WHEREAS, DEBBIE is the owner and holder of certain patents, trademarks and other intellectual property rights relating to dental implants, as set forth on Exhibit A attached hereto (collectively the "Patents");

WHEREAS, on or about December 24, 2002, Bicon and DEBBIE entered into a License Agreement whereby DEBBIE agreed to license its Patents to Bicon and for which Bicon agreed to pay to DEBBIE royalty payments relating to Bicon's use of the Patents ("License Agreement").

WHEREAS, Bicon has requested a loan from the Bank in the principal amount of \$1,500,000.00 ("Loan") and the Bank has agreed to grant to Bicon the Loan.

WHEREAS, as collateral for the Loan, Bicon has granted, inter alia, a security interest in all of Bicon's assets, including but not limited to, its rights under the License Agreement as set forth in a Security Agreement of even date ("Security Agreement");

WHEREAS, the Bank is willing to grant the Loan to Bicon subject to, inter alia, Bicon granting a security interest in its rights under the License Agreement to the Bank and DEBBIE consenting to said security interest; and

WHEREAS, the Bank, Bicon and DEBBIE have executed an agreement of even date which provides, inter alia, that Bicon granted a security interest in its rights and interests under the License Agreement to the Bank and DEBBIE consented to the same ("Tri-Party Agreement").

NOW THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained in this Agreement, the parties to this Agreement hereby agree as follows:

1. DEBBIE wishes to facilitate the Loan transaction between Bicon and the Bank, the completion of which DEBBIE hereby acknowledges in the best interest of DEBBIE.
2. The parties acknowledge and agree the interest of Bicon in and to the Patents arising out of the License Agreement constitutes security for the Loan pursuant to the Security Agreement.

3. Unless and until notified by the Bank that the Loan has been paid in full, DEBBIE agrees, inter alia, (a) that it will not terminate or revoke the License Agreement with Bicon nor transfer, convey, alienate, assign, hypothecate, encumber or sell the License Agreement or Patents or enter into any sublicense agreements and (b) that it will not consent to nor allow any transfer, conveyance, alienation, assignment, hypothecation, encumbrance or sale of Bicon's rights under the License Agreement or any sublicense agreements by Bicon without the prior written consent of the Bank.
