TRADEMARK ASSIGNMENT

THIS ASSIGNMENT OF TRADEMARKS (this "Assignment") is executed as of June 22, 2009, by **LDS Test and Measurement Limited**, a company incorporated in England and Wales under the Companies Act (registered company number 01539186) ("LDS Ltd") ("Assignor") for the benefit of **HBM United Kingdom Ltd**, a company incorporated in England and Wales under the Companies Act ("HBM Ltd") ("Assignee").

WHEREAS, Assignor has used and is using the trademarks identified on Schedule A and is the owner of the trademark registrations identified on Schedule A (the "Marks"), including the goodwill of the business connected with the use of, and symbolized by, the Marks.

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Marks, including any and all federal applications and registrations therefor.

WHEREAS, Assignor and Assignee have entered into an Intellectual Property Purchase Agreement dated as of the date hereof, pursuant to which Assignor has agreed, *inter alia*, to assign to Assignee certain assets, including: (a) all right, title and interest in and to the Marks and (b) the goodwill of the business associated with the Marks.

NOW THEREFORE, for good and valuable consideration paid by Assignee, receipt of which is hereby acknowledged, Assignor hereby assigns and transfers to Assignee, the entire right, title and interest in and to the Marks, including the goodwill of the business connected with the use of, and symbolized by, the Marks, free and clear of any and all liens, security interests, and other encumbrances.

Assignor shall, at its own expense, take all actions and execute all documents necessary or desirable to record and perfect the interest of Assignee in and to the patents and patent applications listed on the attached Schedule A, and shall not enter into any agreement in conflict with this Assignment.

Assignor represents and warrants that it is duly authorized and has legal capacity to execute and deliver this Assignment, and that the execution and delivery of the Assignment and the performance of Assignor's obligations hereunder have been duly authorized and that the Assignment is a valid and legal agreement binding on the respective Assignor and enforceable in accordance with its terms.

This Agreement, and the performance of the parties hereto, shall be construed and governed according to the internal laws of the State of Delaware and the federal laws of the United States of America, without regard to the principles of conflicts or choice of laws thereof that would give rise to the application of the domestic substantive laws of another jurisdiction.

This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Signatures of the parties transmitted by facsimile or pdf shall be deemed to be their original signatures for all purposes.

IN WITNESS WHEREOF, the undersigned has caused this instrument to be signed by a duly authorized corporate officer as of this 22nd day of June, 2009.
