Bankruptcy Procedure (the "Bankruptcy Rules") authorizing the Debtors to sell the Acquired Assets²; and the Court having entered an amended order (the "Bidding Procedures Order"), dated July 30, 2010 [Docket No. 302] approving and authorizing, among other things, the bidding procedures attached as Exhibit A thereto (the "Bidding Procedures") based upon the evidence presented at the hearing held on July 22, 2010 (the "Bidding Procedures Hearing"); and the Auction (as defined in the Bidding Procedures Order) having been held in accordance with the Bidding Procedures Order on August 20, 2010; and at the conclusion of the Auction, NEV Holdings, LLC (the "Purchaser") having been chosen as the Successful Bidder (as defined in the Bidding Procedures); and Envelope Operations, Inc. having been chosen by the Debtors to be the Back-up Bidder (as defined in the Bidding Procedures) (the "Back-up Bidder"); and the Court having conducted a hearing to consider the results of the Auction and the Debtors' request to enter into and consummate the transactions contemplated by that certain Agreement dated as of July 8, 2010, as amended by that certain first amendment dated as of July 21, 2010 and by that certain second amendment dated as of August 23, 2010 (the "Agreement")³ by and between the Debtors and the Purchaser on August 23, 2010 (the "Sale Hearing"); and all parties in interest having been heard, or having had the opportunity to be heard, regarding the Agreement, a copy of which is attached hereto as Exhibit 1, and all transactions contemplated thereby (together, the "Sale"); and the Court having reviewed and considered the Agreement and the Motion, the arguments of counsel made, and the evidence adduced at the Bidding Procedures Hearing and the Sale Hearing; and upon the record of the Bidding Procedures Hearing and the Sale Hearing

and these Chapter 11 Cases, and after due deliberation thereon, and good and sufficient cause appearing therefor, it is hereby

FOUND AND DETERMINED THAT:⁴

A. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014.

B. The Court has jurisdiction over this Motion and the transactions contemplated by the Agreement pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue of these cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

C. The statutory predicates for the relief sought in the Motion are sections 105, 363 and 365 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006 and 9014, and Rule 6004-1 of the Local Rules for the United States Bankruptcy Court for the District of Delaware.

D. As evidenced by the affidavits of service and publication previously filed with the Court, and based on the representations of counsel at the Sale Hearing, (i) due, proper, timely, adequate and sufficient notice of the Motion, the Sale Hearing, the Auction, the Sale, and the assumption and assignment of the Assumed Contracts has been provided in accordance with sections 102(1), 363 and 365 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 6006 and 9014 and in compliance with the Bidding Procedures Order to each party entitled thereto, (ii) such notice was good and sufficient, and appropriate under the particular circumstances, and (iii)

⁴ Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Bankruptcy Rule 7052.

no other or further notice of the Motion, the Sale Hearing, the Auction, the Sale or the assumption and assignment of the Assumed Contracts is or shall be required.

E. As demonstrated by (i) the testimony and other evidence proffered or adduced at the Sale Hearing and (ii) the representations of counsel made on the record at the Sale Hearing, the Debtors have marketed the Acquired Assets and conducted the sale process in compliance with the Bidding Procedures Order and the Auction was duly noticed. The Auction process set forth in the Bidding Procedures Order and the Bidding Procedures afforded a full and fair opportunity for any entity to make a higher or otherwise better offer to purchase the Acquired Assets. Based upon the record of these proceedings, all creditors and other parties in interest and all prospective purchasers have been afforded a reasonable and fair opportunity to bid for the Acquired Assets.

F. The Acquired Assets constitute property of the Debtors' estates and title thereto is vested in the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code.

G. Except as set forth in the Agreement, each of the Debtors (i) has full corporate or other power and authority to execute the Agreement and all other documents contemplated thereby, and the Sale by the Debtors has been duly and validly authorized by all necessary corporate or other action, (ii) has all of the corporate or limited liability company power and authority necessary to consummate the transactions contemplated by the Agreement, and (iii) has taken all corporate, limited liability company or other action necessary to authorize and approve the Agreement and the consummation by the Debtors of the transactions contemplated thereby; and no consents or approvals, other than those expressly provided for in

the Agreement, are required for the Debtors to consummate the transactions contemplated by the Agreement.

