Transfer of Intellectual and Commercial Property Rights Agreement Between International Microsystems Inc. and Avido Systems

Avido Systems (Avido), a California Corporation and International Microsystems Inc. (IMI), a Virginia Corporation, wish to enter into an agreement whereby Avido transfers all its legal intellectual and commercial property rights to IMI as of December 1, 2003.

Whereas Avido Systems has failed to receive any sales from its products or its intellectual property in past year and it intends to go out of business by December 31, 2003, it places no value on its intellectual and commercial property rights and therefore agrees to receive no monetary benefit from this transfer. However, IMI agrees to assume legal responsibility for the property transferred under this agreement and agrees to pay any and all costs related to the physical transfer of any material from Avido Systems to IMI and all costs related to the notification of various public entities of the transfer of the Avido properties to IMI. IMI does not assume responsibility for any legal actions related to any of the property.

Included in this transfer agreement are the following Avido properties.
