3. **Restrictions on Future Agreements.** Customer agrees and covenants that until the Obligations shall have been satisfied in full and the Loan Agreements shall have been terminated, Customer will not, without MLBFS's prior written consent (which consent shall not be unreasonably withheld, delayed or conditioned), take any action or enter into any agreement, including, without limitation

entering into any license agreement, which is inconsistent with Customer's obligations under this Agreement, and Customer further agrees and covenants that, without MLBFS's prior written consent (which consent shall not be unreasonably withheld, delayed or conditioned), it will not take any action, or permit any action to be taken by others subject to its control, including its licensees, or fail to take any action which would affect the validity or enforcement or nature of the rights transferred to MLBFS under this Agreement unless and to the extent that Customer has concluded in the exercise of reasonable commercial judgment that any such rights are no longer of material importance to the business of Customer. Customer agrees and covenants to not, without receiving the prior written consent of MLBFS (a) sell or assign its interest in the Patents, Marks, Copyrights or Licenses, or (b) or grant any license under the Patents, Marks, Copyrights or Licenses if, in the case of this clause (b), such license would result in the inability of Customer to engage in the type of business engaged in by it on the date hereof.

4. **Certain Covenants, Representations and Warranties of Customer.** Customer covenants, represents and warrants (to the best of Customer's knowledge with respect to any Patents, Marks and Copyrights which are licensed by third parties to Customer) that: (i) the Patents, Marks, Copyrights and Licenses are subsisting, have not been adjudged invalid or unenforceable in whole or in part, and are not currently being challenged in any way; (ii) none of the Patents, Marks, Copyrights and Licenses have lapsed or expired or have been abandoned, whether due to any failure to pay any maintenance or other fees or make any filing or otherwise; (iii) each of the Patents, Marks, Copyrights and Licenses is valid and enforceable and Customer is unaware of any invalidating prior art (including public uses and sales) relative to the Patents, and is unaware of any impairments to the Patents, Marks, Copyrights or Licenses which would have a material adverse effect on the validity and/or enforceability of the Patents, Marks, Copyrights or Licenses; (iv) to the best of Customer's knowledge, no claim has been made that the use of any of the Patents, Marks, Copyrights or Licenses constitutes an infringement; (v) Customer owns the entire right, title and interest in and to each of the Patents, Marks and Copyrights (other than those being licensed to Customer pursuant to the Licenses) free and clear of any Liens and encumbrances of every kind and nature, and the Licenses are valid and subsisting licenses with respect to the Patents, Marks, Copyrights described therein, free and clear of any Liens and encumbrances of every kind and nature arising by, through or under Customer, in each case except for (A) rights granted by Customer pursuant to the applicable licenses listed on Schedules C and E, and (B) Liens and encumbrances in favor of MLBFS pursuant to this Agreement or the other Loan Documents; (vi) the Patents, Marks and Copyrights and Licenses listed on Schedules A, B, C, D and E constitute all such items in which Customer has any right, title or interest; (vii) Customer has the unqualified right to enter into this Agreement and perform its terms; (viii) Customer will continue to use proper statutory notice in connection with its use of the Patents, Marks and Copyrights (except as to any thereof which is no longer material to Customer's business); and (ix) Customer will use standards of quality in its manufacture of products sold under the Marks consistent with those currently employed by it.

5. **New Patents, Marks, Copyrights and Licenses.** If, before the Obligations shall have been satisfied in full and the Loan Agreements shall have been terminated, Customer shall (i) obtain rights to any new patentable inventions, trademarks, service marks, trademark or service mark registrations, copyrights, copyright registrations, trade names or licenses, or (ii) become entitled to the benefit of any patent, trademark or service mark application, trademark, service mark, trademark or service mark registration, copyrights, copyright registrations, license or license renewal, or patent for any reissue, division, continuation, renewal, extension, or continuation-in-part of any Patent or any improvement on any Patent, the provisions of Section 2 above shall automatically apply thereto and Customer shall give to MLBFS prompt written notice thereof. Customer hereby authorizes MLBFS to modify this Agreement by

noting any future acquired Patents, Marks, Copyrights on Schedule A, B or D and any Licenses and licensed Patents, Marks or Copyrights on Schedules C or E, as applicable; provided, however, that the failure of MLBFS to make any such notation shall not limit or affect the obligations of Customer or rights of MLBFS hereunder.

**6. Royalties; Terms.** Customer hereby agrees that the security interest of MLBFS in all Patents, Marks, Copyrights and Licenses as described above shall be worldwide except in the Asian Territory described on Schedule F (or in the case of the Patents, Marks and Copyrights licensed to Customer such smaller geographic location if any is specified for Customer's use in the applicable License) and, without any liability for royalties or other related charges from MLBFS to Customer. The term of the security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Marks, Copyrights and Licenses assigned hereunder, or (ii) satisfaction in full of the Obligations and termination of the Loan Agreements.

