## TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment"), dated 5/27, 2009, is entered into by and between Dayco Products, LLC ("Assignor"), a Delaware limited liability company having a place of business at 1955 Enterprise Drive, Rochester Hills, MI 48309, and Stride Tool Inc. ("Assignee"), a Delaware corporation having a place of business at 46 E. Washington Street, Ellicottville, NY 14731.

WHEREAS, Assignor and Assignee have entered into that certain letter agreement dated 11/11/09, 2009 (the "Letter Agreement"), pursuant to which Assignor has agreed to assign to Assignee all rights Assignor has in the trademarks and related trademark registrations listed on Schedules I, II and III attached hereto (collectively, the "Assigned Marks");

NOW, THEREFORE, in consideration of the foregoing and the mutual promises, covenants and conditions contained herein, and for good and valuable consideration paid to Assignor by Assignee upon execution of the Letter Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

In accordance with the terms of the Letter Agreement, Assignor does hereby assign, transfer, convey and set over unto Assignee all right, title and interest Assignor has in, to and under the Assigned Marks, including common law rights, in the United States of America and in all countries and jurisdictions of the world, together with the goodwill symbolized by the Assigned Marks, and all applications and registrations therefor, and the exclusive right to enforce the Assigned Marks in the United States and throughout the world in the sole name of Assignee, its successors and assigns, including, without limitation, all rights to injunctive relief, damages, and profits, due or accrued, arising out of all causes of action, past, present and future, including infringement of the Assigned Marks, or other violations, or injury to said goodwill, and the right to sue for and recover the same in Assignee's own name and the names of Assignee's successors, legal representatives and assigns; the aforesaid transferred rights, title and interests to be held and enjoyed by Assignee, its successors, legal representatives and assigns to the full extent the same would have been held and enjoyed by Assignor had this Assignment not been made; and Assignee hereby accepts said Assignment.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the date first written above.
