TRADEMARK ASSIGNMENT AGREEMENT

This **TRADEMARK ASSIGNMENT AGREEMENT** (the "Trademark Assignment"), effective as of December 30, 2010 (the "Effective Date"), is by and among **STG-Fairway Holdings, LLC** ("Assignor"), and **STG-Fairway US, Inc.**, a Delaware corporation, ("Assignee", together with Assignor, the "Parties", and each individually, a "Party").

WHEREAS, Assignee is an indirect wholly-owned subsidiary of Assignor who is the owner of trademarks and trademark applications listed on Schedule A hereto (the "Trademarks"); and

WHEREAS, Assignor desires to assign to Assignee all right, title and interest in and to the Trademarks, pursuant to the terms and conditions of this Trademark Assignment.

NOW, THEREFORE, in consideration of the foregoing and for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound hereby, agree as follows:

1. Assignment. Assignor does hereby sell, convey, assign, transfer and deliver unto Assignee all of Assignor's worldwide right, title and interest in, to and under the Trademarks, including all registrations and applications thereof and the goodwill symbolized thereby, all rights of priority and renewals, and together with all causes of actions, claims and demands, and all other rights to sue and recover for or rights arising from, any past, present, and future infringements, misappropriations, dilutions, unlawful imitations and all other violations of the Trademarks, the same to be held and enjoyed by the Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the Assignor had this assignment of the Trademarks not been made.

2. Recordation. Assignor hereby requests and authorizes the Commissioner of Patents and Trademarks, and any other applicable government officer, to record Assignee as the owner of the Trademarks, as assignee of the entire right, title and interest in and to the same. Assignee shall have the right to record this Trademark Assignment with all applicable government officers so as to perfect its ownership of the Trademarks.

3. Counterparts; Effectiveness. This Trademark Assignment may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Trademark Assignment shall become effective when each Party hereto shall have received a counterpart hereof signed by the other Parties hereto. For the convenience of the Parties, any number of counterparts hereof may be executed, each such executed counterpart shall be deemed an original and all such counterparts together shall constitute one and the same instrument. Facsimile transmission (including the e-mail delivery of documents in Adobe PDF format) of any signed original counterpart or retransmission of any signed facsimile transmission shall be deemed the same as the delivery of an original.

4. Headings. The descriptive headings contained in this Trademark Assignment are for convenience of reference only and shall not affect in any way the meaning or interpretation of this Trademark Assignment.

5. Governing Law. This Trademark Assignment shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to contracts executed in and to be performed in that State without regard to the conflict of laws rules thereof.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, this Trademark Assignment has been executed on behalf of the Parties on the date first written above.
