcement of this Agreement:

(i) The Secured Party may bid for and purchase the property being sold, and upon compliance with the terms of sale may hold, retain and possess and dispose of such property in its own absolute right without further accountability, and may, in paying the purchase money therefor, deliver any Note of the Debtor or claims for interest thereon and any instruments evidencing the Secured Obligations or agree to the satisfaction of all or a portion of the Secured Obligations in lieu of cash in payment of the amount which shall be payable for such property, and the Note of the Debtor and such instruments, in case the amounts so payable thereon shall be more than the amount due for such property, shall be returned to the Secured Party after being appropriately stamped or marked to show partial payment.

(ii) The Secured Party may make and deliver to the purchaser or purchasers a good and sufficient deed, bill of sale and instrument of assignment and transfer of the property sold.

(iii) All right, title, interest, claim and demand whatsoever, either at law or in equity or otherwise, of the Debtor of, in and to the property so sold shall be divested; such sale shall be a perpetual bar both at law and in equity against the Debtor, its successors and assigns, and against any and all Persons claiming or who may claim the property sold or any part thereof from, through or under the Debtor, its successors or assigns.

(iv) The receipt of the Secured Party or of the officer thereof making such sale shall be a sufficient discharge to the purchaser or purchasers at such sale for his or their purchase money, and such purchaser or purchasers, and his or their assigns or personal representatives, shall not, after paying such purchase money and receiving such receipt of the Secured Party or of such officer therefor, be obliged to see to the application of such purchase money or be in any way answerable for any loss, misapplication or nonapplication thereof.

(v) To the extent that it may lawfully do so, and subject to any legal requirement that the Secured Party act in a commercially reasonable manner, the Debtor agrees that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption laws, or any law permitting it to direct the order in which the Collateral or any part thereof shall be sold, now or at any time hereafter in force, which may delay, prevent or otherwise affect the performance or enforcement of this Agreement, the Loan Agreement or the other Loan Documents. The Debtor hereby expressly waives all benefit or advantage of any such laws and covenants that it will not hinder, delay or impede the execution of any power granted or delegated to the Secured Party in this Agreement, but will suffer and permit the execution of every such power as though no such laws were in force.

In the event of any sale of Collateral pursuant to this Section, the Secured Party shall, at least 10 days before such sale, give the Debtor written notice of its intention to sell, except that, if the Secured Party shall determine in its sole discretion that any of the Collateral threatens to decline speedily in value, any such sale may be made upon 3 days' written notice to the Debtor.

(d) Debtor waives any right it may have to require Secured Party to pursue any third person for any of the Secured Obligations.

(e) The Secured Party may comply with any applicable legal requirement in connection with a disposition of the Collateral and such compliance will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(f) The Secured Party may sell the Collateral without giving any warranties as to the Collateral. Secured Party may specifically disclaim any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

Section 10. Application of Moneys, etc.

(a) Except as otherwise provided herein or in the Loan Agreement, all moneys which the Secured Party shall receive, in accordance with the provisions hereof, shall be applied (to the extent thereof) in the following manner: First, to the payment of all costs and expenses incurred in connection with the administration and enforcement of, or the preservation of any rights under, this Agreement or any of the reasonable expenses and disbursements of the Secured Party (including, without limitation, the fees and disbursements of its counsel and agents); Second, to the payment of all Secured Obligations arising out of the Loan Documents in accordance with the terms thereof and, if not therein provided, in such order as the Secured Party may determine; and Third, to the payment of all other Secured Obligations in such order as the Secured Party may determine.

(b) If after applying any amounts which the Secured Party has received in respect of the Collateral any of the Secured Obligations remain unpaid, the Debtor shall continue to be liable for any deficiency, together with interest.

(c) Except to the extent otherwise provided by law, after termination of the Loan Agreement and this Agreement and the payment in full of the Secured Obligations, any proceeds of the Collateral received or held by the Secured Party shall be turned over to the Debtor and the Collateral shall be reassigned to the Debtor by the Secured Party without recourse to the Secured Party and without any representations, warranties or agreements of any kind.

