**TRADEMARK ASSIGNMENT**

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of April 13, 2007 ("Effective Date") by and between Trans-Fast Remittance, Inc. a New York corporation ("Assignor"), and Trans-Fast Remittance LLC (formerly known as GCP-TF Acquisition LLC), a Delaware limited liability company ("Assignee")

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement dated November 13, 2007, as amended (the "Agreement") pursuant to which Assignor agreed to purchase substantially all of the assets used in Assignor's business; and

WHEREAS, in connection with the Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, the United States applications for trademark registration set forth on Schedule A attached hereto, together with the goodwill of the business associated therewith (collectively, the "Marks"); and

WHEREAS, this Assignment is being entered into by Assignor and Assignee pursuant to Section 2.3(i)(C) of the Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, transfers, assigns, and conveys to Assignee the entire right, title and interest in and to the Marks, for the United States, including, without limitation, any registrations that may issue therefrom, any renewals and extensions of such registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any treaty, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter with respect to the Marks, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor shall take all further actions, and provide to Assignee, Assignee's successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation), reasonably requested by Assignee, and at Assignee's expense, to more fully and effectively effectuate the purposes of this Assignment. Assignor hereby requests the Commissioner of Patents and Trademarks to record Assignee as the assignee and owner of the Marks.

This Assignment shall be governed by and construed in accordance with the domestic laws of the State of New York without giving effect to any choice of law provision or

rule (whether of the State of New York or any other jurisdiction) that would cause the application of the law of any jurisdiction other than the State of New York.

This Assignment may be signed in counterparts. The executed copies together shall be considered an original and shall be binding on the parties.