H. Except as set forth in the Agreement, (i) the Debtors have good, valid and marketable title to all of the Acquired Assets, (ii) the Acquired Assets are to be transferred free and clear of any and all Liens, Claims and Interests (as defined below), which, for the avoidance of doubt, do not include Assumed Liabilities and (iii) all of the Acquired Assets are, or will on the date of Sale, be owned by the Debtors and will be transferred under the Agreement.

I. Approval of the Agreement and consummation of the Sale at this time are in the best interests of the Debtors, their creditors, their estates, and other parties in interest.

J. The Debtors have demonstrated both (i) good, sufficient, and sound business purposes and justifications and (ii) compelling circumstances for the Sale pursuant to section 363(b) of the Bankruptcy Code prior to, and outside of, a plan of reorganization in that, among other things, the Agreement constitutes the highest or best offer for the Acquired Assets; the Agreement will present the best opportunity to realize the value of the Debtors on a going concern basis and avoid decline and devaluation of the Debtors' businesses; and absent the Sale the value of the Debtors' assets will be harmed.

K. A reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to all interested persons and entities, including: (i) the Office of the United States Trustee for the District of Delaware; (ii) counsel for the official committee of unsecured creditors appointed in these Chapter 11 Cases (the "Committee"); (iii) counsel to the administrative agent for the lenders under the Debtors' prepetition credit agreement; (iv) counsel to the agents for the Debtors' postpetition secured lenders; (v) all taxing authorities having jurisdiction over any of the Acquired Assets, including

the Internal Revenue Service; (vi) all parties that have requested or that are required to receive special notice pursuant to Bankruptcy Rule 2002; (vii) all Persons known or reasonably believed to have asserted a Lien, Claim and Interest on any of the Acquired Assets; (viii) the non-debtor parties to the Leases and Contracts; (ix) the Attorneys General in the State(s) where the Acquired Assets are located; (x) the United States Environmental Protection Agency; (xi) the New Jersey Department of Environmental Protection; (xii) any other applicable state environmental agency; (xiii) counsel to International Paper; and (xiv) the creditors listed on the Debtors' consolidated list of 30 largest unsecured creditors as of the Petition Date, as filed with the Debtors' petitions.

L. As evidenced by the affidavits of service filed with the Court and based upon the representations of counsel at the Sale Hearing and as approved under the Bidding Procedures Order: (i) due, proper, timely, adequate and sufficient notice of the Auction and the Sale Hearing has been provided to all parties in interest; (ii) such notice was and is good, sufficient and appropriate under the circumstances of the Debtors' Chapter 11 Cases and was provided in accordance with sections 102(1) and 363(b) of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 9006 and 9007 and the Local Rules; and (iii) no other or further notice of the Auction, the Sale Hearing or of the entry of this Sale Order is necessary or shall be required.

M. Upon conclusion of the Auction, the Purchaser submitted the highest and best offer for the Acquired Assets, as set forth in the Agreement, including the payment of the Purchase Price, as defined therein.

N. The Agreement was negotiated, proposed and entered into by the Debtors and the Purchaser without collusion, in good faith, and from arm's-length bargaining positions. Neither Debtors, nor the Purchaser, nor any Affiliate of the Purchaser has engaged in any conduct that would cause or permit the Agreement to be avoided under section 363(n) of the

Bankruptcy Code. Specifically, the Purchaser has not acted in a collusive manner with any person, and the aggregate price paid by the Purchaser for the Acquired Assets was not controlled by any agreement among any bidders. Cause has been shown as to why this Order should not be subject to the stay provided by Bankruptcy Rules 6004(h) and 6006(d). The Purchaser is not an "insider" as that term is defined in section 101(31) of the Bankruptcy Code.

O. The Purchaser is a good faith purchaser under section 363(m) of the Bankruptcy Code and, as such, is entitled to all of the protections afforded thereby. Specifically, (i) the Purchaser recognized that the Debtors were free to deal with any other party interested in acquiring the Acquired Assets; (ii) the Purchaser complied with the provisions in the Bidding Procedures Order; (iii) the Purchaser agreed to subject its bid to the competitive bidding procedures set forth in the Bidding Procedures Order; (iv) the Purchaser in no way induced or caused the chapter 11 filings by the Debtors; and (v) the negotiation and execution of the Agreement was at arm's length and in good faith.