(d) If the Secured Party sells any of the Collateral upon credit, the Debtor will be credited only with payments actually made by the purchaser, received by the Secured Party and applied to the indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Secured Party may resell the Collateral and the Debtor will be credited with the proceeds of the sale.

Section 11. Grant of License to Use Patent, Trademark and Copyright Collateral. For the purpose of enabling the Secured Party to exercise rights and remedies hereunder at such time as the Secured Party, without regard to this Section 11, shall be lawfully entitled to exercise such rights and remedies, and for the purpose of securing the indebtedness secured hereby, the Debtor hereby grants to the Secured Party an irrevocable, non-exclusive license (exercisable at such time as the Secured Party is entitled to exercise rights and remedies without payment of royalty or other compensation to the Debtor) to use, license or sublicense any Patent, Trademark or Copyright, now owned or hereafter acquired by the Debtor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer and automatic machinery software and programs used for the compilation or printout thereof. Such license in favor of the Secured Party shall terminate upon satisfaction in full of all Secured Obligations and termination of this Agreement and the Loan Agreement.

Section 12. License to the Debtor. Unless and until there has occurred and is continuing an Event of Default, the Secured Party hereby grants to the Debtor the exclusive, nontransferable right and license to use the Trademarks and Copyrights and to make, have made, use and sell the inventions disclosed and claimed in the Patents for the Debtor's benefit and account and for none other. The Debtor agrees not to sell or assign its interest in, or grant any sublicense under, the license granted to the Debtor in this Section 12 without the prior written consent of the Secured Party.

Section 13. Fees and Expenses, etc. Any and all fees, costs and expenses of whatever kind or nature, including the reasonable attorneys' fees and legal expenses incurred by the Secured Party in connection with this Agreement, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes or any Lien on the Collateral, counsel fees, maintenance fees, encumbrances or otherwise incurred in connection with protecting, maintaining, preserving the Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to the Collateral, the enforcement of this Agreement, the collection of the Secured Obligations or the realization upon any Collateral shall be borne and paid by the Debtor on demand by the Secured Party and until so paid shall be added to the principal amount of the Secured Obligations and shall bear interest at a rate per annum equal to the Past Due Rate from time to time in effect. In addition, the Debtor will pay, and indemnify and hold the Secured Party harmless from and against, any and all liabilities, obligations, losses, damages penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the Collateral, including (without limitation) claims of patent or trademark infringement and any claim of unfair competition or anti-trust violation, provided that the Debtor shall have no obligation hereunder with respect to such indemnification arising from the Secured Party's gross negligence or willful misconduct in the use, assignment and sub-licensing of the patents and trademarks that are covered by this Agreement. The provisions of this Section 13 shall survive the payment of all Secured Obligations and the termination of this Agreement.

Section 14. Miscellaneous. (a) Any notice or demand upon the Debtor shall be deemed to have been sufficiently given or served for all purposes thereof when given or served in the manner specified for notices set forth in the Loan Agreement. All notices to the Secured Party shall be deemed to have been given when delivered in the manner specified for notices set forth in the Loan Agreement.

(b) No delay on the part of the Secured Party in exercising any of its rights, remedies, powers and privileges hereunder or partial or single exercise thereof, shall constitute a waiver thereof. None of the terms and conditions of this Agreement may be changed, waived, modified or varied in any manner whatsoever unless in writing duly signed by the Debtor and the Secured Party. No notice to or demand on the Debtor in any case shall entitle the Debtor to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Secured Party to any other or further action in any circumstances without notice or demand.