**7. Inspection.** MLBFS shall have the right, upon reasonable prior written notice to Customer, to inspect Customer's premises and to examine Customer's books, records and operations, including, without limitation, Customer's quality control processes. From and after the occurrence and during the continuance of a Default and notice by MLBFS to Customer of MLBFS's intention to enforce its rights and claims against any of the Patents, Marks, Copyrights and Licenses, Customer agrees that MLBFS, or a conservator appointed by MLBFS, shall have the right to establish such additional product quality controls as MLBFS or said conservator, in its sole judgment, may deem necessary to assure maintenance of the quality of products sold by Customer under the Marks consistent with the quality of products now manufactured by Customer.

**8. Termination of Customer's Interest.** This Agreement is made for collateral purposes only. Upon satisfaction in full of the Obligations and termination of the Loan Agreements, subject to any disposition thereof which may have been made by MLBFS pursuant hereto or pursuant to any of the other Loan Documents, the security interest granted hereunder shall automatically be extinguished. MLBFS shall, at Customer's reasonable expense, execute and deliver to Customer, all termination statements and other instruments as may be necessary or proper to evidence the termination of MLBFS's security interest granted to MLBFS pursuant to this Agreement, subject to any disposition thereof which may have been made by MLBFS pursuant hereto or pursuant to any of the other Loan Documents. Any such termination statements and instruments shall be without recourse upon or warranty by MLBFS.

**9. Duties of Customer.** Except to the extent the same is no longer material to Customer's business, Customer shall have the duty (i) to prosecute diligently any patent application of the Patents, any application respecting the Marks, and any copyright application of the Copyrights pending as of the date hereof or thereafter, (ii) to make application on unpatented but patentable inventions and on registerable but unregistered trademarks, service marks and copyrights, and (iii) to preserve, maintain and enforce against infringement all rights in patent applications and patents constituting the Patents, in trademark or service mark applications, trademarks, service marks, and trademark or service mark registrations constituting the Marks, and in copyright applications, copyrights and copyright registrations constituting the Copyrights. Any expenses incurred in connection with the foregoing (including, but not limited to, maintenance or renewal fees) shall be borne by Customer. Except to the extent the same is no longer material to Customer's business, Customer shall not abandon any pending patent application, trademark application, copyright application, service mark application, patent, trademark, service mark or copyright without the written consent of MLBFS.

10. **MLBFS's Right to Sue.** From and after the occurrence and during the continuance of a Default, MLBFS shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Patents, the Marks, the Copyrights and the Licenses, and any licenses thereunder, and, if MLBFS shall commence any such suit, Customer shall, at the request of MLBFS, do any and all lawful acts and execute any and all proper documents reasonably required by MLBFS in aid of such enforcement, and Customer shall promptly, upon demand, reimburse and indemnify MLBFS for all reasonable costs and expenses incurred by MLBFS in the exercise of its rights under this Section 10.

11. **Waivers.** No course of dealing between Customer and MLBFS, nor any failure to exercise, nor any delay in exercising, on the part of MLBFS, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

13. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

14. **Further Assurances.** Customer shall execute and deliver to MLBFS, at any time or times hereafter at the request of MLBFS, all papers (including, without limitation, any as may be deemed desirable by MLBFS for filing or recording with any Patent and Trademark Office, and any successor thereto) and take all such actions (including, without limitation, paying the cost of filing or recording any of the foregoing in all public offices reasonably deemed desirable by MLBFS), as MLBFS may request, to evidence MLBFS's interest in the Patents, Marks, Copyrights and Licenses and the goodwill associated therewith and enforce MLBFS's rights under this Agreement.

15. **Cumulative Remedies; Power of Attorney; Effect on Loan Documents.** All of MLBFS's rights and remedies with respect to the Patents, Marks, Copyrights and Licenses, whether established hereby, by any of the Loan Documents or otherwise, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Customer hereby constitutes and appoints MLBFS as Customer's true and lawful attorney-in-fact, with full power of substitution in the premises, with power at any time after the occurrence and during the continuance of a Default, to (i) endorse Customer's name on all applications, documents, papers and instruments determined by MLBFS in its sole discretion as necessary or desirable for MLBFS in the use of the Patents, Marks, Copyrights and Licenses, (ii) take any other actions with respect to the Patents, Marks, Copyrights and Licenses as MLBFS deems in good faith to be in the best interest of MLBFS, (iii) grant or issue any exclusive or non-exclusive license under the Patents, Marks or Copyrights to any Person, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Marks, Copyrights or Licenses to any Person. Customer hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Obligations shall have been satisfied in full and the Loan Agreements shall have been terminated. Customer acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of MLBFS under the Loan Agreements or any of the Loan

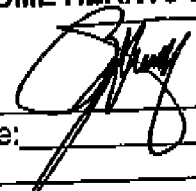

Documents but rather is intended to facilitate the exercise of such rights and remedies. MLBFS shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Marks, Copyrights or Licenses may be enforced. Customer hereby releases the MLBFS from any and all claims, causes of action and demands at any time arising out of or with respect to any actions taken or omitted to be taken by the MLBFS under the powers of attorney granted herein.

16. **Binding Effect; Benefits.** This Agreement shall be binding upon Customer and its respective successors and assigns and shall inure to the benefit of MLBFS and its respective successors, assigns and nominees.

17. **Governing Law.** This Agreement shall be deemed to have been executed and delivered in Chicago, Illinois, and shall be governed by and construed in accordance with the internal laws (as opposed to conflicts of law provisions) of Illinois.