P. The Agreement contemplates that the Purchaser shall pay the following consideration for the Acquired Assets:

•\$149.85 million in cash;

•Assume the Assumed Liabilities and pay the Cure Amounts in connection with the Assumed Contracts and Assumed Leases; and

•\$37,986,928.74 million dollars in second lien debt payable to the Term B Lenders (as defined in the DIP Order), on the terms set forth in the term sheet attached hereto as Exhibit A to the Second Amendment To Asset Purchase Agreement, which second lien debt shall be fully guaranteed by Gores Capital Partners II, L.P. and Gores Co-Invest Partnership II, L.P. pursuant to a guaranty consistent with the terms set forth in Exhibit A to the Second Amendment To Asset Purchase Agreement attached hereto and all related documents, instruments and rights related thereto (collectively, the "Second Lien Term Loan Facility").

Q. The consideration provided by Purchaser for the Acquired Assets pursuant to the Agreement (i) is fair and reasonable, (ii) is the highest or otherwise best offer for the Acquired Assets, (iii) will provide a greater recovery for the Debtors' creditors and estates than would be provided by any other practical available alternative, and (iv) constitutes reasonably equivalent value, fair value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory or possession thereof, and the District of Columbia.

R. The Sale must be approved and consummated promptly in order to preserve the value of the Debtors' assets.

S. As of the Closing, pursuant and subject to the terms of the Agreement, the transfer of the Acquired Assets to the Purchaser will be a legal, valid, enforceable, and effective transfer of the Acquired Assets and will vest the Purchaser with all right, title, and interest of the Debtors in the Acquired Assets free and clear of all Liens, Claims and Interests with such Liens, Claims and Interests to attach to the consideration to be received by the Debtors in the same priority and subject to the same defenses and avoidability, if any, as of the Closing.

T. The Purchaser would not have entered into the Agreement and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtors, their estates, and their creditors, if each of (i) the sale of the Acquired Assets to the Purchaser, and (ii) the assignment of the Assumed Contracts and the Assumed Liabilities to the Purchaser were not free and clear of all Liens, Claims and Interests of any kind or nature whatsoever (except Permitted Liens), or if the Purchaser would, or in the future could, be liable for any of the Excluded Liabilities. A sale of the Acquired Assets other than one free and clear of all Liens, Claims and Interests would adversely impact the Debtors' estates, and would yield substantially less value for the Debtors' estates, with less certainty than the Sale. Therefore, the Sale

contemplated by the Agreement is in the best interests of the Debtors, their estates and creditors, and all other parties in interest.

U. The Debtors may sell the Acquired Assets free and clear of all Liens, Claims and Interests of any kind or nature whatsoever (except Permitted Liens) because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Those (i) holders of Liens, Claims and Interests and (ii) non-debtor parties to Assumed Contracts who did not object timely, or who withdrew their objections, to the Sale or the Motion are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code. Those (i) holders of Liens, Claims and Interests and (ii) non-debtor parties to Assumed Contracts who did object fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code and are adequately protected by having their Liens, Claims and Interests, if any, attach to the portion of the Purchase Price ultimately attributable to the property against or in which they claim an interest, in the order of their priority, with the same validity, force and effect which they now have as against such property, subject to any claims and defenses the Debtors may possess with respect thereto.

V. Neither the Purchaser nor any of its Affiliates is a successor to the Debtors or their bankruptcy estates by reason of any theory of law or equity, and neither the Purchaser nor any of its Affiliates shall assume or in any way be responsible for any liability or obligation of any of the Debtors and/or their bankruptcy estates, except as otherwise expressly provided in the Agreement.

W. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign the Assumed Contracts to the Purchaser in connection with the consummation of the Sale, and the assumption and assignment of the Assumed

Contracts are in the best interests of the Debtors, their estates, and their creditors. The Assumed Contracts and Assumed Liabilities being assigned to the Purchaser, are an integral part of the Agreement and, accordingly, such assumption and assignment of Assumed Contracts and Assumed Liabilities are reasonable and enhance the value of the Debtors' estates.

X. The Debtors have served a notice of assignment and cure costs (the "Contract Notice") on all non-debtor counterparties to Contracts. Such Contract Notice is adequate and sufficient notice of the proposed assumption and assignment of the Assumed Contracts identified on the Assumed Contracts List pursuant to the terms of the Agreement.