(c) The obligations of the Debtor hereunder shall remain in full force and effect without regard to, and shall not be impaired by, (i) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of the Debtor, (ii) any exercise or non-exercise, or any waiver of, any right, remedy, power or privilege under or in respect of the Loan Agreement, this Agreement, the other Loan Documents, the Secured Obligations or any security for any of the Secured Obligations or (iii) any amendment to or modification of the Loan Agreement or any of the other Loan Documents, the Secured Obligations or any security for any of the Secured Obligations, whether or not the Debtor shall have notice or knowledge of any of the foregoing. The rights and remedies of the Secured Party herein provided are cumulative and not exclusive of any rights or remedies which the Secured Party would otherwise have.

(d) This Agreement shall be binding upon the Debtor and its successors and assigns and shall inure to the benefit of the Secured Party and its successors and assigns, provided that the Debtor

may not transfer or assign any of its obligations, rights or interest hereunder without the prior written consent of the Secured Party. All agreements, representations and warranties made herein shall survive the execution and delivery of this Agreement.

(e) The descriptive headings of the several sections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

(f) All rights, remedies and powers provided by this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and the provisions hereof are intended to be subject to all applicable mandatory, non-waivable provisions of law that may be controlling and to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable in whole or in part or not entitled to be recorded, registered or filed under the provisions of any applicable law.

(g) This Agreement and the rights and obligations of the parties hereunder shall be construed in accordance with and be governed by the laws of the State of New York.

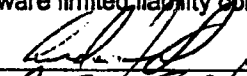

(h) It is expressly agreed, anything herein or in the Loan Documents contained to the contrary notwithstanding, that the Debtor shall remain liable to perform all of the obligations, if any, assumed by it with respect to the Specified Agreements, the Accounts, the Equipment and the other Collateral and the Secured Party shall not have any obligations or liabilities with respect to the Specified Agreements, the Accounts, the Equipment or any other Collateral by reason of or arising out of this Agreement, nor shall the Secured Party be required or obligated in any manner to perform or fulfill any of the obligations of the Debtor under or pursuant to any Specified Agreement, Account or Equipment or in respect of any other Collateral.

Section 15 Power of Attorney. The Secured Party is hereby irrevocably appointed (such appointment being coupled with an interest) the true and lawful attorney-in-fact of the Debtor in its name and stead, to (i) file all financing statements and fixture filings with respect to the Collateral and to make similar filings and recordings, (ii) make all necessary deeds, bills of sale and instruments of assignment and transfer of the property thus sold and for such other purposes as are necessary or desirable to effectuate the provisions (including, without limitation, Section 9) of this Agreement, and for that purpose it may execute and deliver all necessary deeds, bills of sale and instruments of assignment and transfer, and may substitute one or more Persons with like power, the Debtor hereby ratifying and confirming all that its said attorney, or such substitute or substitutes, shall lawfully do by virtue hereof, and (iii) to do and to take all such other and further acts in the name of and on behalf of the Debtor in order to carry out and effect the provisions of this Agreement. If so requested by the Secured Party or assignee thereof or any purchaser therefrom, the Debtor shall ratify and confirm any such filing, sale, transfer, assignment or other action by, among other things, executing and delivering to the Secured Party or to any purchaser therefrom all property, deeds, bills of sale, instruments of assignment and transfer and releases as may be designated in any such request.

Section 16. Waiver of Jury Trial. EXCEPT TO THE EXTENT PROHIBITED BY LAW WHICH CANNOT BE WAIVED, EACH PARTY HERETO HEREBY WAIVES TRIAL BY JURY IN CONNECTION WITH ANY ACTION OR PROCEEDING OF ANY NATURE WHATSOEVER ARISING UNDER, OUT OF OR IN CONNECTION WITH THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY AND IN CONNECTION WITH ANY CLAIM, COUNTERCLAIM, OFFSET OR DEFENSE ARISING IN CONNECTION WITH SUCH ACTION OR PROCEEDING.

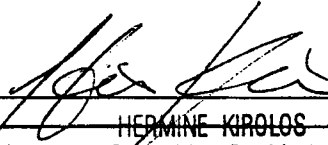

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered by their duly authorized officers as of the date first above written.
