1. Recitals. The parties hereby represent and warrant to each other that the matters set forth in the Recitals are true and correct.

2. Assignment. In consideration for the terms and conditions of this Agreement, Company hereby assigns, transfers and conveys to NR, all of its right, title and interest in and to the said Marks and any and all variations thereof, together with the goodwill of the business symbolized thereby.

3. No other Registration. Company has not filed any other applications to register the Marks.

4. Additional Documents and Acts. Each party agrees to execute and deliver such additional documents and instruments and to perform such additional acts as may be necessary or appropriate to effectuate, carry out and perform all of the terms, provisions, and conditions of this Agreement and to enable Company to secure or renew any trademark registration or other right in the Marks.

5. Complete Agreement. This Agreement constitutes the complete and exclusive statement of agreement between the parties with respect to the subject matter herein and hereby replaces and supersedes all prior written and oral agreements or statements between them.

6. Binding Effect. This Agreement will be binding upon and inure to the benefit of the parties, and their respective successors and assigns.

7. Parties in Interest. Except as expressly set forth herein; nothing in this Agreement shall confer any rights or remedies under or by reason of this Agreement on any person or entity other than the parties hereto and their respective successors and assigns. Nothing herein shall relieve or discharge the obligation or liability of any third person to any party to this Agreement, nor shall any provision give any third person any right of subrogation or action over or against any party to this Agreement.

8. Pronouns; Statutory References. All pronouns and all variations thereof shall be deemed to refer to the masculine, feminine, or neuter, singular or plural, as the context in which they are used may require.

11. Provisional Remedy. Each of the parties reserves the right to file with a court of competent jurisdiction an application for temporary or preliminary injunctive relief, writ of attachment, writ of possession, temporary protective order and/or appointment of a receiver on the grounds that the arbitration award to which the applicant may be entitled may be rendered ineffectual in the absence of such relief.

12. Enforcement of Judgment. Judgment upon the award rendered by the arbitrator may be entered in any Court having jurisdiction thereof.