Y. For all such counterparties to Assumed Contracts that were served with a Contract Notice at least 10 days prior to the Sale Hearing, the deadline to file an objection to the assumption and assignment to the Purchaser of any Assumed Contract (a "Contract Objection") has expired and to the extent any such party timely filed a Contract Objection, all such Contract Objections have been resolved, withdrawn, overruled, or continued to a later hearing by agreement of the parties. To the extent that any such party did not timely file a Contract Objection by the Contract Objection deadline, such party shall be deemed to have consented to (i) the assumption and assignment of the Assumed Contract, and (ii) the proposed cure amount (the "Cure Amount") set forth on the Contract Notice.

Z. The Purchaser would not have entered into the Agreement and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtors, their estates, and their creditors, if the Agreement did not provide that the Purchaser could (i) on or prior to the Initial Designation Deadline modify, pursuant to the terms of Section 2(i)(iii) of the Agreement, the Assumed Contract List to include or remove a Non-Lease Contract or a Lease, or (ii) on or prior to the Subsequent Designation Deadline modify, pursuant to the terms of Section

2(i)(vi) of the Agreement, the Assumed Contract List to include one or more additional Leases. The notice and opportunity to object provided in accordance with the Agreement and this Order to counterparties to subsequently designated Assumed Leases fairly and reasonably protects any rights that such counterparties may have with respect to any additions to the Assumed Contracts List.

AA. The Debtors have, including by way of entering into the Agreement, and the provisions relating to the Assumed Contracts therein and the performance of the Purchaser thereunder, (i) cured, or provided adequate assurance of cure, of any default existing prior to the date hereof under any of the Assumed Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code and (ii) Purchaser has provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof under any of the Assumed Contracts, within the meaning of section 365(b)(1)(B) of the Bankruptcy Code, and the Purchaser has provided adequate assurance of future performance of and under the Assumed Contracts, and the Debtors believe that the Purchaser has the wherewithal, financial and otherwise, to perform all of its obligations thereunder, within the meaning of sections 365(b)(1) and 365(f)(2) of the Bankruptcy Code.

BB. Without limiting the effect or scope of the foregoing, the transfer of the Acquired Assets and the Assumed Contracts from the Seller to the Purchaser does not and will not deem the Purchaser or its affiliates, to: (i) be a successor (or other such similarly situated party) to any of the Debtors (other than with respect to the Assumed Liabilities as expressly stated in the Agreement), including but not limited to a "successor employer" for the purposes of the Internal Revenue Code of 1986, the Employee Retirement Income Security Act of 1974, or the National Labor Relations Act; (ii) have, de facto or otherwise, merged with or into any of the

Debtors; (iii) be a mere continuation of the Debtors or their estates (and there is not substantial continuity between the Purchaser and the Debtors, there is no common identity between the Purchaser and the Debtors, and there is no continuity of enterprise between the Purchaser and the Debtors); or (iv) be holding itself out to the public as a continuation of the Debtors. Except for the Assumed Liabilities, the Purchaser shall have no liability or responsibility for any liability or other obligation of the Debtors arising under or related to the Acquired Assets or otherwise. Without limiting the generality of the foregoing, and except for the Assumed Liabilities, the Purchaser shall not be liable for, and shall be released and forever discharged from, any and all claims, causes of action, obligations, liabilities, demands, losses, costs or expenses of any kind, character or nature whatsoever against the Debtors or any of their predecessors or affiliates, and the Purchaser, and each of its Affiliates, shall have no successor, vicarious or other liabilities of any kind or character including but not limited to any theory of antitrust, environmental, successor or transferee liability, labor or employment law, bulk sales law (to the extent permitted under the Bankruptcy Code), de facto merger, or substantial continuity, whether known or unknown as of the Closing, now existing or hereafter arising, whether fixed or contingent, with respect to the Debtors or any obligations of the Debtors, including, but not limited to, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the Debtors' business prior to the Closing. Notwithstanding the foregoing, nothing herein shall be held to limit any bargaining obligations that may arise pursuant to the National Labor Relations Act, 29 U.S.C. § 151 *et seq.* (the "NLRA"), subsequent to the closing of the sale or other obligations arising under the NLRA consistent with the application of the United States bankruptcy laws.

CC. The consummation of the transactions contemplated by the Agreement is legal, valid and properly authorized under all applicable provisions of the Bankruptcy Code, including without limitation Bankruptcy Code sections 105(a), 363(b), 363(f), 363(m), 365(b)(1) and 365(f)(2), and all of the applicable requirements of such sections have been or will be complied with in respect of the Agreement and such transactions as of the effective date of assignment.

