WHEREAS:

A. Pursuant to the terms of the Second Amended and Restated Convertible Loan Agreement dated for reference as of the 12th day of June (the “Agreement”), the Lender has made certain advances to the Debtor (collectively, the “Loans”);

B. In connection with the Agreement, the Lender has obtained certain security agreements, guarantees, postponements and other security instruments from, *inter alia*, the Debtor (all security agreements, guarantees, postponements and other security instruments granted by the Debtor or others in favour of the Lender, as security for the debts and obligations of the Debtor to the Lender, are collectively referred to as, the “Security”); and

C. The Lender has, subject to the terms herein, agreed to release the Debtor from all of its obligations in respect of the Loans and to discharge the Security.

NOW THEREFORE in consideration of the foregoing and other good and valuable consideration:

1. The Lender represents and warrants to the Debtor that it has not assigned or otherwise dealt with its interest in the Loans or any of the Security.
2. The Lender acknowledges and covenants to, and agrees with, the Debtor as follows:
 - (a) the Lender releases and discharges all of the Security;
 - (b) the Lender releases the Debtor from all of its obligations and liabilities under the Agreement and the Security;

- (c) the Lender releases any and all encumbrances in favour of the Lender created under the Security, and all right, title and interest of the Lender in and to the properties, assets and undertaking of the Debtor or others arising under the Security, and the Lender assigns, transfers and re-conveys to the Debtor or others granting the security all properties, assets and undertaking assigned, transferred or conveyed to the Lender under the Security;
- (d) the Lender confirms to the Debtor's insurers that the Lender no longer has any interest in the properties, assets and undertaking of the Debtor charged by the Security, and accordingly consents to the Lender being deleted as an additional named insured and/or loss payee under policies of insurance relating to the properties, assets and undertaking of the Lender charged by the Security;
- (e) the Lender authorizes and instructs the Debtor and its solicitors (or their solicitors' agents) to execute and file financing change statements or any other instrument of discharge as may be necessary in order to discharge the registrations made against the Debtor, or any one of more of them, in any jurisdiction in respect of the mortgages, charges, and/or security interests provided for in the Security; and
- (f) the Lender agrees to do, execute and deliver, or cause to be done, executed and delivered, in each case at the expense of the Debtor, all such further acts, documents and things as the Debtor may reasonably request for the purpose of giving effect to the intent of this General Release and Discharge of Security.
