All capitalized terms not otherwise defined herein shall have the meanings assigned to such terms in the Agreement, as defined below.

WITNESSETH

WHEREAS, Assignor and Assignee are parties to an Asset Purchase Agreement dated as of the __th day of April, 2010 and effective as of January 26, 2010 (the "Agreement"), pursuant to which Assignor has agreed to transfer to Assignee, and Assignee has agreed to accept from Assignor, certain assets, including, without limitation, certain intellectual property assets; and

WHEREAS, Assignor has agreed to execute such instruments as Assignee may reasonably request in order to more effectively assign, transfer, grant, convey, assure, and confirm to Assignee and its successors and assigns all right, title, and interest of Assignor in, to, and under the intellectual property assets; and

WHEREAS, in accordance therewith, Assignor desires to assign to Assignee all of Assignor's worldwide right, title, and interest in, to, and under all of Assignor's intellectual property set forth on the attached Exhibit A (collectively, the "Intellectual Property").

NOW, THEREFORE, Assignor, for and in exchange for the consideration set forth in the Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, does hereby assign, transfer, grant, and convey to Assignee, free and clear of all pledges, security interests, liens, charges, encumbrances, equities, claims, options, or limitation of every kind, except for certain lien(s) set forth and preserved in the Agreement, all of Assignor's worldwide right, title, and interest in, to, and under the Intellectual Property, together with the goodwill of the business associated therewith and which is symbolized thereby, all rights to sue for infringement thereof, whether arising on, prior to, or subsequent to the date of this Assignment, any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States and in any other jurisdiction, and all priority rights in the United States and all foreign countries, the same to be held and enjoyed by Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by Assignor had the Assignment not been made.

Assignor agrees to execute, acknowledge, and deliver to Assignee, at Assignee's request, any and all further documents, papers, affidavits, statements, and/or other instruments, whether or not in paper or electronic form, to confirm Assignee's ownership of all rights pursuant to this Assignment.

This Assignment shall be binding upon the successors and assigns of Assignor and inure to the benefit of the successors and assigns of Assignee.

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment shall be governed by and construed in accordance with the laws of the State of Colorado without giving effect to the principles of conflicts of laws thereof.
