Harris Canada further agrees that Harris Canada's obligation to execute or cause to be executed, when it is in Harris Canada's power to do so, any such instrument or papers shall continue after the termination of this Agreement.

ARTICLE 7 INDEMNIFICATION

- 7.1 **Indemnification by Harris Canada.** From the Closing Date, Harris Canada shall defend, indemnify and hold harmless Purchaser and its officers, directors, employees, shareholders, customers, agents, successors and assigns from and against any and all loss, damages, liabilities, settlement costs and expenses (including legal expenses and fees and the expenses of other professionals) ("Claims") or which may be made or brought against Purchaser or which it may suffer or incur directly or indirectly as a result of in respect of or arising out of (i) any claim which alleges that the Purchased Assets, or any part thereof, infringes or misappropriates any Intellectual Property rights, right of publicity or right of privacy of a third party; (ii) any breach of any covenant contained in this Agreement or in any other agreement, certificate or instrument executed and delivered pursuant to this Agreement; (iii) any breach of any representations and warranties made by Harris Canada in this Agreement or in any other agreement, certificate or instrument executed and delivered pursuant to this Agreement; or (iv) any

claim of ownership in or royalties for any Purchased Asset or Intellectual Property rights associated therewith.

- 7.2 **Indemnity by the Purchaser.** From the Closing Date, the Purchaser shall indemnify and hold Harris Canada and its officers, directors, employees, shareholders, customers, agents, successors and assigns harmless in respect of any Claim which may be made or brought against Harris Canada or which it may suffer or incur directly or indirectly as a result of in respect of or arising out of (i) any incorrectness in or breach of any representation or warranty of the Purchaser contained in this Agreement or in any other agreement, certificate or instrument executed and delivered pursuant to this Agreement; or (ii) any breach of or any non-fulfilment of any covenant or agreement on the part of the Purchaser under this Agreement or under any other agreement, certificate or instrument executed and delivered pursuant to this Agreement.
- 7.3 **Limitations.** No Party shall have any liability for indemnification pursuant to Sections 7.1 or 7.2 unless and until the accumulated aggregate amount of Claims of the Indemnified Party exceeds \$500,000, following which all such accumulated Claims and all further Claims of the Indemnified Party shall be recoverable as provided in this Agreement.
- 7.4 **Notice of Claim.** If an Indemnified Party becomes aware of a Claim in respect of which indemnification is provided for pursuant to either of Section 7.1 or 7.2, as the case may be, the Indemnified Party shall promptly give written notice of the Claim to the Indemnifying Party. Such notice shall specify whether the Claim arises as a result of a claim by a Person against the Indemnified Party (a "**Third Party Claim**") or whether the Claim does not so arise (a "**Direct Claim**"), and shall also specify with reasonable particularity (to the extent that the information is available):
- (i) the factual basis for the Claim; and
 - (ii) the amount of the Claim, if known.

If, through the fault of the Indemnified Party, the Indemnifying Party does not receive notice of any Claim in time effectively to contest the determination of any liability susceptible of being contested, then the liability of the Indemnifying Party to the Indemnified Party under this Article shall be reduced by the amount of any losses incurred by the Indemnifying Party resulting from the Indemnified Party's failure to give such notice on a timely basis.

- 7.5 **Direct Claims.** In the case of a Direct Claim, the Indemnifying Party shall have 60 days from receipt of notice of the Claim within which to make such investigation of the Claim as the Indemnifying Party considers necessary or desirable. For the purpose of such investigation, the Indemnified Party shall make available to the Indemnifying Party the information relied upon by the Indemnified party to substantiate the Claim, together with all such other information as the Indemnifying Party may reasonably request. If both

parties agree at or before the expiration of such 60 day period (or any mutually agreed upon extension thereof) to the validity and amount of such Claim, the Indemnifying Party shall immediately pay to the Indemnified Party the full agreed upon amount of the Claim, failing which the matter shall be referred to binding arbitration in such manner as the parties may agree or shall be determined by a court of competent jurisdiction.

