ASSIGNMENT OF INTELLECTUAL PROPERTY

THIS ASSIGNMENT OF INTELLECTUAL PROPERTY (the "Assignment") is made as of August 13, 2004, by GAJEMA SOFTWARE, LLC, a North Carolina Limited Liability Company (the "Assignor"), in favor of CERNER CORPORATION, a Delaware corporation (the "Assignee"). Capitalized terms not defined herein shall have the meanings ascribed to them in the Agreement (as defined below).

WHEREAS, the Assignor desires to sell, assign, transfer, convey and deliver to Assignee the Intellectual Property Assets on the terms and conditions provided for by this Assignment and in the Asset Purchase Agreement between Assignor and Assignee dated of even date herewith (the "Agreement"); and

WHEREAS, Assignee desires to purchase, accept and assume the Intellectual Property Assets on the terms and conditions provided for by this Assignment and the Agreement.

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. **Assignment of Rights.** The Assignor hereby sells, assigns, transfers, conveys and delivers, free and clear of all liabilities, liens, security interests and other claims and encumbrances of every kind and character, to Assignee, its successors and assigns, the full and exclusive right, title and interest, throughout the world, in, to, deriving from and under the Intellectual Property Assets including the Marks, the Copyrights and the Trade Secrets inclusive of the goodwill associated with therewith, and including the right to sue, counterclaim and recover for past, present and future infringement thereof, the same to be held and enjoyed by said Assignee, for its own use, and for its successors, legal representatives and assigns.
2. **Acceptance of Rights.** Assignee hereby accepts the sale, assignment, transfer, conveyance and delivery of Assignor's rights, title and interest in, to, and deriving from the Intellectual Property Assets.
3. **Representations and Warranties.** The representations and warranties set forth in the Agreement are hereby incorporated by reference.
4. **Further Assurances.** Assignor agrees that it will, at any time and from time to time, at the request of the Assignee, execute and deliver to the Assignee such other instruments or documents and take such other action approved by counsel to Assignor as the Assignee may reasonably deem necessary in order more effectively to vest title to or defend claims related to the Intellectual Property Assets.
