- (A) The Development Group is hereby formed as a tribally-chartered corporation under the law of the Tribe.
- (B) The existence of the Development Group shall be perpetual except as otherwise provided for by law or ordinance of the Tribe.
- (C) The Development Group shall be an "authorized agency" of the Tribe within the meaning of Section 2.21 of the Compact. Notwithstanding the foregoing, the Tribe in its own name shall be a party to the Compact and any amendment, supplement, replacement or restatement thereof.

Section 3. General Purpose

The general purpose of the Development Group is to create a tribal entity with the authority to oversee and direct the development, financing, construction, operation, maintenance and management of the Tribe's Gaming Operation for the benefit of the Tribe and its members.

Section 4. Board of Directors

(A) The control and management of the affairs of the Development Group shall be vested in a Board of Directors consisting of not more than nine (9) members.

(B) The initial Board of Directors shall consist of:

- (i) the three (3) current Tribal Representatives on the Executive Committee created under the management agreement with Siren Gaming, LLC;
- (ii) two (2) additional tribal members selected by the San Pasqual Business Committee;

Section 5. Powers

The Development Group, acting through the Board and authorized officers, employees and agents of the Development Group, shall have the power:

(A) to direct, control and oversee the development, financing, construction, operation, maintenance and management of the Casino and the Tribe's Gaming Operation;

(B) to enter into contracts and agreements in its own name;

(C) to incur any form of indebtedness or financial obligation, including through issuance of debt securities or by means of a guarantee, and to pledge as security for the same any assets or revenues of the Development Group or any assets and revenues of the Casino (other than an interest in real property);

(D) to sue and, subject to Section 6 of this Charter, to waive sovereign immunity of the Development Group (but not the Tribe) from unconsented suit or other legal proceedings and to allow enforcement and recourse related thereto as against the Development Group, its assets and revenues or any assets and revenues of the Casino (other than an interest in real property); and agree to and engage in any dispute resolution process;

(E) to adopt and amend By-Laws consistent with this Charter; and

(F) to take any and all other actions deemed necessary, appropriate and convenient to further the purposes of the Tribe's Gaming Operation.

Any exercise by the Development Group of any power or authority under this Charter shall constitute the exercise of a governmental function of the Tribe.

Section 6. Sovereign Immunity

(A) The Development Group shall have and enjoy the Tribe's sovereign immunity from unconsented suit and other legal process and claims, together with all other rights and privileges arising from tribal sovereignty, to the fullest extent that the Tribe enjoys sovereign immunity and the right and privileges of tribal sovereignty.

(B) No waiver of sovereign immunity by the Tribe or any Tribal Party, other than the Development Group, or any other person or entity, shall ever permit or allow or be construed or interpreted to permit or allow any enforcement or recourse as against the Development Group, its assets, revenues or business. Any waiver of sovereign immunity by the Development Group, in exercise of the power specified in Section 5 (D), will permit recourse against explicitly identified assets, revenues, business or activity of the Development Group or explicitly identified assets or revenues of the Casino (other than real property) only if it meets each of the following:

- (i) the waiver is in writing and expressly states that such waiver shall permit recourse and enforcement against the explicitly identified assets, revenues, business or activity of the Development Group or explicitly identified assets or revenues of the Casino (other than real property); and
- (ii) the waiver is duly approved by the Board.

Section 7. Enforcement of Claims; Separation of Liabilities, Assets, Etc.

(A) Any liability or obligation of the Development Group of any nature, whether arising under contract, law, or otherwise, shall be enforceable only as against the Development Group, its assets and revenues or assets and revenues of the Casino (other than an interest in real property), but only to the extent the Development Group waives its sovereign immunity as permitted herein. No liability or obligation of the Development Group shall be enforceable as against any assets or revenues of the Tribe or any other Tribal Party, except with the express written consent of the Tribe that has been authorized by the Tribe.

(B) No liabilities or obligations of the Tribe or any Tribal Party other than the Development Group shall be enforceable as against the assets, revenues, business or activities of the Development Group.

Section 8. Application of Revenues

In the absence of such contractual requirements, revenues of the Tribe's Gaming Operation shall be applied in accordance with applicable federal and tribal law.

Section 9. Dissolution

In the event of the dissolution of the Development Group, any assets remaining after payment of creditors and fulfillment of the Development Group's legal obligations shall be distributed exclusively to the Tribe.
