TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is by and between Barco, Inc., a Delaware corporation having an address at 3059 Premiere Parkway, Duluth, GA 30097 (the "Assignor") and Barco NV, a Belgian corporation having an address at President Kennedypark 35, B-8500 Kortrijk, Belgium (the "Assignee").

WHEREAS, Assignor is the owner of all right, title and interest in and to the trademark and the corresponding registration set forth in Exhibit 1 (collectively, the "Trademark"), together with the goodwill of the business connected with and symbolized by the Trademark; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademark.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter contained and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged by each party hereto, it is understood and agreed between the parties herein as follows:

Assignor hereby sells, assigns, transfers and conveys to Assignee the entire right, title, interest in and to the Trademark in the United States, together with the goodwill of the business connected with and symbolized by the Trademark (including, without limitation, the right to renew the registration included in the Trademark and the right to apply for trademark registrations within the United States based in whole or in part upon the Trademark), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office to record the transfer of the registrations and/or applications for registration set forth on Exhibit 1 to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademarks.

This Trademark Assignment Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same

instrument. Each counterpart may be delivered by facsimile or electronic transmission, which transmission shall be deemed delivery of an originally executed document. The unenforceability or invalidity of any article, section, subsection or provision of this Agreement shall not affect the enforceability or validity of the balance of this Agreement. This Agreement contains the entire agreement between the parties concerning the subject matter herein.

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Assignment to be executed by an authorized representative as of the day and year set forth below.