7.6 Third Party Claims. In the case of a Third Party Claim, the Indemnifying Party shall have the right, at its expense, to participate in or assume control of the negotiation, settlement or defence of the Claim. If the Indemnifying Party elects to assume such control, the Indemnifying Party shall reimburse the Indemnified Party for all of the Indemnified Party's out-of-pocket expenses incurred as a result of such participation or assumption. The Indemnified Party shall have the right to participate in the negotiation, settlement or defence of such Third Party Claim and to retain counsel to act on its behalf, provided that the fees and disbursements of such counsel shall be paid by the Indemnified Party unless the Indemnifying Party consents to the retention of such counsel at its expense or unless the named parties to any action or proceeding include both the Indemnifying Party and the Indemnified Party and a representation of both the Indemnifying Party and the Indemnified Party by the same counsel would be inappropriate due to the actual or potential differing interests between them (such as the availability of different defences). The Indemnified Party shall cooperate with the Indemnifying Party so as to permit the Indemnifying Party to conduct such negotiation, settlement and defence and for this purpose shall preserve all relevant documents in relation to the Third Party Claim, allow the Indemnifying Party access on reasonable notice to inspect and take copies of all such documents and require its personnel to provide such statements as the Indemnifying Party may reasonably require and to attend and give evidence at any trial or hearing in respect of the Third Party Claim. If, having elected to assume control of the negotiation, settlement or defence of the Third Party Claim, the Indemnifying Party thereafter fails to conduct such negotiation, settlement or defence with reasonable diligence, then the Indemnified Party shall be entitled to assume such control and the Indemnifying Party shall be bound by the results obtained by the Indemnified Party with respect to such Third Party Claim. If any Third Party Claim is of a nature such that (i) the Indemnified Party is required by applicable laws or the order of any court, tribunal or regulatory body having jurisdiction, or (ii) it is necessary in the reasonable view of the Indemnified Party acting in good faith and in a manner consistent with reasonable commercial practices, in respect of (A) a Third Party Claim by a customer relating to products or services supplied by the Business or (B) a Third Party Claim relating to any contract which is necessary to the ongoing operations of the Business or any material part thereof in order to avoid material damage to the relationship between the Indemnified Party and any of its major customers or to preserve the rights of the Indemnified Party under such an essential contract, to make a payment to any person (a "Third Party") with respect to the Third Party Claim before the completion of settlement negotiations or related legal proceedings, as the case may be, then the Indemnified Party may make such payment and the Indemnifying Party shall, promptly after demand by the Indemnified Party, reimburse the Indemnified Party for such

payment. If the amount of any liability of the Indemnified Party under the Third Party Claim in respect of which such a payment was made, as finally determined, is less than the amount which was paid by the Indemnifying Party to the Indemnified Party, the Indemnified Party shall, promptly after receipt of the difference from the Third Party, pay the amount of such difference to the Indemnifying Party. If such a payment, by resulting in settlement of the Third Party Claim, precludes a final determination of the merits of the Third Party Claim and the Indemnified Party and the Indemnifying Party are unable to agree whether such payment was unreasonable in the circumstances having regard to the amount and merits of the Third Party Claim, then such dispute shall be referred to and finally settled by binding arbitration from which there shall be no appeal.

- 7.7 **Settlement of Third Party Claims.** If the Indemnifying Party fails to assume control of the defence of any Third Party Claim, the Indemnified Party shall have the exclusive right to contest, settle or pay the amount claimed. Whether or not the Indemnifying Party assumes control of the negotiation, settlement or defence of any Third Party Claim, the Indemnifying Party shall not settle any Third Party Claim without the written consent of the Indemnified Party, which consent shall not be unreasonably withheld or delayed; provided, however, that the liability of the Indemnifying Party shall be limited to the proposed settlement amount if any such consent is not obtained for any reason within a reasonable time after the request therefor.
- 7.8 **Interest on Claims.** The amount of any Claim submitted under Section 7.1 or Section 7.2 as damages or by way of indemnification shall bear interest from and including the date any Indemnified Party is required to make payment in respect thereof at the Prime Rate calculated from and including such date to but excluding the date reimbursement of such Claim by the Indemnifying Party is made, and the amount of such interest shall be deemed to be part of such Claim.
- 7.9 **GST Gross-up.** The amount of any Claim submitted under Section 7.1 or 7.2 as damages or by way of indemnification as determined without regard to this Section 7.9 shall be increased by an amount equal to the rate of GST applied to such amount.
- 7.10 **Set-off.** The Purchaser shall be entitled to set-off the amount of any Claim submitted under Section 7.1 as damages or by way of indemnification against any other amounts payable by the Purchaser to Harris Canada whether under this Agreement or otherwise.
