Subject: Recordation of Name Change, Registration Number 2543070

The undersigned, President of Orion Enterprises, Inc., hereby certifies the following:

The name shown on the Certificate of Registration and listed in Block 1 as the conveying party is in error. There is a typographical error in the name, (Incorporatec, instead of Incorporatedd) which I missed in reviewing the submission and the Certificate of Registration.

Orion Enterprises, Incorporated, the original applicant, was a closed corporation of the State of Maryland, which subsequently relocated to Virginia, doing business as a foreign corporation. To simplify corporate record-keeping, Orion Enterprises, Inc. was formed as a Virginia Corporation, which was the surviving entity in a merger that transferred all property, assets, and obligations of the Maryland corporation, to the Virginia corporation. The date of the merger, 6 November 2001 occurred between submission of the application and issuance of the Certificate of Registration. Failure to submit updated information to USTPO was purely due to an oversight on my part. It did not occur to me because, in effect, from an operational perspective, we were continuing to do the same business under the same corporate name. I apologize for this oversight and any inconvenience it may have caused.

If you have any questions or need any additional information, please feel free to contact me directly. Thank you for your time and attention to this.

Sincerely,

Alan J. Ramsbotham, Jr.  
President, Orion Enterprises, Inc.
