**BILL OF SALE AND
ASSIGNMENT OF TRADEMARKS AND INTELLECTUAL PROPERTY**

This Bill of Sale and Assignment of Certain Trademarks and Intellectual Property ("Agreement"), by and between TLC Direct, Inc. ("TLC") d/b/a Tandy Leather, with its principal place of business at 1400 Everman Parkway, Fort Worth, Texas, 76140, and Leather Tan Acquisition, Inc. ("Purchaser") with its principal place of business at 4420 W. Vickery Blvd., Fort Worth, Texas 76107, is effective as of November 30, 2000.

Whereas, TLC owns certain trademark, copyrights and other intellectual property rights used by Tandy Leather.

Whereas, pursuant to that certain Asset Purchase Agreement of even date herewith ("Agreement"), TLC is transferring and selling its trademarks, copyrights, and certain of its Internet rights and other intellectual property listed in the Asset Purchase Agreement and in Exhibits A and B thereto to Purchaser, together with those used solely by Tandy Leather but not listed on said Exhibits and with the goodwill connected with and symbolized by such Intellectual Property ("Intellectual Property");

Whereas, TLC wishes to sell, transfer and assign all of its rights in the Intellectual Property to Purchaser, as more specifically set forth below.

Now, therefore, for good and valuable consideration, the parties agree as follows:

1. TLC hereby sells, transfers and assigns to Purchaser all of its rights, title and interest in the Intellectual Property, and all of its rights to damages or profits, due or accrued, arising out of any infringement of such Intellectual Property rights or injury to goodwill and the right to sue for and recover same in Purchaser's own name.
2. Purchaser shall be responsible for filing any and all documents or agreements with the Library of Congress, the United States Patent and Trademark Office or any other appropriate governmental agency, that may be necessary or appropriate to record transfer of ownership of the above trademark or Intellectual Property registrations from the owner to Purchaser.
3. For a period of three years, TLC represents and warrants to Purchaser that it has title to or interest in the Intellectual Property, that it has the right and power to transfer the Intellectual Property to Purchaser, that this Agreement is valid and enforceable in accordance with its terms, and that this Agreement is binding upon TLC.
4. The validity, performance, construction and effect of this Agreement shall be governed by the laws of the State of Texas. This Agreement may be executed in counterparts, each of which when executed and taken together shall constitute an original and but one and the same Agreement.
5. TLC agrees to take such further actions and execute and deliver such further documents or agreements as Purchaser may reasonably request for the purpose of carrying out the intent of this Agreement.

In Witness Hereof, the parties sign and execute this Agreement on November 30, 2000.
