## TRADEMARK ASSIGNMENT

WHEREAS, American PolySteel, LLC, a New Mexico limited liability company (hereinafter "Assignor"), is the owner of the trademarks and related registrations therefor specified in Exhibit A, attached hereto (collectively, "Trademarks");

WHEREAS, APS Holdings, LLC, a Delaware limited liability company (hereinafter "Assignee"), is desirous of acquiring any and all right, title and interest in and to the Trademarks;

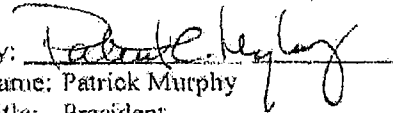

NOW THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor hereby assigns to Assignee, the entire right, title and interest in and to the Trademarks, worldwide, including all common law rights, together with the goodwill of the business symbolized by the Trademarks, and the registrations therefor as identified in Exhibit A. This Assignment includes the right to sue and recover damages for past, present and future infringements of Assignor's rights in the Trademarks and to bring any proceeding in the United States Patent and Trademark Office or any equivalent agency in any other country for cancellation or opposition or other proceeding in connection with the Trademarks, in Assignee's name and that of its successors and assigns. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor further agrees that it will execute, verify, acknowledge and deliver all reasonably required further documents, including any instruments of transfer and other recordable documents, and perform such other acts as Assignee or its successor and assigns lawfully and reasonably may request from time to time, to perfect and vest title in the Trademarks in Assignee or its successors and assigns.

Assignor will deliver, within 30 days following the date of execution of this Assignment, copies of all prosecution files relating to the registrations and applications for registration of the Trademarks to counsel for Assignee, excluding attorney-client privileged communications. In exchange for reimbursement of its out-of-pocket costs, Assignor will provide access to all non-privileged documents and witnesses under its control in connection with any enforcement activities of Assignee or its successors and assigns in connection with the Trademarks.

IN WITNESS WHEREOF, Assignor has executed this Assignment as of the date below.
