**AMENDED AND RESTATED
COLLATERAL ASSIGNMENT OF TRADEMARKS AS SECURITY**

THIS AMENDED AND RESTATED COLLATERAL ASSIGNMENT OF TRADEMARKS AS SECURITY (this "Assignment") is made as of June 25, 2008, by OPTELECOM-NKF, INC., a corporation organized and existing under the laws of the State of Delaware (the "Assignor"), in favor of MANUFACTURERS AND TRADERS TRUST COMPANY, a New York State bank (the "Lender").

RECITALS

The Assignor has requested that the Lender restructure and replace credit facilities and loans (collectively, the "Original Credit Facilities") previously made available by the Lender to the Assignor and certain of its direct and indirect subsidiaries, with replacement credit facilities and loans (such replacement credit facilities and loans made pursuant to the Financing Agreement (hereinafter defined) being hereinafter collectively called the "Credit Facilities"), and the Lender has agreed to do so, subject to, and in accordance with, that certain Amended and Restated Financing and Security Agreement dated as of June 25, 2008 (which Financing and Security Agreement, as the same may from time to time be amended, restated, supplemented or otherwise modified is herein called the "Financing Agreement"), by and among the Assignor, Optelecom-NKF Holding B.V. (the "Dutch Borrower"), Optelecom-NKF, B.V. Optelecom-NKF S.L., Optelecom UK Limited, and Optelecom-NKF Limited (each being sometimes called an "Obligor" and collectively, the "Obligors" and the Assignor and the Dutch Borrower each being sometimes called a "Borrower" and collectively, the "Borrowers").

The Original Credit Facilities are secured by, among other things, a Collateral Assignment of Trademarks as Security dated as of March 8, 2005 (the "Original Collateral Assignment") given by Assignor in favor of the Lender.

It is a condition precedent, among others, to the Lender's agreement to restructure and replace the Original Credit Facilities with the Credit Facilities and to enter into the Financing Agreement, that the Assignor enter into this Agreement, thereby amending and restating Original Collateral Assignment in its entirety in order to secure the Obligations (hereinafter defined) with a continuing lien on, and security interest in, among other things, the trademarks listed on **SCHEDULE A**, attached hereto and made a part of this Agreement (each a "Trademark" and collectively, the "Trademarks").

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor and the Lender hereby amend and restate the Original Collateral Assignment in its entirety to read as follows, provided that (a) the Original Collateral Assignment shall continue in full force and effect as amended and restated by this Assignment, and (b) nothing herein contained shall be construed to cancel, extinguish, release, discharge or constitute a novation of the obligations and liabilities of the Assignor under the Original Collateral Assignment, all of which shall continue

in full force and effect as amended hereby, and are ratified and confirmed by the Assignor by its execution and delivery of this Assignment:

ARTICLE I ASSIGNMENT

In consideration of and pursuant to the terms of the Financing Agreement and each of the other Financing Documents(as such term is defined in the Financing Agreement), and for other good, valuable and sufficient consideration, the receipt of which is hereby acknowledged, and to secure:

All present and future indebtedness, duties, obligations, and liabilities, whether now existing or contemplated or hereafter arising, of any one or more of the Obligors to the Lender under, arising pursuant to, in connection with and/or on account of the provisions of the Financing Agreement and/or any of the other Financing Documents, and/or any of the Credit Facilities including, without limitation, the principal of, and interest on, late charges, the fees, enforcement costs, and prepayment fees (if any), letter of credit fees or fees charged with respect to any guaranty or any letter of credit; also means all other present and future indebtedness, liabilities and obligations, whether now existing or contemplated or hereafter arising, of any one or more of the Obligors to the Lender or its affiliates with respect to the interest rate/currency protection agreements, deposit or other cash management or credit services of any nature whatsoever regardless of whether such debts, obligations and liabilities be direct, indirect, primary, secondary, joint, several, joint and several, fixed or contingent; and also means any and all renewals, extensions, substitutions, amendments, restatements and rearrangements of any such debts, obligations and liabilities (collectively, the "Obligations");

The Assignor hereby grants, assigns and conveys to the Lender all of its present and future right, title and interest in and to, and grants to the Lender a security interest in, Lien (as such term is defined in the Financing Agreement) on, and collateral assignment of the Trademarks, together with all the goodwill of the Assignor associated with and represented by the Trademarks and any registration therefor, and the right (but not the obligation) to sue for past, present and future infringements, and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits and all rights corresponding thereto throughout the world.

The foregoing grant, security interest and assignment is a present grant of a collateral assignment and, upon the occurrence of an Event of Default (hereinafter defined) and notice to the Assignor from the Lender, and subject to the filing with and notice to the United States Patent and Trademark Office, shall become an absolute assignment in favor of the Lender or in favor of such person as the Lender may designate, and may be the subject of such confirmatory instruments as the Lender may elect, which instruments shall be conclusive evidence of the Event of Default and absolute assignment. The Lender agrees that the assignment of the Trademarks under this Agreement is only for collateral purposes, and if the Lender in the exercise of its remedies hereunder shall dispose of the Trademarks, the Lender shall apply the proceeds of the sale of the Trademarks to the Obligations in accordance with the Finance

Agreement, and if the proceeds from such sale exceed the Obligations then due, the Lender shall account to Assignor for any such excess.

ARTICLE II
REPRESENTATIONS AND WARRANTIES

Section 2.1 Trademark Existence.

The Assignor represents and warrants to the Lender, and shall be deemed to represent and warrant to the Lender at the time each Loan (as such term is defined in the Financing Agreement) is made or Letter of Credit (as such term is defined in the Financing Agreement) issued pursuant to the Financing Agreement, that based on the records of the United States Patent and Trademark Office and any state trademark offices and on the Assignor's knowledge:

2.1.1 The registered Trademarks are subsisting and have not been adjudged invalid or unenforceable in the United States or in the jurisdictions in which they are registered.

3.2.3 Prior to an Event of Default, the Assignor shall have the right to bring suit in its own name to enforce the Trademarks, in which event the Lender may, if necessary, at its own expense, be joined as a nominal party to such suit if the Lender shall have been satisfied that it is not thereby incurring any risk of liability because of such joinder.
