Bank does not assume any of the obligations arising under the Collateral.

3. Debtor warrants: (a) it is and will be the lawful owner of all Collateral free of all claims, liens, encumbrances and setoffs whatsoever, other than the security interest granted pursuant hereto and as permitted under that certain Loan Agreement dated September 29, 2005 between Bank and Debtor, as amended, restated or replaced from time to time; (b) it has the capacity to grant a security interest in Collateral to Bank; (c) all information furnished by Debtor to Bank heretofore or hereafter, whether oral or written, is and will be correct and true as of the date given; and (d) if Debtor is an entity, the execution, delivery and performance hereof are within its powers and have been duly authorized.

5. Whenever a default exists, Bank, at its option, may: (a) without notice accelerate the maturity of any part or all of the indebtedness and terminate any agreement for the granting of further credit to Debtor; (b) sell, lease or otherwise dispose of Collateral at public or private sale; (c) transfer any Collateral into its own name or that of its nominee; (d) retain Collateral in satisfaction of obligations secured hereby, with notice of such retention sent to Debtor as required by law; (e) notify any parties obligated on any Collateral consisting of accounts, instruments, chattel paper, choses in action or the like to make payment to Bank and enforce collection of any Collateral; (f) file any action or proceeding which Bank may deem necessary or appropriate to protect and preserve the right, title and interest of the Bank in the Collateral; (g) require Debtor to assemble and deliver any Collateral to Bank at a reasonably convenient place designated by Bank; (h) apply all sums received or collected from or on account of Collateral, including the proceeds of any sale thereof, to the payment of the costs and expenses incurred in preserving and enforcing rights of Bank, including reasonable attorneys' fees (including the allocated costs of Bank's in-house counsel and legal staff), and indebtedness secured hereby in such order

6. Debtor waives: (a) all right to require Bank to proceed against any other person including any other Debtor hereunder or to apply any Collateral Bank may hold at any time or to pursue any other remedy; Collateral, endorsers or guarantors may be released, substituted or added without affecting the liability of Debtor hereunder; (b) the defense of the Statute of Limitations in any action upon any obligations of Debtor secured hereby; (c) any right of subrogation and any right to participate in Collateral until all obligations secured hereby have been paid in full; (d) to the fullest extent permitted by law, any right to oppose the appointment of a receiver or similar official to operate Debtor's business.

7. The right of Bank to have recourse against Collateral shall not be affected in any way by the fact that the credit is secured by a mortgage, deed of trust or other lien upon real property.

8. The security interest granted herein is irrevocable and shall remain in full force and effect until there is payment in full of the indebtedness or the security interest is released in writing by Bank.

9. Debtor shall be obligated to request the release, reassignment or return of Collateral after the payment in full of all existing obligations. 10. If more than one Debtor executes this Agreement, the obligations hereunder are joint and several. All words used herein in the singular shall be deemed to have been used in the plural when the context and construction so require. 11. This Agreement shall inure to the benefit of and bind Bank, its successors and assigns and each of the undersigned, their respective heirs, executors, administrators and successors in interest. Upon transfer by Bank of any part of the obligations secured hereby, Bank shall be fully discharged from any liability with respect to Collateral transferred therewith.

12. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but, if any provision of this Agreement shall be prohibited or invalid under applicable law, such provisions shall be ineffective to the extent of such prohibition or invalidity without invalidating the remainder of such or the remaining provisions of this Agreement.

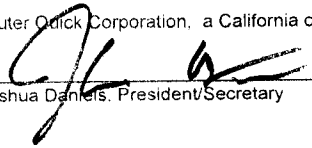

13. Debtor will (a) not permit the inclusion in any contract to which it becomes a party, any provisions that could or might in any way impair or prevent the creation of a perfected security interest in Debtor's rights and interest in the Collateral; (b) use its best efforts to detect infringement of the Collateral and advise the Bank in writing of material infringements detected; (c) not allow any Collateral to be abandoned, forfeited or dedicated to the public without written consent of Bank; (d) register with the United States Patent and Trademark Office, the United States Copyright Office or other appropriate government office any Collateral consisting of intellectual property rights developed or acquired by Debtor; (e) deliver to Bank such additional grants of security interest or collateral assignments as Bank may reasonably request for the purpose of recording Bank's interest in intellectual property rights registered by Debtor after the date of the Agreement; and (f) deliver to Bank upon its request, a report in form reasonably acceptable to Bank, listing any applications or registration that Debtor has filed and the status thereof in respect of any Collateral consisting of intellectual property rights.

The grant of a security interest in proceeds does not imply the right of Debtor to sell or dispose of any Collateral without the express consent in writing by Bank.
