### **TRADEMARK SECURITY AGREEMENT**

This TRADEMARK SECURITY AGREEMENT (this "Agreement") is made on the 23<sup>rd</sup> day of November, 2005 between **Powerway, Inc.**, an Indiana corporation having a mailing address at 6919 Hillside Court, Indianapolis, Indiana 46250 ("Debtor") and **Tharp Capital, LLC**, an Indiana limited liability company having a mailing address at 6910 N. Shadeland Avenue, Suite 200, Indianapolis, Indiana 46220, (together with its successors and assigns, "Secured Party").

#### **Recitals**

A. Debtor has entered into a certain Subordinated Notes and Warrants Purchase Agreement with the Secured Party dated November 23, 2005 (the "Note Purchase Agreement") which describes certain rights applicable to certain subordinated promissory notes in the aggregate principal face amount of up to \$3,000,000 issued by the Debtor (the "Notes").

B. In order to induce the transactions evidenced by the Note Purchase Agreement and the Notes, Debtor has agreed to assign to Secured Party certain trademark rights.

C. Terms not otherwise defined herein shall have the meanings described in the Note Purchase Agreement.

NOW, THEREFORE, in consideration of the mutual agreements and covenants contained in this Agreement, the parties hereto agree as follows:

1. To secure the complete and timely satisfaction of all obligations of Debtor under the Note Purchase Agreement, the Notes and the Investment Documents, as defined in the Note Purchase Agreement between the parties hereto (the "Obligations"), Debtor hereby grants, assigns and conveys to Secured Party a security interest in the entire right, title and interest of the Debtor in and to the trademark applications and trademarks listed in Schedule A hereto (as the same may be amended pursuant hereto from time to time), including without limitation all renewals thereof, all proceeds of infringement suits, the right to sue for past, present and future infringements and all rights corresponding thereto throughout the world (collectively referred to herein as the "Trademarks"), and the goodwill of the business to which each of the Trademarks relates.

2. Debtor represents and warrants that, except as set forth on Schedule B:
- (a) The Trademarks are subsisting and have not been adjudged invalid or unenforceable;
  - (b) To the best of Debtor's knowledge, each of the Trademarks is valid and enforceable;
  - (c) No claim has been made that the use of any of the Trademarks does or may violate the rights of any third person;
  - (d) Except for Permitted Liens (as defined in the Security Agreement executed in connection herewith), Debtor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks, free and clear of any liens, charges and encumbrances, including without limitation pledges, assignments, licenses, registered user agreements and covenants by Debtor not to sue third persons;
  - (e) Debtor has the unqualified right to enter into this Agreement and perform its obligations hereunder;
  - (f) Debtor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Trademarks; and
  - (g) Debtor has used, and will continue to use for the duration of this Agreement, consistent standards of quality in its manufacture of products sold under the Trademarks.

3. Debtor hereby grants to Secured Party and its employees and agents the right to visit Debtor's plants and facilities which manufacture, inspect or store products sold under any of the Trademarks, and to inspect the products and quality control records relating thereto at reasonable times during regular business hours. Debtor shall do any and all acts required by Secured Party to ensure Debtor's compliance with Section 2(g).

4. Except for any agreement executed in connection with the Senior Debt (as defined in the Note Purchase Agreement), Debtor agrees that, until all of the Obligations shall have been satisfied in full, it will not enter into any agreement which is inconsistent with Debtor's obligations under this Agreement, without Secured Party's prior written consent.

5. If, before the Obligations shall have been satisfied in full, Debtor shall obtain rights to any new trademarks, the provisions of Section 1 shall automatically apply thereto and Debtor shall give Secured Party prompt written notice thereof.

6. Debtor authorizes Secured Party to modify this Agreement by amending Schedule A to include any future trademarks and trademark applications covered by Sections 1 and 5 hereof.

7. Unless and until there shall have occurred an Event of Default (as defined in the Note Purchase Agreement), Secured Party hereby grants to Debtor the exclusive, nontransferable right and license to use the Trademarks on and in connection with products sold by Debtor, for Debtor's own benefit and account and for none other. Debtor agrees not to sell or assign its interest in, or grant any sublicense under, the license granted to Debtor in this Section 7, without the prior written consent of Secured Party, except for the granting of licenses in the ordinary course of business to resellers or other third parties in connection with (a) marketing Debtor's products or services or (b) advertising or otherwise publicizing use of Debtor's products or services.

