NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Debtor hereby agrees as follows:

1. **Defined Terms.** All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.
2. **Grant of Security Interest in Trademark Collateral.** The Debtor hereby grants to the Secured Party, a continuing security interest in all of such Debtor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

 - (b) all goodwill, trade secrets, proprietary or confidential information, technical information, procedures, formulae, quality control standards, designs, operating and training manuals, customer lists, and other General Intangibles with respect to the foregoing;
 - (c) all renewals, reissues, continuations or extensions of the foregoing;
 - (d) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License; and
 - (e) all products and proceeds of the foregoing, including, any claim by the Debtor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any Intellectual Property License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Intellectual Property License.
3. **Security for Obligations.** This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and

4. **Security Agreement.** The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Secured Party, pursuant to the Security Agreement. The Debtor hereby acknowledges and affirms that the rights and remedies of the Secured Party with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
5. **Authorization to Supplement.** If the Debtor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. The Debtor shall give prompt notice in writing to the Secured Party with respect to any such new trademarks or renewal or extension of any trademark registration as provided in the Security Agreement. Without limiting the Debtor's obligations under this Section 5, the Debtor hereby authorize the Secured Party unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of the Debtor. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.
7. **Construction.** Unless the context of this Trademark Security Agreement or any other Debt Document clearly requires otherwise, the definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation," whether or not so expressly stated in each such instance and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The word "will" shall be construed to have the same meaning and effect as the word "shall." Unless the context requires otherwise, (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (b) any reference herein to any Person shall be construed to include such Person's successors and assigns, (c) the words "herein", "hereof" and "hereunder", and words of similar import, shall be construed to refer to this Trademark Security Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Trademark Security Agreement and (e) the words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights. References in this Trademark Security Agreement to "determination" by any Secured Party include estimates honestly made by the Secured Party (in the case of quantitative determinations) and beliefs honestly held by such Secured Party (in the

case of qualitative determinations). Any reference herein or in any other Debt Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms hereof) of all Obligations other than unasserted contingent indemnification Obligations.
