SCHEDULE A

The Corporation is authorized to issue an unlimited number of shares designated as "Common Shares", the rights, privileges, restrictions and conditions attaching to which are set out in this Schedule.

The holders of Common Shares shall be entitled:

(a) to vote at all meetings of the shareholders, except meetings at which only holders of a specified class or series are entitled to vote, and to have one vote for each Common Share held;

(b) to receive any dividend declared by the Corporation on Common Shares and, subject to the rights, privileges, restrictions and conditions attaching to any preference shares of the Corporation, to receive the remaining property of the Corporation upon dissolution; and

(c) subject to the provisions of Business Corporations Act (Alberta), the board of directors is declaring at any time a dividend on Common Shares may provide for the payment of such dividend in the form of a stock dividend to the holders of such shares who, prior to the date of declaration, have elected to receive stock dividend in lieu of any cash dividends. A stock dividend shall be payable in fully paid and non-assessable Common Shares and shall have a value per share, as determined by the board, that is substantially equivalent as of a specified date or period of days to the cash amount per share payable to the holders not so electing. The holders so electing shall receive cash in lieu of any fractional interests in shares to which they would otherwise be entitled unless the board shall determine to distribute fractional interest. Notwithstanding the foregoing, the board, if in its opinion it would be in the best interest of the corporation, may exclude from the right to elect to receive stock dividends any holders whose addresses on the securities register of the corporation are in specified jurisdictions outside Canada or who are residents of or subject to the laws of specified jurisdictions outside Canada.

SCHEDULE B

(a) The number of shareholders of the Corporation, exclusive of persons who are in its employment or that of an affiliate and persons who, having been formerly in the employment of the Corporation or that of an affiliate, were, while in that employment, shareholders of the Corporation and have continued to be shareholders of the Corporation after termination of that employment, is limited to not more than 50 persons, 2 or more persons who are the joint registered owners of 1 or more shares being counted as 1 shareholder.

(b) Any invitation to the public to subscribe for securities of the Corporation is prohibited.