8. If any Event of Default shall have occurred, subject to the terms of the Subordination Agreements (as defined in the Note Purchase Agreement) and the rights of the holders of the Senior Debt, Debtor's license under the Trademarks, as set forth in Section 7, shall terminate forthwith, and Secured Party shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks may be located and, without limiting the generality of the foregoing, Secured Party may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to Debtor, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, in Indiana, or elsewhere, all or from time to time any of the Trademarks, or any interest which Debtor may have therein, and after deducting from the proceeds of sale or other disposition of the Trademarks all expenses (including all reasonable expenses for broker's fees and legal services), shall apply the residue of such proceeds toward payment of the Obligations. Any remainder of the proceeds after payment in full of the Obligations shall be paid over to Debtor. Notice of any sale or other disposition of the Trademarks shall be given to Debtor at least five (5) days before the time of any intended public or private sale or other disposition of the Trademarks is to be made, which Debtor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, Secured Party may, to the extent permissible under applicable law, purchase the whole or any part of the Trademarks sold, free from any right of redemption on the part of Debtor, which right is hereby waived and released.

9. At such time as Debtor shall completely satisfy all of the Obligations, this Agreement shall terminate and Secured Party shall execute and deliver to Debtor all deeds, assignments and other instruments as may be necessary or proper to re-vest in Debtor full title to the Trademarks, subject to any disposition thereof which may have been made by Secured Party pursuant hereto.

10. Any and all fees, costs and expenses, of whatever kind or nature, including the reasonable attorney's fees and legal expenses incurred by Secured Party in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining or preserving the Trademarks, or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks, shall be borne and paid by Debtor on demand by Secured Party and until so paid shall be added

to the principal amount of the Obligations and shall bear interest at the highest rate prescribed in the Note Purchase Agreement.

11. Debtor shall have the duty, through counsel acceptable to Secured Party, to prosecute diligently any trademark applications of the Trademarks pending as of the date of this Agreement or thereafter until the Obligations shall have been paid in full, to make federal application on registrable but unregistered Trademarks, to file and prosecute opposition and cancellation proceedings and to do any and all acts which are necessary or desirable to preserve and maintain all rights in the Trademarks. Any expenses incurred in connection with the Trademarks shall be borne by Debtor. Debtor shall not abandon any Trademark without the consent of Secured Party, which consent shall not be unreasonably withheld.

12. Debtor shall have the right, with the prior written consent of Secured Party, which will not be unreasonably withheld, to bring any opposition proceedings, cancellation proceedings or lawsuit in its own name to enforce or protect the Trademarks, in which event Secured Party may, if necessary, be joined as a nominal party to such suit if Secured Party shall have been satisfied that it is not thereby incurring any risk of liability because of such joinder. Debtor shall promptly, upon demand, reimburse and indemnify Secured Party for all damages, costs and expenses, including attorney's fees, incurred by Secured Party in the fulfillment of the provisions of this Section 12.

13. In the event of the occurrence of an Event of Default under the Note Purchase Agreement, Debtor hereby authorizes and empowers Secured Party to make, constitute and appoint any officer or agent of Secured Party as Secured Party may select, in its exclusive discretion, as Debtor's true and lawful attorney-in-fact, with the power to endorse Debtor's name on all applications, documents, papers and instruments necessary for Secured Party to use the Trademarks, or to grant or issue any exclusive or nonexclusive license under the Trademarks to anyone else, or necessary for Secured Party to assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone else. Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable for the life of this Agreement.

14. If Debtor fails to comply with any of its obligations hereunder, Secured Party may do so in Debtor's name or in Secured Party's name, but at Debtor's expense, and Debtor hereby agrees to reimburse Secured Party in full for all expenses, including reasonable attorney's fees, incurred by Secured Party in protecting, defending and maintaining the Trademarks.

15. No course of dealing between Debtor and Secured Party, nor any failure to exercise, nor any delay in exercising, on the part of Secured Party, any right, power or privilege hereunder or under the Note Purchase Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

16. All of Secured Party's rights and remedies with respect to the Trademarks, whether established hereby or by the Note Purchase Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently.

17. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

18. This Agreement is subject to modification only by a writing signed by the parties, except as provided in Section 6.

19. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.

20. The validity and interpretation of this Agreement and the rights and obligations of the parties shall be governed by the laws of the State of Indiana.

21. This Agreement is subject in all respects to the Subordination Agreement and the rights of the holders of the Senior Debt, and the Secured Party acknowledges that the Obligations are subordinate to the Senior Debt.
