## ASSIGNMENT

This Assignment is made by and between HOSKINS ALLOYS, LLC ("Assignors"), a Island of Nevis corporation, having a place of business at 11234 Lemen Road, Whitmore Lake, MI 48189, and CONCEPTECH, INC. ("Assignees"), a Nevada close corporation, having a place of business at 11234 Lemen Road, Whitmore Lake, Michigan, 48189, and is effective this 11<sup>th</sup> day of September, 2008.

WHEREAS, CONCEPTECH, INC. desires to acquire the entire right, title and interest in and to the Patents and Patent Applications listed on Appendix A, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon, and the entire right, title and interest, in and to the Trademark Applications listed on Appendix B attached hereto, and in said marks together with the goodwill of the business symbolized by said marks and registrations thereof, and with the right to recover and have damages and profits for past infringement;

NOW, THEREFORE, be it known by all whom it may concern, that for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignors have assigned, sold and set over, and by these presents assign, sell and set over unto the Assignee, its successors, legal representatives and assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest in and to said Patents and Patent Applications, including the right to file foreign patent applications corresponding to said application, and the right to claim the priority date of said Patent Applications and any legal equivalents thereof, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and to any and all divisions, continuations, and continuations-in-part of said application, or re-issues or extensions of said Letters Patent or Patents prepared and executed by Assignors on even date herewith, and the entire right, title and interest, in and to the Trademark Applications listed on Appendix B attached hereto, and in said marks together with the goodwill of the business symbolized by said marks and registrations thereof, and with the right to recover and have damages and profits for past infringement the same to be held and enjoyed by the Assignee, as fully and entirely as the same would have been held by the Assignors had this Assignment and sale not been made.

The Assignors hereby covenant and agree that the Assignors will at any time upon the request and at the expense of the Assignee execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said invention and to obtain Letters Patent therefor, and the Assignors hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the said Assignee in accordance with this Agreement.
