Trademark Security Agreement

TRADEMARK SECURITY AGREEMENT, dated as of May 5, 2005, by CAIRD CORPORATION, a Delaware corporation, a wholly-owned subsidiary of The Endurance International Group, Inc., and formerly known as WebOnTap, Inc. ("Grantor"), in favor of TECHNOLOGY INVESTMENT CAPITAL CORP., a Maryland corporation (the "Secured Party").

WITNESSETH:

WHEREAS, pursuant to that certain Note and Warrant Purchase Agreement dated as of July 23, 2004 (including all exhibits and schedules thereto, and as from time to time amended, restated, supplemented or otherwise modified, the "Purchase Agreement") by and between The Endurance International Group, Inc. (the "Company") and the Purchaser, the Purchaser is purchasing or has purchased certain Notes issued by the Company; and

WHEREAS, pursuant to the Purchase Agreement, the Purchaser, the Company and certain other parties are executing or have executed that certain Security Agreement dated as of July 23, 2004 (including all exhibits and schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, Grantor is required to execute and deliver to the Purchaser this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Purchase Agreement.

2. Grant of Security Interest in Trademark Collateral. Grantor hereby grants to the Secured Party a continuing first priority security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Collateral"):

(a) all of its Trademarks, Trademark registrations and Trademark applications to which it is or shall be a party, including, without limitation, the Trademarks, Trademark registrations, and Trademark applications referred to in Schedule I annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, Trademark registration or Trademark application;

(b) all reissues, continuations or extensions of the foregoing; and

(c) all products and proceeds of the foregoing, including, without limitation, all claims by Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or Trademark registration including, without limitation, the Trademarks and Trademark registrations referred to in Schedule I annexed hereto, the

Trademark registrations issued with respect to the Trademark applications referred in Schedule I, or (ii) injury to the goodwill associated with any Trademark or Trademark registration.

3. Security Agreement. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Secured Party pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of the Secured Party with respect to the security interest in the Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. Further Acts. On a continuing basis, Grantor shall make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, and take all such action as may be necessary or advisable or may be requested by Purchaser to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the security interest granted or purported to be granted hereby, to ensure Grantor's compliance with this Agreement or to enable Purchaser to exercise and enforce its rights and remedies hereunder with respect to the Collateral, including any documents for filing with the United States Patent and Trademark Office or any applicable state office. Purchaser may record this Agreement, an abstract thereof, or any other document describing Purchaser's interest in the Collateral with the United States Patent and Trademark Office, at the expense of Grantor. In addition, Grantor authorizes Purchaser to file financing statements describing the Collateral in any Uniform Commercial Code filing office deemed appropriate by Purchaser. If the Grantor shall at any time hold or acquire a commercial tort claim arising with respect to the Collateral, the Grantor shall immediately notify Purchaser in a writing signed by the Grantor of the brief details thereof and grant to the Purchaser in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Purchaser.

5. Authorization to Supplement. Grantor shall give Purchaser prompt notice of any additional United States trademarks or applications therefor after the date hereof. Grantor authorizes Purchaser unilaterally to modify this Agreement by amending Schedule I hereto to include any future United States trademarks or applications therefor of Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule I hereto shall in any way affect, invalidate or detract from Purchaser's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Grantor, Purchaser and their respective successors and assigns. Grantor may not assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or duties hereunder except as specifically permitted by the Purchase Agreement.

7. Governing Law. This Agreement shall be governed by, and construed in accordance with, the law of the State of New York, except as required by mandatory provisions of law or to the extent the perfection or priority of the security interests hereunder, or the remedies hereunder, in respect of any Collateral are governed by the law of a jurisdiction other than the State of New York.
