RELEASE OF SECURITY INTEREST IN PATENTS AND TRADEMARKS

WHEREAS, reference is made to that certain Intellectual Property Security Agreement (the "Security Agreement"), dated as of October 27, 2006, by SEPATON, Inc., a Delaware corporation ("Borrower"), in favor of Venture Lending & Leasing IV, Inc., in its capacity as lender ("Lender") in connection with a Loan and Security Agreement (the "Credit Agreement"); pursuant to which the Borrower was required to execute and deliver the Security Agreement;

WHEREAS, pursuant to the Security Agreement, the Borrower pledged and granted to the Lender a lien on and security interest in and to all of its right, title and interest in, to and under certain Patent and Trademark Collateral;

WHEREAS, the security interest granted pursuant to the Security Agreement was granted in conjunction with the security interest granted to the Lender pursuant to the Credit Agreement;

WHEREAS, the obligations secured by the Security Agreement have been paid in full as of the date hereof and as a result, the Lender has agreed to release its security interest in the Patent and Trademark Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. Defined Terms. Capitalized terms not otherwise defined herein shall have the meaning given to them in the Credit Agreement or the Security Agreement, as the case may be.

SECTION 2. Termination of Security Interest. Lender, hereby terminates, releases, discharges and relinquishes any and all security interests it acquired in the Patent and Trademark Collateral by virtue of the Credit Agreement and the Security Agreement. Without limiting the generality of the foregoing, Lender releases any security interest it may have in the Patent Collateral by virtue of the Security Agreement recorded with the United States Patent and Trademark Office at Reel 18720, Frame 791 on December 21, 2006. In addition, Lender releases any security interest it may have in the Trademark Collateral by virtue of the Security Agreement recorded with the United States Patent and Trademark Office at Reel 3457, Frame 001 on December 21, 2006.

SECTION 3. Recordation. The parties hereto shall cause this Release to be filed with the United States Patent and Trademark Office for the purpose of recording the release of Lender's security interest in all Patent and Trademark Collateral, including, without limitation, those Patents and Trademarks listed on Schedule A hereto.

SECTION 4. Further Assurances. Lender shall execute such Uniform Commercial Code termination statements as Borrower may reasonably request in order to terminate any security interest Lender may have in and to the Patent and Trademark Collateral, and to execute such other documents and instruments, and take other such actions (at Borrower's expense) as Borrower may reasonably request to evidence this Release.

SECTION 5. Counterparts. This Release may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original. Delivery of an executed counterpart of a signature page to this Release by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Release.

[Signature page follows.]

IN WITNESS WHEREOF, each of the parties hereto has caused this Release to be duly executed and delivered by its respective officers thereunto duly authorized as of the date first above written.
