AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT, dated as of July 28, 2004 (the "Trademark Security Agreement"), by EACH OF THE GRANTORS LISTED ON THE SIGNATURE PAGES HERETO AND EACH ADDITIONAL PARTY WHICH BECOMES A GRANTOR HERETO PURSUANT TO SECTION 8 HEREOF (each, a "Grantor" and collectively, "Grantors"), in favor of GENERAL ELECTRIC CAPITAL CORPORATION, a Delaware corporation, in its capacity as Agent for Lenders.

WITNESSETH:

WHEREAS, pursuant to that certain Second Amended and Restated Credit Agreement dated as of the date hereof by and among Dick's Sporting Goods, Inc., a Delaware corporation ("Borrower"), the other Persons named therein as Loan Parties, Agent and the Persons signatory thereto from time to time as Lenders (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Credit Agreement"), Lenders have agreed to continue to make the Revolving Credit Loans and to continue to incur Letter of Credit Obligations for the benefit of Borrower and guaranteed by the other Grantors;

WHEREAS, Borrower, Agent and the parties signatory thereto from time to time as Lenders entered into that certain Credit Agreement dated as of February 1, 1996 (as amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, the "Original Credit Agreement");

WHEREAS, in order to induce the Lenders to continue to make Revolving Credit Loans and to incur Letter of Credit Obligations under the Original Credit Agreement, American Sports Licensing, Inc. (formerly known as Dick's Asset Management Corp.), a Delaware corporation ("ASL"), and Agent entered into that certain Security Agreement dated as of February 11, 1999 (as amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, the "Original Security Agreement");

WHEREAS, in furtherance of the intent of the parties under the Original Security Agreement, ASL entered into that certain Trademark Security Agreement, dated as of February 11, 1999 (as amended, supplemented or otherwise modified from time to time prior to the date hereof, the "Existing Trademark Security Agreement");

WHEREAS, ASL and certain other Grantors have amended and restated the Original Security Agreement pursuant to that certain Second Amended and Restated Security Agreement dated as of the date hereof (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Subsidiary Security Agreement");

WHEREAS, each of the Grantors wishes to amend and restate the Existing Trademark Security Agreement on the terms and conditions set forth herein; and

WHEREAS, Grantors directly or indirectly benefit from the credit facilities made available to Borrower under the Credit Agreement, and in order to induce Agent and Lenders to enter into the Credit Agreement and other Loan Documents and to induce Lenders to continue to make the Revolving Credit Loans and to continue to incur Letter of Credit Obligations as provided for in the Credit Agreement, Grantors desire to grant a continuing Lien on the Trademark Collateral (as hereinafter defined) to Agent, for the benefit of Agent and Lenders, to secure all of the Obligations;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in Annex A thereto to the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. To secure the complete and timely payment of all the Obligations of Loan Parties now or hereafter existing from time to time (herein, the "Secured Obligations"), each Grantor hereby grants to Agent, on behalf of itself and Lenders, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (for all Grantors, collectively, the "Trademark Collateral"):

(a) all of its Trademarks and Trademark Licenses to which it is a party including those referred to on Schedule I hereto;

(b) all reissues, continuations or extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or Trademark licensed under any Trademark License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License.

3. REPRESENTATIONS AND WARRANTIES. Each Grantor jointly and severally represents and warrants that such Grantor does not have any interest in, or title to, any Trademark except as set forth in Schedule I hereto. This Trademark Security Agreement is effective to create a valid and continuing Lien on and, upon the filing hereof with the United States Patent and Trademark Office together with payment of the appropriate filing fees, perfected security interests in favor of Agent in all of Grantors' Trademarks and such perfected security interests are enforceable as such as against any and all creditors of, and purchasers from, Grantors. Upon filing of this Trademark Security Agreement with the United States Patent and Trademark Office

and the filing of appropriate financing statements listed on Schedule I to the Subsidiary Security Agreement, together with payment of the appropriate filing fees, all actions necessary or otherwise requested by Agent to protect and perfect Agent's Lien on Grantor's Trademarks shall have been duly taken.

