**SECURITY INTEREST
IN UNITED STATES TRADEMARKS**

August 13, 2010

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, Ardmore Farms, Inc., a Pennsylvania corporation (the "Grantor") with principal offices at 681 West Waterloo Road, Akron, Ohio 44314, hereby grants Bank of Montreal, as Administrative Agent, with principal offices at 115 S. LaSalle Street, 19th Floor West, Chicago, Illinois 60603 (the "Administrative Agent"), a security interest in all of the following property, whether now owned or hereafter acquired or existing:

- (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos, other source of business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of a like nature (each of the foregoing, a "Trademark"), all registrations and all applications in connection therewith, whether pending or in preparation for filing, including all common law rights in the Trademark and registrations and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any foreign country, including those listed on Schedule A;
- (b) all Trademark licenses;
- (c) all reissues, extensions or renewals of any item described in clause (a) or (b);
- (d) all of the goodwill of the business connected with the use of, and symbolized by, any item described in clause (a) or (b); and
- (e) all proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license, including any Trademark, Trademark registration or Trademark license referred to on Schedule A, or for any injury to the goodwill associated with the use of any Trademark or for breach or enforcement of any Trademark license.

THIS SECURITY INTEREST (this "Agreement") is made to secure the satisfactory performance and payment of all obligations of the Grantor under the Loan Documents, certain Hedging Agreements and certain Cash Management Arrangements, as such terms are defined in the Security Agreement among the Grantor, each affiliate of the Grantor that is party thereto from time to time and the Administrative Agent, dated as of August 13, 2010 (the "Security Agreement"). Capitalized terms used but not defined herein have the respective meanings assigned to such terms in the Security Agreement. Upon request of the Grantor when all Liabilities have been paid in full and all Commitments have been terminated, the Administrative Agent shall execute, acknowledge and deliver to the Grantor an instrument in writing releasing the security interest in the Trademarks acquired under this Agreement.

This security interest has been made in conjunction with the security interest granted to the Administrative Agent under the Security Agreement. The rights and remedies of the Administrative Agent with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in, the Security Agreement, the terms and provisions of which are incorporated herein by reference. If any provision of this Agreement conflicts with the Security Agreement, the provisions of the Security Agreement shall govern.
