e. Pending land register transaction / contractual pre-emptive right

Regarding the building right Brügg Land Register No. 1878 there is a pending transaction noted in the land register, no. 2007/3152/0 dated September 27, 2007. This transaction has been filed but not yet registered with the land register. The transaction consists of an assignment agreement dated May 29, 2007. In its clause II/8/b, the Contributor in Kind and the previous owner, the Biella-Neher AG, created a mutual pre-emptive right with regard to this building right. Para. 2 of said clause reads as follows:

"The transfer of the building right to a related party (e.g. in case of a merger or a transfer of assets to a holding company etc.) specifically does not trigger the pre-emptive right of the other party."

The notary states that, with regard to this pre-emptive right, Cemex Research Group AG/SA/Ltd. is the beneficial owner of 100% of the Contributor in Kind and that the pre-emptive right of Biella-Neher AG is therefore excluded for the present transaction.

f. Statutory Pre-Emptive Right

According to Art. 682 para. 2 Swiss Civil Code, the municipality of Brügg as the owner of Brügg land register no. 1417 and grantor of the building right has a statutory pre-emptive right. The municipality of Brügg waived such right by a special waiver declaration which is deposited as Annex 6 to this original deed and which constitutes a part of this agreement.

g. Building Right Contract

The Company confirms that it has received a copy of the building right agreement dated December 17, 1991 (original deed no. 3373 by notary Daniel Niklaus, Brügg) and that it is familiar with its content.

9. Securities

The Contributor in Kind undertakes to transfer to the Company all the securities which are made out in the name of the Contributor in Kind and listed in the transfer inventory according to Annex 7 and the borrower's notes listed in Cl. V/8/a. Annex 7 is approved and to be signed by the parties. It constitutes a part of this agreement and is deposited as Annex 7 to this original deed.

Free Transferability

P00388

The Contributor in Kind declares that the items listed in the asset transfer are freely transferable and that the Company can have immediate unrestricted access as owner to all the assets in the transfer balance sheet (Annex 2) and/or in the inventory as at 31st October 2007 (Annex 1) and in respect of 2 (two) plots of land (pursuant to Cl. V/8 above) an unconditional entitlement to enter them in the land register. It is noted that Cemex Mexico S.A. de C.V. Monterrey Nuevo Leon, has a limited purchase right in respect of certain trademarks according to the purchase right agreement dated October 30, 2007. The trademarks are listed in Annex 1 to said agreement in detail. The unconditional transfer of these trademarks to the Company is not affected by the present agreement.

Nº 00388

VI. FINAL PROVISIONS

1. Partial Universal Succession (*Partielle Universalsukzession*)

The parties agree that the assets and liabilities of the Contributor in Kind according to the inventory dated October 31, 2007 are to be transferred to the Company, irrespective of whether the individual items and contracts, respectively, are explicitly listed in this agreement or its annexes or not.

2. Entry in the commercial register

The notary has made all parties aware that the Board of Directors of the Contributor in Kind must notify this asset transfer to the Commercial Register Office in Bern and that transfer of assets will become legally effective at the time when it is entered into the commercial register.

The Board of Directors of the Contributor in Kind will undertake the notification to the Commercial Registry Office as soon as the shareholders' general meeting of the Contributor in Kind has approved this agreement. When this agreement has been notified to the Commercial Registry Office, these conditions shall be deemed to be fulfilled.

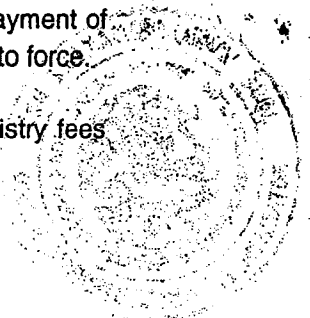

3. Notification to land registry

The Company instructs the notary to notify this agreement to the District Land Registry Office II in Biel-Nidau immediately after the transfer of assets has been entered in the commercial register.

5. Other registry amendments