DD. The sale and assignment of the Acquired Assets and the Assumed Contracts, and the issuance of the Second Lien Term Loan Facility to the Term B Lenders (as defined in the DIP Order), outside of a plan of reorganization pursuant to the Agreement neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates the terms of a liquidating plan of reorganization for the Debtors. The Agreement does not, and the transactions contemplated thereby do not, constitute a *sub rosa* chapter 11 plan.

EE. Time is of the essence. In order to maximize the value of the Debtors' assets, it is essential that the sale and assignment of the Acquired Assets and the Assumed Contracts occur within the time constraints set forth in the Agreement. Accordingly, there is cause to lift the stay contemplated by Bankruptcy Rule 6004.

FF. Approval of the Agreement and assumption and assignment of the Assumed Contracts and consummation of the Sale of the Acquired Assets at this time are in the best interests of the Debtors, their creditors, their estates and other parties in interest and represent an exercise of the Debtors' sound business judgment.

**Assumption and Assignment of
Non-Lease Contracts and Leases**

23. Pursuant to sections 105(a) and 365 of the Bankruptcy Code, and subject to and conditioned upon the Closing, the Debtors' assumption and assignment to the Purchaser, and the Purchaser's assumption on the terms set forth in the Agreement, of the Assumed Contracts are hereby approved, and the requirements of section 365(b)(1) of the Bankruptcy Code with respect thereto are hereby deemed satisfied.

24. On or before the Initial Designation Deadline, the Purchaser shall have the right pursuant to the Agreement to (a) designate any Non-Lease Contract or Lease that is not an

Identified Assumed Contract as an Assumed Contract by amending the Assumed Contract List and (b) designate any Identified Assumed Contract that is not to be an Assumed Contract by amending the Assumed Contract List to remove such Assumed Contract.

25. Unless otherwise agreed to by the Purchaser and the Debtors in writing, the Subsequent Designation Deadline shall be December 17, 2010. On or before the Subsequent Designation Deadline, the Purchaser shall have the right pursuant to the Agreement to designate any Lease that is not already an Identified Assumed Contract as an Assumed Contract by amending the Assumed Contract List.

26. The Debtors are hereby authorized in accordance with sections 105(a) and 365 of the Bankruptcy Code to (a) assume and assign to the Purchaser, effective upon and subject to the occurrence of the Closing (or, with respect to any Assumed Lease subsequently designated pursuant to Section 2(i)(vi) of the Agreement, at the time of the transfer of such Assumed Lease), the Assumed Contracts listed on the Assumed Contracts List free and clear of all Liens, Claims and Interests of any kind or nature whatsoever, which Assumed Contracts, by operation of this Order, shall be deemed assumed and assigned effective as of the Closing (or, with respect to any Assumed Lease subsequently designated pursuant to Section 2(i)(vi) of the Agreement, at the time of the transfer of such Assumed Lease), and (b) execute and deliver to the Purchaser such documents or other instruments as may be necessary to assign and transfer such Assumed Contracts and Assumed Liabilities to the Purchaser.

27. Subject to paragraph 23 hereof, the Assumed Contracts shall be transferred and assigned to, and following the Closing of the Sale (or, with respect to any Assumed Lease subsequently designated pursuant to Section 2(i)(vi) of the Agreement, following the transfer of such Assumed Lease) remain in full force and effect for the benefit of,

the Purchaser in accordance with their respective terms, notwithstanding any provision in any such Assumed Contract (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer and, pursuant to section 365(k) of the Bankruptcy Code, the Debtors shall be relieved from any further liability with respect to the Assumed Contracts after such transfer and assignment to the Purchaser. The Debtors may assume the Assumed Contracts in accordance with section 365 of the Bankruptcy Code. Subject to paragraph 23, the Debtors may assign each Assumed Contract in accordance with sections 363 and 365 of the Bankruptcy Code, and any provisions in any Assumed Contract that prohibit or condition the assignment of such Assumed Contract or allow the non-debtor party to such Assumed Contract to terminate, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon the assignment of such Assumed Contract, shall constitute unenforceable anti-assignment provisions that are void and of no force and effect. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption and assignment by the Debtors to the Purchaser of each Assumed Contract have been satisfied. Upon Closing (or, with respect to any Assumed Lease subsequently designated pursuant to Section 2(i)(vi) of the Agreement, upon the transfer of such Assumed Lease), in accordance with sections 363 and 365 of the Bankruptcy Code, the Purchaser shall be fully and irrevocably vested in all right, title and interest of each Assumed Contract. Any portion of any Assumed Contract that purports to permit a landlord thereunder to cancel the remaining term of such Assumed Contract if the Debtors discontinue their use or operation of the leased premises is void and of no force and effect, and shall not be enforceable against the Purchaser, its assignees and sublessees; and the landlords under any such Assumed Contract shall not have the right to cancel or otherwise modify the Assumed Contract or increase

the rent, assert any claim or impose any penalty by reason of such discontinuation, the Debtors' cessation of operations, the assignment of such Assumed Contract to the Purchaser, or the interruption of business activities at any of the leased premises.

