Confirmation Of Grant Of Security Interest

This confirmation of grant of collateral security interest (the "Confirmation") is made by Fat Spaniel Technologies, Inc., a California corporation ("Grantor"), in favor of the Secured Parties and the Agent, for the benefit of all the Secured Parties (as those capitalized terms are defined in the Intellectual Property Security Agreement, dated as of November 19, 2009) (collectively, "Grantees").

A. Grantor did, on November 19, 2009, through its execution of the Intellectual Property Security Agreement, grant a security interest to Grantees in the trademarks set forth on Schedule 1 (the "Trademarks").

B. Grantor desires to confirm having conveyed such security interest in the Trademarks to Grantees as more fully described in the Intellectual Property Security Agreement.

Accordingly, Grantor confirms that, effective as of November 19, 2009, it granted to Grantees a security interest in the Trademarks as described in the Intellectual Property Security Agreement, the terms of which this Confirmation incorporates by reference. The terms of the Intellectual Property Security Agreement will control in the event of any conflict between it and this Confirmation.
