ASSIGNMENT

WHEREAS, Guy Watelin, also known as Guy Watelin de Lummen, a French citizen, having an address at 21, rue Saint Guillaume, 75007 Paris, France (hereinafter "Watelin") has adopted and used in the United States the trademarks shown on Exhibit 1 (the "Trademarks"), all of which are registered in the United States Patent & Trademark Office;

WHEREAS, Barney's Inc., a New York corporation, having a principal business address at 575 5th Avenue, New York, New York 10017, (hereinafter "Barneys") is acquiring the Trademarks, and the U.S. registrations therefor, together with the goodwill symbolized by the Trademarks, pursuant to the Events of Default as set forth in the Trademark Security Agreement of 19 June, 2006;

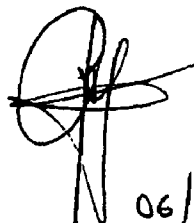

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Watelin does hereby sell, transfer and assign to Barneys all rights, title and interest in and to the Trademarks, the U.S. Registrations therefor as shown on Exhibit A; and the goodwill symbolized by the Trademarks.

Watelin further assigns to Barneys all right to sue for and receive all damages accruing from past infringement of the Trademarks or any of them, and the Trademark registrations or registration.

This Assignment shall be binding upon the parties, their successors and/or assigns, and all others acting by, through, with or under their directions, and all those in privity therewith.

Notwithstanding anything contained in this Assignment to the contrary, this Assignment shall only be effective upon delivery by Barneys to either Vionnet or Watelin of written notice of an Event of Default as defined in Article 3 of the Trademark Security Agreement of June 19, 2006.

EXHIBIT C

TRADEMARK SECURITY AGREEMENT

This trademark security agreement (the "Trademark Security Agreement") is made and entered into as of June 19, 2006 by and between Guy Watelin de Lummen, born on June 27, 1945, in 92200 Neuilly-sur-Seine, France, of French nationality, whose address is 21, rue Saint Guillaume, 75007 Paris, France ("Lummen"), and Barney's Inc., a company organized under the laws of New York and having its offices at 575 5th Avenue, NY 10017, USA ("Barneys").

RECITALS

- A. Barneys has agreed to make advance payments against its purchase to support Vionnet's collection development costs pursuant to the terms and conditions set forth in Article 7 of the letter agreement dated June 19, 2006 (the "Agreement").
- B. In order to induce Barneys to make advance payments, Lummen has agreed to grant a personal guarantee to Barneys in the form of a security interest in the Vionnet trademarks registered in the United States of America, as identified in Exhibit A to the Agreement, which he personally owns (hereafter referred to as the "Trademark").

NOW, THEREFORE,

Lummen hereby covenants and agrees as follows:

Article 1. Grant of security interest. As collateral security for the timely and complete delivery of all purchases made by Barneys in respect to Vionnet ready-to-wear lines of respectively the Spring/Summer 2007 collection and the Fall/Winter 2007-08 collection, Lummen hereby grants and conveys to Barneys a security interest in and to Lummen's entire right, title and interest in and to the Trademark.

Article 2. Covenants and warranties. Lummen warrants, covenants, guarantees and agrees as follows:

- (a) Lummen is the sole owner of the Trademark;
- (b) Lummen shall protect, defend and maintain the validity and enforceability of the Trademark;
- (c) There are no pending or existing adverse orders, judgments, legal proceedings or actions, formal investigations, written claims, or consent agreement, and, to Lummen's knowledge, no restrictions or encumbrances regarding or relating to the Trademark in any jurisdiction in the United States of America;
- (d) The performance of this Trademark Security Agreement does not conflict with or result in a breach of any agreement to which Lummen is party or by which Lummen is bound;
- (e) Lummen has not granted a security interest in the Trademark in favor of any other person or entity;
- (f) Lummen shall not enter into any agreement that would materially impair or conflict with Lummen's obligations hereunder without Barneys prior written consent, which consent shall not be unreasonably withheld.

Article 3. Event of Default. The successive and cumulative occurrence of the following shall constitute an event of default ("Event of Default") hereunder:

- (i) More than ten percent (10%) of all the products ordered for either the Spring/Summer 2007 collection or the Fall/Winter 2007-08 collection have not been delivered within fifteen (15) days from the scheduled delivery date (hereafter referred to as a "Late Delivery");
- (ii) Subsequent to a Late Delivery, Barneys has requested in writing to Vionnet and Lummen the pro rata reimbursement (based on the percentage of non delivered products) of any prepayment made; and
- (iii) Neither Vionnet nor Lummen has reimbursed Barneys or Vionnet has not delivered the products to Barneys within fifteen (15) business days from the receipt of Barneys written request.

Article 4. Remedies. (a) If any Event of Default shall have occurred and be continuing, Barneys may, to the full extent permitted by law, exercise any and all rights as beneficial and legal owner of the Trademark, including, without limitation, perfecting assignment of any and all contractual rights and powers with respect to the Trademark and sell or assign or grant a license to use, or cause to be sold, assigned or licensed the Trademark free of all rights and claims of Lummen therein and thereto.

(b) Attached hereto as Exhibit 1 is an assignment (the "Assignment") which will become effective only in the event that any Event of Default shall have occurred and be continuing so as to trigger Article 4(a).

Article 5. Application of proceeds. The proceeds obtained pursuant to the exercise of any remedy set forth in Article 4 hereto shall be applied to the pro rata reimbursement of any prepayment made by Barneys which has not occurred following a Late Delivery. Lummen shall be entitled to receive any and all surplus remaining from such proceeds.

Article 6. Termination. When all the orders made for the Spring/Summer 2007 collection and the Fall/Winter 2007-08 collection have been fully and timely delivered or when any prepayment in relation thereto have been reimbursed, this Trademark Security Agreement shall terminate. In case no prepayment has been made by Barneys for the Spring/Summer 2007-08 collection, this Trademark Security Agreement shall terminate following the full and timely delivery of the Spring/Summer 2007 collection. In the event of termination, Barneys shall immediately cancel the Assignment and return the Assignment to Lummen.

Article 7. Governing law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

Article 8. Jurisdiction. The parties hereby consent to the exclusive jurisdiction of the State and the Federal courts sitting in the City of New York for any dispute arising under this Trademark Security Agreement.

Article 9. Execution. This Trademark Security Agreement may be executed in counterparts, each of which shall constitute an original and all of which, taken together, shall constitute one and the same document.