4. COVENANTS. Each Grantor jointly and severally covenants and agrees with Agent, on behalf of Agents and Lenders, that from and after the date of this Trademark Security Agreement and until the Termination Date:

(a) Each Grantor shall notify Agent promptly if it knows or has reason to know that any application or registration relating to any material Trademark (now or hereafter existing) may become abandoned or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court) regarding such Grantor's ownership of any material Trademark, its right to register the same, or to keep and maintain the same.

(b) If any Grantor, either directly or through any agent, employee, licensee or designee, shall file an application for the registration of any Trademark with the United States Patent and Trademark Office or any similar office or agency, such Grantor shall give Agent prior written notice thereof, and, upon request of Agent, such Grantor shall execute and deliver a supplement hereto (in form and substance satisfactory to Agent) to evidence Agent's, on behalf of Agent and Lenders, Lien on such Trademark, and the General Intangibles of such Grantor relating thereto or represented thereby.

(c) Each Grantor shall take all actions reasonably necessary or requested by Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of each of the Trademarks (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of noncontestability and opposition and interference and cancellation proceedings.

(d) In the event that any of the Trademark Collateral which is material to the business of the Loan Parties is infringed upon, or misappropriated or diluted by a third party, each Grantor shall notify Agent promptly after such Grantor learns thereof. Each Grantor shall, unless it shall reasonably determine that such Trademark Collateral is in no way material to the conduct of its business or operations, promptly take such actions to enforce its rights and protect such Trademark Collateral, whether by action, suit, proceeding or otherwise, as Grantor shall deem necessary or appropriate under the circumstances in its reasonable business judgment or as Agent may otherwise request.

5. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to

Agent, on behalf of itself and Lenders, pursuant to the Subsidiary Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral of such Grantor made and granted hereby are more fully set forth in the Subsidiary Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

6. REINSTATEMENT. This Trademark Security Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of any Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Secured Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

7. NOTICES. Whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon any of the parties by any other party, or whenever any of the parties desires to give and serve upon any other party any communication with respect to this Trademark Security Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and shall be given in the manner, and deemed received, as provided for in the Credit Agreement.

8. ADDITIONAL GRANTORS. The initial Grantors hereunder shall include the Loan Parties as are signatories hereto on the date hereof. From time to time subsequent to the date hereof, additional Loan Parties may become parties hereto, as additional Grantors (each, an "Additional Grantor"), by executing a counterpart of this Trademark Security Agreement substantially in the form of Exhibit A attached hereto. Upon delivery of any such counterpart to Agent, notice of which is hereby waived by the Grantors, each Additional Grantor shall be a Grantor and shall be as fully a party hereto as if such Additional Grantor were an original signatory hereto. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder nor by any election of Agent not to cause any Loan Party to become an Additional Grantor hereunder. This Trademark Security Agreement shall be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

9. TERMINATION OF THIS SECURITY AGREEMENT. Subject to Section 6 hereof, this Trademark Security Agreement shall terminate upon the Termination Date.

10. EFFECT OF AMENDMENT AND RESTATEMENT. From and after the date hereof (the "Effective Date"): (a) the terms and conditions of the Existing Trademark Security

Agreement shall be amended as set forth herein and, as so amended, shall be restated in its entirety, but only with respect to the rights, duties and obligations among Grantors and the Agent accruing from and after the Effective Date; (b) this Trademark Security Agreement shall not in any way release or impair the rights, duties, Obligations or Liens created pursuant to the Existing Trademark Security Agreement (and such Liens shall continue without any diminution thereof and shall remain in full force and effect on and after the Effective Date) or affect the relative priorities thereof, in each case to the extent in force and effect thereunder as of the Effective Date, and all of such rights, duties, Obligations and Liens are assumed, ratified and affirmed by each Grantor; (c) the execution, delivery and effectiveness of this Trademark Security Agreement shall not operate as a waiver of any right, power or remedy of the Lenders or the Agent under the Existing Trademark Security Agreement, nor constitute a waiver of any covenant, agreement or obligation under the Existing Trademark Security Agreement, except to the extent that any such covenant, agreement or obligation is no longer set forth herein or is modified hereby; and (d) any and all references to the Existing Trademark Security Agreement in any Loan Document shall, without further action of the parties, be deemed a reference to the Existing Trademark Security Agreement, as amended and restated by this Trademark Security Agreement, and as this Trademark Security Agreement shall be further amended, restated, supplemented or otherwise modified from time to time.
