(B) the marks and goodwill rights within the United States of America and its territorial possessions and within all countries foreign to the United States, to be held and enjoyed by Avocent for its own use and enjoyment and for the use and enjoyment of its successors and assigns to the full end of the term or terms for which any associated trademark registration may be granted as fully and entirely as the same would have been held and enjoyed by Avocent if this assignment, transfer and sale had not been made, for the marks and goodwill known as:

iCord

The undersigned agree(s) to execute all papers and documents necessary in connection with the invention and mark, or any interference which may be declared and any provisional-completion, utility, design, continuing or divisional applications thereof and also to execute separate assignments in connection with such applications as Avocent may deem necessary or expedient and further to perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agree(s) to perform all affirmative acts which may be necessary to obtain a grant of valid United States and corresponding foreign patents and to obtain grants of registrations of valid United States and corresponding foreign trademarks to Avocent.

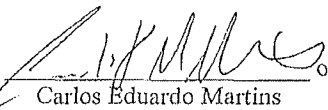

The undersigned hereby authorize(s) and request(s) the Commissioner of Patents and Trademarks to (1) issue any and all Letters Patent of the United States resulting from said patent application or any division or divisions or continuing applications and (2) issue any trademark registrations resulting from said trademark application, when granted, to
