TRADEMARK ASSIGNMENT

This Trademark Assignment is made on 1 November 2007 between IDENIX PHARMACEUTICALS, INC, 60 Hampshire Street, Cambridge, Massachusetts 02139, USA ("Assignor") and NOVARTIS AG, Basel, Switzerland ("Assignee").

INTRODUCTION

The Assignor and the Assignee are parties to a Development, License and Commercialization Agreement, as amended on 28 September 2007 (the "DLCA"), where the Assignor agreed to assign to the Assignee the Trademarks (as defined below).

IN CONSIDERATION good and valuable consideration, including the mutual covenants under the DLCA, the parties agree:

- 1. Trademarks.** "Trademarks" means the trade names, trademarks, service marks, trade dresses, logos, designs and slogans, in word mark, stylized and/or design formats which are the subject of the registrations and pending applications identified in the Schedule.
- 2. Assignment.** The Assignor assigns to the Assignee all of its title, rights and interest throughout the world in the Trademarks, and the applications and registrations relating to the Trademarks, together with the goodwill of the business symbolized by the Trademarks and all rights, claims and privileges pertaining to them, including, without limitation, the right to sue and recover damages for past, present and future infringement of the Trademarks, and the right to prosecute and maintain trademark applications and registrations for the Trademarks.
- 3. Authorization.** By this Trademark Assignment, the Assignor authorizes empowered officials at trademark offices to transfer all applications and registrations for the Trademarks to the Assignee as assignee of the entire title, right and interest in the Trademarks or otherwise as the Assignee may direct, in accordance with this Trademark Assignment, and to issue to the Assignee all registrations which may issue with respect to any applications for the Trademarks.
- 4. Post-execution Steps.** The Assignor will take all action and execute documents requested by the Assignee from time to time that is reasonably necessary to vest fully or perfect in the Assignee all title, right and interest in the Trademarks. The above will include providing reasonable assistance, documents and information useful or necessary to prosecute any application to register or maintain a registration for the Trademarks, and cooperating in the prosecution, defense and enforcement of the Trademarks, at the expense of the Assignee.
- 5. Terms.** Notwithstanding the above, no provision of this Trademark Assignment will in any way affect the express provisions (including the representations, warranties, indemnity, rights or obligations) in the DLCA. In the event of any conflict or inconsistency between the terms of this Assignment and the terms of the DLCA, the DLCA prevails.
- 6. Execution and delivery.** This Trademark Assignment may be executed in one or more counterparts, each of which when executed will be deemed to be an original and all of which taken together will constitute one agreement. Delivery of an executed counterpart of a signature page of this Trademark Assignment by facsimile will be effective as delivery of the actual executed counterpart of this Trademark Assignment.