28. The Debtors have filed the Contract Notice, and as soon as practicable will serve the Contract Notice on all non-Debtor counterparties to the Assumed Contracts on the Assumed Contract List, that included, to the extent applicable: (a) the Assumed Contract, (b) the name of the counterparty to such Assumed Contract, (c) the Cure Amount for such Assumed Contract, (d) the identity of the assignee for such Assumed Contract, and (e) the deadline by which any such Assumed Contract counterparty must file a Contract Objection to the proposed assumption and assignment, and no other or further notice is required with respect to the Assumed Contracts listed on the Assumed Contract List as of the Initial Designation Deadline. For all non-debtor counterparties to an Assumed Contract served a Contract Notice in accordance with this paragraph 23, ten or more days prior to the Sale Hearing, to which no Contract Objection was timely filed, such Assumed Contract is hereby deemed assumed and assigned in accordance with the Contract Notice. For all non-debtor counterparties to an Assumed Contract served with a Contract Notice less than ten days prior to the Sale Hearing, if a timely filed Contract Objection is not received, the counterparty to such Assumed Contract shall be deemed to have consented to such assumption and assignment and Cure Amount, and the assignment will be deemed effective as of the date hereof. If any counterparty timely files a Contract Objection that cannot be resolved by the Purchaser and the counterparty, the Court shall resolve such Contract Objection prior to assumption and assignment of such designated contract, and upon entry of an order by the Court resolving such Contract Objection, the assignment shall be deemed effective as of the date set forth in the Contract Notice.

29. Within five business days after the designation of a lease as an Assumed Lease pursuant to Section 2(i)(vi) of the Agreement, the Debtors shall serve, on the counterparty to such Assumed Lease, a Contract Notice that includes, to the extent applicable (a) the Assumed Lease, (b) the name of the counterparty to such Assumed Lease, (c) the Cure Amount for such Assumed Lease, (d) the identity of the assignee for such Assumed Lease, and (e) the deadline by which any such Assumed Lease counterparty must file a Contract Objection to the proposed assumption and assignment (including any objection to the Cure amount for such Lease or to adequate assurance of future performance thereunder), which deadline shall not be less than ten days following the service of the Contract Notice, and no other or further notice is required. If a timely filed Contract Objection is not received, the counterparty to such Assumed Lease shall be deemed to have consented to such assumption and assignment and Cure Amount, and the assignment will be deemed to be effective on such date. If any counterparty timely files a Contract Objection that cannot be resolved by the Purchaser and the counterparty, the Court shall resolve such Contract Objection prior to the assumption and assignment of such designated contract, and upon entry of an order by the Court resolving such Contract Objection, the assumption and assignment of such designated contract shall be deemed effective as of the date set forth in the Contract Notice.

30. All defaults or other obligations of the Debtors under the Assumed Contracts arising or accruing prior to the Closing, or, with respect to any Assumed Lease subsequently designated pursuant to Section 2(i)(vi) of the Agreement, prior to the transfer of such Assumed Lease, (without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) as to which no objections were interposed, are deemed satisfied by the Cure Amounts with respect to each Assumed

Contract in those amounts set forth in the Contract Notice, which was served in accordance with the Bidding Procedures Order, and which were satisfied, or shall be satisfied as soon as practicable, by the Purchaser.

