WHEREAS, the Corporation is in the business of creating, gathering and providing weather-related surf information for delivery through various multi-media, including but not limited to, facsimile service, telephone, and websites located on the internet/world wide web (the "Business");

WHEREAS, Shareholder owns all of the issued and outstanding capital stock of the Corporation (the "Corporation Stock");

WHEREAS, Parent and Buyer desire to acquire all of the outstanding capital stock and partnership interests, as the case may be, of the Corporation and its wholly-owned subsidiaries, including, but not limited to, Surflines, Inc., a California corporation and Surflines, a California general partnership (collectively, "Surflines Interests"), plus any tangible or intangible assets or rights of any kind owned or held outside of the Surflines Interests, related to, required or utilized in undertaking the Business including, but not limited to, the domain name and website known as www.surflines.com and all goodwill related thereto (together with the Surflines Interests, the "Assets"), other than the assets listed on Exhibit A (the "Excluded Assets");

WHEREAS, the parties hereto believe it is in the best interests of Parent, Parent's stockholders, Buyer, the Corporation and the Shareholder that Buyer acquire the Corporation through the merger of the Corporation with and into Buyer (the "Merger");

WHEREAS, in the Merger each outstanding share of the Corporation will be converted into the right to receive the Merger Consideration (as hereinafter defined);

WHEREAS, Parent, Buyer, Shareholder and the Corporation desire that the Merger be treated as a reorganization under the Internal Revenue Code of 1986, as amended, and the rules and regulations thereunder (the "Code");

NOW, THEREFORE, in consideration of the premises and of the mutual agreements, representations, warranties, provisions and covenants herein contained, the parties hereto agree as follows:

1. **THE MERGER.**

1.1 The Merger. Subject to the terms and conditions of this Agreement, at the Effective Time, the Corporation shall be merged with and into Buyer, with the Buyer as the surviving corporation (the "Surviving Corporation"), and the separate existence of the Corporation shall thereupon cease. Buyer shall continue as the Surviving Corporation, and with the same certificate of incorporation as in effect, immediately prior to the Effective Time. The

name of the Surviving Corporation shall be Surfline, Inc. The Surviving Corporation and the Corporation are sometimes referred to herein as the "Constituent Corporations."

1.2 Effect of the Merger. When the Merger has been effected, the Surviving Corporation shall thereupon and thereafter possess all the rights, privileges, immunities, powers and franchises, of a public as well as of a private nature, of the Constituent Corporations; all property, real, personal and mixed (including the Assets), and all debts due on whatever account and all choses in action, and all and every other interest, of or belonging to or due each of the Constituent Corporations shall be taken and deemed to be transferred to and vested in the Surviving Corporation without further act or deed; and the title to any real estate, or any interest therein, vested in Buyer, the Corporation or the Surviving Corporation shall not revert or be in any way impaired by reason of the Merger. The Surviving Corporation shall thenceforth be responsible and liable for all the liabilities and obligations of each of the Constituent Corporations so merged; any claim existing or action or proceeding pending by or against any of the Constituent Corporations may be prosecuted as if the Merger had not taken place, or the Surviving Corporation may be substituted in its place. The Surviving Corporation shall have all the rights, privileges, immunities, powers and franchises and shall be subject to all the duties and liabilities of a corporation organized under the Delaware General Corporation Law ("DGCL"), and neither the rights of creditors nor any liens upon the respective properties of the Constituent Corporations and the Surviving Corporation shall be impaired by the Merger; all with the effect set forth in the DGCL.

1.3 Effective Time of Merger. Unless this Agreement is earlier terminated pursuant to Section 10, the closing of the Merger (the "Closing") will take place on the later of March 17, 2000, or (ii) two (2) business days following satisfaction or waiver of the conditions set forth in Section 5. The date upon which the Closing actually occurs is herein referred to as the "Closing Date." On the Closing Date, the parties hereto shall cause the Merger to be consummated by filing an Agreement of Merger (or like instrument), in substantially the form attached hereto as Exhibit B (the "Agreement of Merger"), with the Secretary of State of the State of California, and a certificate of merger with the Secretary of State of the State of Delaware, in accordance with the relevant provisions of applicable law. For purposes of this Agreement, the "Effective Time" shall mean the time on the Closing Date when the Merger shall become effective under Delaware law, which shall be 5:00 p.m., California time, on the Closing Date, or such other time as the parties may agree in writing.

1.5 Directors and Officers of the Surviving Corporation. The directors of Buyer immediately prior to the Effective Time shall be the directors of the Surviving Corporation, each to hold office in accordance with the certificate of incorporation and bylaws of the Surviving Corporation. The officers of the Surviving Corporation at and after the Effective Time shall be the officers of Buyer, each to hold office in accordance with the bylaws of the Surviving Corporation.

1.6 Conversion of Corporation Stock. At the Effective Time, by virtue of the Merger and without any action on the part of Parent, Buyer, the Corporation or the Surviving Corporation, (i) each share of Corporation Stock that is held in the treasury of the Corporation shall be canceled and retired immediately prior to the Effective Time, and no payment or distribution shall be made with respect thereto, and (ii) each share of Corporation Stock issued and outstanding immediately prior to the Effective Time, shall be canceled and retired and shall be converted into the right to receive the following (collectively, the "Merger Consideration"):

There are not any restrictions on the rights of the Corporation or any of its Subsidiaries, and it is reasonably expected that after the Closing Date there will not be any restrictions on the Corporation's or its Subsidiaries' right, to sell products manufactured or services provided by the Corporation in connection with its business that incorporate or contain the Proprietary Rights in any country in which the Corporation or any Subsidiary sells its products or otherwise conducts business on the Closing Date.

(d) Except as set forth in Section 3.28 to the Disclosure Schedule, none of the Corporation or its Subsidiaries or Shareholder has granted any license or other right to any third party with respect to the use, possession, copying, modification, sale, distribution, marketing, advertisement and/or disposition of any of the Proprietary

(f) Section 3.28 of the Corporation Disclosure Schedule sets forth a list of all computer software incorporated by the Corporation and its Subsidiaries into its products and services (the "Computer Software"). Except for Computer Software which is licensed to the Corporation and its Subsidiaries pursuant to licenses identified in Section 3.28 of the Corporation Disclosure Schedule or as otherwise set forth in such schedule, each of the Corporation and its Subsidiaries exclusively owns all rights to the Computer Software incorporated in its products or services, and no royalties, fees, honoraria or other payment are required for the Surviving Corporation to continue to exclusively own and use the Computer Software.
