**ASSIGNMENT OF INVENTIONS,  
PATENT APPLICATIONS, PATENTS  
AND TRADEMARKS**  
from Sun Standard, Inc.  
to Kenneth Turos

FOR GOOD AND VALUABLE CONSIDERATION exchanged between Assignor and Assignee, receipt of which is acknowledged by Assignor:

1. Assignor declares and agrees that as used in this document (“Assignment”) the following terms have the following meaning:

A. “Applications” means and includes both individually and collectively the nonprovisional applications for United States patents listed in **Exhibit A** appended to this document.

B. “Letters Patent” means and includes both individually and collectively the issued United States patents listed in **Exhibit A** appended to this document, and (i) any and all letters patent issued in the United States and anywhere in the world in connection with the Applications and Letters Patent; (ii) any and all direct and indirect divisions, continuations, and continuations-in-part of the Application and any Letters Patent; and (iii) any and all reissues or extensions of Letters Patent; (iv) any and all rights under any international treaties and conventions, including without limitation the International Convention for the Protection of Industrial Property; (v) any and all applications for a patent or patents filed in countries other than the United States (“Foreign Countries”); and (v) any and all patents that issue in connection with the invention or inventions disclosed in the Application.

C. “Trademarks” means both individually and collectively the pending trademark applications, and the issued United States trademarks, listed in **Exhibit A** appended to this document, as well as any and all rights to incontestability and renewal.

D. “Assignor” means Sun Standard, Inc., a New Mexico corporation.

E. “Assignee” means Kenneth Turos, and any and all successors, assigns and legal representatives of Assignee.

F. “Attorney” means Ray R. Regan, Esq., whose mailing address is P.O. Box 1442, Corrales, New Mexico 87048, telephone number is (505) 897-7200.

G. "Inventions" means the entire right, title and interest of Assignor in connection with the inventions described in the Applications.

H. "Intellectual Properties" means any and all Inventions, Applications, Letters Patent, Trademarks, and the Bar Code owned by Assignor and intended to be assigned to Assignee, whether or not listed on **Exhibit A**.

2. In consideration of good and sufficient consideration, receipt of which is acknowledged, Assignor assigns, sells, and conveys the Intellectual Properties to Assignee.

3. Assignor also assigns, sells, and conveys to Assignee any and all improvements and modifications in connection with any and all Inventions.

4. Assignor also assigns, sells, and conveys to Assignee the entire right title and interest of Assignor to file patent applications and trademark applications in Foreign Countries in connection with the Intellectual Properties ("Foreign Applications"), including the right to claim all benefits of any and all international conventions in connection with Foreign Applications.

5. Assignor authorizes and requests the United States Commissioner of Patents and Trademarks, and patent and trademark office officials in Foreign Countries who are authorized by the patent laws of the Foreign Countries to issue patents and trademarks, to issue any and all Letters Patent and other forms of patents, and any and all trademarks and other forms of trademarks, in connection with the Intellectual Properties, and for the sole use and benefit of Assignee.

6. Assignor will, without receiving additional consideration and without expense to Assignor, sign any and all lawful papers and writings, and perform any and all other lawful acts Assignee may request of Assignor which are, in the sole discretion of Assignee, appropriate or necessary to fully implement and make effective this Assignment, including by way of example but not of limitation (i) promptly executing all original, divisional, continuing, continuation-in-part applications, substitute, reissue, and other United States and Foreign Countries' Applications in connection with the Invention; (ii) promptly executing any and all lawful documents requested by the Assignee to further the prosecution of any Applications in connection with the Invention, and (iii) cooperating with Assignee in executing any and all lawful documents and producing evidence in connection with any nullification, reissue, extension, infringement and invalidity

proceedings involving the Invention.

7. Assignor, for the same consideration, represents and warrants to Assignee, and to the Assignee's successors, assigns, and legal representatives, that at the time of execution and delivery of this Assignment, Assignor is the lawful owner of the entire right, title and interest in and to the Intellectual Properties; that the entire right, title and interest in and to the Intellectual Properties are unencumbered; and that Assignor has good and full right and lawful authority to assign, sell and convey the entire right, title and interest in and to the Intellectual Properties as provided in this Assignment.

8. The shareholders of Assignor, and all community property claimants (collectively, "Individuals"), declare their understanding that the Attorney represents Assignor, not the Individuals. Attorney, therefore, cannot and has not provided the Individuals any explanation of this document. Attorney also cannot and has not provided the Individuals any explanation of the tax consequences occasioned by the assignments memorialized by this document. Attorney notes, however, that the assignments provided for in this document is a transfer to Assignee of significant property rights that may mature into one or more potentially valuable rights, patents, trademarks, and products.

**ATTORNEY, THEREFORE, ENCOURAGES EACH SHAREHOLDER, THOSE CLAIMING COMMUNITY PROPERTY INTERESTS IN THE ASSIGNOR, AND THOSE CLAIMING ANY PROPERTY INTEREST IN THE ASSETS OF ASSIGNOR THAT ARE ASSIGNED TO ASSIGNEE IN CONNECTION WITH THIS DOCUMENT, BEFORE SIGNING THIS DOCUMENT, TO CONSULT WITH A LAWYER OF HIS OR HER CHOICE FOR A COMPLETE EXPLANATION OF THE MEANING AND CONSEQUENCES OF THE ASSIGNMENT MADE BY ASSIGNOR IN CONNECTION WITH THIS DOCUMENT.**
