ASSIGNMENT OF TRADEMARKS

BE IT KNOWN BY THESE PRESENTS THAT:

WHEREAS, URIX, LLC., a limited liability company organized and existing under the laws of the State of Connecticut and having a principal place of business at 290 Highland Avenue, Cheshire, Connecticut 06410 ("URIX") owns the trademarks and service marks listed in Exhibit A attached hereto (the "URIX Marks"); and

WHEREAS, UNITED RISK ASSESSMENT AND MANAGEMENT, LLC., a limited liability company organized and existing under the laws of the State of Connecticut and having a principal place of business at 290 Highland Avenue, Cheshire, Connecticut 06410 ("URAM", collectively, with URIX the "Assignors") owns the trademarks and service marks listed in Exhibit B attached hereto (the "URAM Marks", collectively, with the URIX Marks, the "Marks"); and

WHEREAS, DxCG, INC. a corporation organized and existing under the laws of the State of Delaware and having a principal place of business at 99 Summer Street, Suite 520, Boston, Massachusetts, 02110 (the "Assignee") is desirous of acquiring all of the Assignors' right, title and interest in and to the Marks and any registrations and applications therefore in the United States and foreign countries, together with all of the goodwill of the business associated with the use of and symbolized by the Marks;

NOW, THEREFORE, for good and valuable consideration as more particularly described in the Asset Purchase Agreement dated October 11, 2006 (the "Purchase Agreement"), entered into, *inter alia*, by the Assignors and the Assignee (none of the provisions of which shall be deemed to be modified, limited or amended hereby), the receipt and sufficiency of which is hereby acknowledged, each Assignor does hereby sell, assign and transfer unto the Assignee, its successors and assigns, its entire right, title and interest to the Marks, and any United States and foreign registrations and applications therefore, together with all of such Assignor's goodwill of the business associated with the use of and symbolized by the Marks along with all claims for damages by reason of past, present, and future infringement of the rights assigned under this Assignment, with the right to sue for and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns, and other legal representatives, as fully and entirely as if the same would have been held and enjoyed by such Assignor if this transfer to the Assignee had not been made;

AND each Assignor, for the considerations aforesaid, hereby covenants and agrees to and with the Assignee, its successors and assigns, that such Assignor, its successors and assigns, shall and will do all lawful acts and things and make, execute (which execution will not be at Assignee's expense) and deliver, at the expense of the Assignee, any and all other instruments in writing, further applications, any necessary powers of attorney, papers, affidavits, assignments, and other documents which may reasonably be required or necessary to secure and vest in the Assignee, its successors and assigns, such Assignor's entire right, title and interest in and to the Marks and/or all of the rights, titles, benefits, privileges, and advantages hereby sold, assigned, transferred and conveyed;

MEI\5749063.4

This instrument and all of its terms shall inure to the benefit of and shall bind the Assignor and the Assignee and their respective successors and assigns.
