ASSIGNMENT

This Assignment is made by Applied DNA Sciences, Inc. ("Assignor"), a Delaware Corporation having a place of business at 25 Health Sciences Drive, Suite 113, Stony Brook, NY 11790 to APDN (B.V.I.) Inc. ("Assignee"), a British Virgin Islands corporation, having a place of business at 25 Health Sciences Drive, Suite 113, Stony Brook, NY 11790.

WHEREAS, Assignor has acquired the entire right, title and interest in and to all trademarks, trademark applications, service marks and service mark applications listed on Exhibit A, along with all trade dress related to the foregoing ("Trademark Portfolio"); and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to the Trademark Portfolio, along with any and all Trademarks that may be granted for said trademark and service mark applications and marks, in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents hereby sells, assigns, transfers and sets over to Assignee all of Assignor's right, title and interest in, to and under said Trademark Portfolio including but not limited to (a) the right to apply for trademarks and service marks in the United States of America and in all foreign countries, (b) all trademarks or service marks which may issue on said applications(s) and on any application transferred by this Assignment in the United States and foreign countries, and any and all extensions and divisions granted for said applications(s) or upon such Application, for the full term or terms for which the trademarks or service marks may be issued, (c) all rights to sue, license and collect damages, costs, and attorney's fees for any infringement, either pre-dating this assignment or hereafter. Assignor hereby authorizes Assignee to file a trademark Application in all countries for any or all of said trademarks or service marks in Assignors' name, or in Assignee's name, or otherwise as Assignee may deem advisable, under any international or bilateral treaty, agreement or convention, or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, it and its legal representative(s) and assigns will do all lawful acts, including having the appropriate persons execute papers and give testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing a Trademark or Service Mark in the United States and throughout the world for said Trademark Portfolio, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said Trademark Portfolio, and any Trademarks or Service Marks granted for said Trademark Portfolio in the United States and throughout the world.

Assignor represents and warrants that it has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Trademarks or Service Marks granted, whether on said applications or on any subsequently filed extension or division to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date written herein below.
