PATENT AND TRADEMARK ASSIGNMENT

IN CONSIDERATION OF TEN DOLLARS (\$10.00) cash in hand paid to NQL ENERGY SERVICES CANADA LTD by NATIONAL OILWELL VARCO, L.P., and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, NQL ENERGY SERVICES CANADA LTD ("Assignor") does hereby transfer, assign, sell, grant, and convey to NATIONAL OILWELL VARCO, L.P. ("Assignee"), its successors and assigns, Assignor's entire right, title and interest in and to:

1. The patents and patent applications shown on Exhibit 1 hereto, and all inventions disclosed in the foregoing (collectively "Patents"), and the trademark applications and registrations shown on Exhibit 1 hereto, and all common law rights associated with, and/or based on the use of, the marks in such applications and registrations (collectively "Trademarks"), together with all patent applications, patents, marks, trademark applications, and trademark registrations that claim priority, directly or indirectly, in whole or in part, to one or more of the Patents or Trademarks;
2. All substitutions for and divisions, continuations, requests for continued examinations, continuations-in-part, renewals, reissues, extensions, and the like of the Patents, including without limitation, those obtained or permissible under past, present and future laws and statutes;
3. The right in Assignee, throughout the world, to file in its name applications for patents and like protection for the inventions disclosed in the Patents and to file in its name applications for trademarks for the Trademarks;
4. All national and international rights of priority associated with the Patents and Trademarks;
5. The goodwill of Assignor's business in which the Trademarks are used and the parts of the goodwill of Assignor's business connected with the use of and symbolized by the Trademarks;
6. Those portions of Assignor's business to which the intent-to-use applications encompassed by the Trademarks pertain;
7. All rights of action, claims, demands, choses-in-action, and causes of action based in whole or in part on the Patents and/or Trademarks, whether statutory, common law, or otherwise, and whether in law, equity, or otherwise, including but not limited to all rights of action, claims, demands, choses-in-action, and causes of action on account of past, present and future unauthorized use of or infringement of the Patents, and all rights of action, claims, demands, choses-in-action, and causes of action on account of past, present, and future unauthorized use of, infringement of, and/or unfair competition concerning the Trademarks, together with and all past, present, and future remedies recoverable by, associated with, and/or arising from all of the foregoing including but not limited to all damages and injunctive relief;
8. Assignor agrees that this Agreement can be made a part of the public records of any state, federal, or similar agency in the United States or other countries, including but not limited to the United States Patent and Trademark Office and the Canadian Intellectual Property Office.
9. Assignor covenants that its successors and assigns will, at the expense of Assignee, its successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give Assignee, its successors and assigns, the full benefit of this Agreement; and

208079.01/1814.00000

10. Assignor represents and warrants that it owns all right, title, and interest in and to the Patents and Trademarks, that it has the authority to transfer all of the rights transferred, assigned, sold, granted, and conveyed pursuant to this Agreement, and that it has not licensed anyone to use the Patents and Trademarks in any way.