31. Each non-debtor party to an Assumed Contract hereby is forever barred, estopped, and permanently enjoined from asserting against the Debtors or the Debtors' property, any default existing as of the date of the Sale Hearing; and, with the exception of the Cure Amounts set forth in the Contract Notice, or as otherwise reflected in this Order, each non-debtor party to an Assumed Contract hereby is forever barred, estopped, and permanently enjoined from asserting against the Purchaser, or the Purchaser's property, any default existing as of the date of the Sale Hearing, or any counterclaim, defense, setoff or any other claim asserted or assertable against the Debtors. Except as provided in the Agreement or this Order, after the Closing (or, with respect to any Assumed Lease subsequently designated pursuant to Section 2(i)(vi) of the Agreement, after the transfer of such Assumed Lease), the Debtors and their estates shall have no further liabilities or obligations with respect to any Assumed Liabilities and all holders of such claims are forever barred and estopped from asserting such claims against the Debtors, their successors or assigns, their property or their assets or estates. Notwithstanding the foregoing, the issues relating to the assumption and assignment of the Contracts set forth on Exhibit 2 attached hereto, have been continued and will be resolved by separate orders of the Court.

32. There shall be no rent accelerations, assignment fees, increases or any other fees charged to the Purchaser or the Debtors as a result of the assumption, assignment and/or transfer of any Assumed Contract. The Purchaser's promise pursuant to the terms of the Agreement to pay the Cure Amounts and to perform the obligations under the Assumed Contract after the Closing (or, with respect to any Assumed Lease subsequently designated pursuant to

Section 2(i)(vi) of the Agreement, after the transfer of such Assumed Lease) shall constitute adequate assurance of its future performance under the Assumed Contracts being assigned to it within the meanings of sections 365(b)(1)(C) and (f)(2)(B) of the Bankruptcy Code.

33. Notwithstanding anything to the contrary in this Order, no executory contract or unexpired lease will be assumed and assigned pursuant to this Order until the Closing (or, with respect to any Assumed Lease subsequently designated pursuant to Section 2(i)(vi) of the Agreement, until the transfer of such Assumed Lease).

34. The failure of the Debtors or the Purchaser to enforce at any time one or more terms or conditions of any Assumed Contract shall not be a waiver of such terms or conditions, or of the Debtors' and the Purchaser's rights to enforce every term and condition of the Assumed Contracts.

35. All executory Contracts (but not unexpired Leases) to which any Debtor is a party and which are not (a) Assumed Contracts, (b) Non-Lease Contracts pursuant to which the Sellers are providing services to the Purchaser pursuant to the Transition Services Agreement, or (c) contracts listed on the list of retained contracts (the "Retained Contract List") to be filed by the Debtors prior to the Closing Date (collectively, the "Rejected Contracts"), are hereby rejected as of the Closing Date, without other or further notice (except as set forth in paragraph 36 of this Order) or further order of this Court. The Debtors do not waive any claims they may have against any landlord or counterparty to the Rejected Contracts, whether or not such claims arise under, are related to the rejection of, or are independent of the Rejected Contracts.

36. Prior to the Closing Date, the Debtors shall file a notice of rejection (the "Rejection Notice"), and will serve the Rejection Notice on all counterparties to the Rejected Contracts, setting forth that each counterparty to a Rejected Contract shall be required to file a

rejection damages claim, if any, relating to the rejection of such Rejected Contracts by the later of (a) the claims bar date established in the Debtors' Chapter 11 Cases or (b) 30 days after the effective date of rejection of such Rejected Contract.

37. Unless authorized in writing by the Purchaser or permitted under the terms of the Transition Services Agreement, the Debtors shall not reject any unexpired Lease prior to the occurrence of the Subsequent Designation Deadline. In the event that the Transition Services Agreement permits, or the Purchaser authorizes the Debtors, in writing, to reject any unexpired Lease prior to the occurrence of the Subsequent Designation Deadline, the Debtors shall serve a Rejection Notice on the counterparty to such Lease, and such Lease shall be deemed rejected by the Debtors as of the date of such Rejection Notice without other or further notice or order of this Court. Any unexpired Lease not previously assumed or rejected by the Debtors, and not designated as an Assumed Lease pursuant to Section 2(i)(vi) of the Agreement, shall be deemed rejected by the Debtors as of the Subsequent Designation Deadline. Within five business days after the Subsequent Designation Deadline, the Debtors shall file with the Court and serve on the counterparties to unexpired Leases rejected as of the Subsequent Designation Deadline pursuant to this paragraph, a Rejection Notice, and no other or further notice is required.

41. Furthermore, (a) the Purchaser shall have no obligation or liability, as a successor or otherwise, with respect to any collective bargaining agreement or any multiemployer pension welfare, retention, employee benefit and/or incentive plan or agreement to which any Debtors are a party (including, without limitation, arising from or related to the rejection or other termination of any such plan or agreement), (b) the Purchaser shall in no way be deemed a party to or assignee of any such plan or agreement, (c) no employee of the Purchaser shall be deemed in any way covered by or a party to any such plan or agreement, and (d) all parties to any such agreement are hereby enjoined from asserting against the Purchaser any and all claims arising from or relating to such plan or agreement.

55. All non-debtor entities that are presently, or on the Closing may be, in possession of some or all of the Acquired Assets are hereby directed to surrender possession of the Acquired Assets to the Purchaser on the Closing.

56. Neither the Purchaser nor its affiliates shall be deemed, as a result of any action taken in connection with the purchase of the Acquired Assets or as a result of the consummation of the transactions contemplated by the Agreement or any other event occurring in the Chapter 11 Cases under any theory of law or equity, to: (a) be a successor (or other such similarly situated party) to any of the Debtors (other than with respect to the Assumed Liabilities as expressly stated in the Agreement), including but not limited to a "successor employer" for the purposes of the Internal Revenue Code of 1986, the Employee Retirement Income Security Act of 1974, the National Labor Relations Act or other applicable laws; (b) have, de facto or otherwise, merged with or into any of the Debtors; (c) be a mere continuation of the Debtors or their estates (and there is not substantial continuity between the Purchaser and the Debtors, there is no common identity between the Purchaser and the Debtors, and there is no continuity of enterprise between the Purchaser and the Debtors); or (d) be holding itself out to the public as a continuation of the Debtors. 57. To the greatest extent available under applicable law, the Purchaser shall be authorized, as of the Closing Date, to operate under any Permit with respect to the Acquired Assets transferred to the Purchaser by the Debtors, and all such Permits are deemed to have been, and hereby are, directed to be transferred to the Purchaser as of the Closing Date.

59. Nothing in this Order or the Agreement releases, nullifies, precludes, or enjoins the enforcement of any liability to a governmental unit under police or regulatory statutes or regulations that any entity would be subject to as the owner or operator of property after the date of entry of this Order. Nothing in this Order or the Agreement authorizes transfer to the Purchaser of any federal governmental authorizations and approvals (or any state governmental orders, licenses, permits, registrations, or other state governmental authorizations and approvals pursuant to state or federal environmental law) without the Purchaser's compliance with all applicable legal requirements under non-bankruptcy law governing such transfers.

60. This Court retains jurisdiction to enforce and implement the terms and provisions of this Order and the Agreement, all amendments thereto, any waivers and consents thereunder, and of each of the agreements executed in connection therewith (including, but not limited to, the Transition Services Agreement) in all respects, including, but not limited to, retaining jurisdiction to (a) compel delivery of the Acquired Assets to the Purchaser, (b) compel delivery of the purchase price or performance of other obligations owed to the Debtors, (c) resolve any disputes arising under or related to the Agreement, except as otherwise provided therein, (d) interpret, implement, and enforce the provisions of this Order, (e) protect the Purchaser against any of the Excluded Liabilities or any Liens, Claims and Interests in the Debtors or the Acquired Assets, of any kind or nature whatsoever.

In the absence of any entity obtaining

a stay pending appeal, the Debtors and the Purchaser are free to close under the Agreement at any time. The automatic stay pursuant to section 362 of the Bankruptcy Code is hereby lifted with respect to the Debtors to the extent necessary, without further order of this Court, to allow the Purchaser to deliver any notice provided for in the Agreement and allow the Purchaser to take any and all actions permitted under the Agreement in accordance with the terms and conditions thereof.

62. In the event the Purchaser is unable to close on or prior to September 7, 2010, the Debtors shall have the right to terminate the Agreement and accept the bid of the Back-up Bidder. In the event the Debtors accept the bid of the Back-up Bidder, the Debtors shall be permitted to submit a revised order on substantially the terms set forth herein naming the Back-up Bidder as the purchaser upon certification of counsel among the Debtors, the Back-up Bidder, the DIP Lenders, the Term B Lenders and the Creditors' Committee or seek an emergency hearing for entry of such order.

64. The provisions of this Order are non-severable and mutually dependent without the written consent of the Purchaser and the Debtors.

65. To the extent of any conflicts between the Agreement or the Transition Services Agreement and this Order, the terms and provisions of this Order shall govern.

66. The failure specifically to include any particular provision of the Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Agreement be authorized and approved in its entirety with such amendments thereto as may be made by the parties in accordance with this Order.
