ASSIGNMENT OF TRADEMARKS

This Assignment is made as of December 31, 2010, by Medtech Products Inc., a Delaware corporation ("Assignor"), to Medtech Holdings, Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor has good, valid and exclusive title in and to each of the trademarks set forth on Exhibit A attached hereto and made a part hereof, including all common law rights therein; all rights in the United States registrations thereof, and all renewals thereof; all proceeds therefrom (such as, by way of example, license royalties and proceeds of infringement suits); the right to sue for past, present and future infringements; and all other rights corresponding therein in the jurisdictions set forth on Exhibit A (collectively, the "Trademarks"), and the goodwill of the personal care business associated therewith (the "Personal Care Business");

WHEREAS, Assignor wishes to assign all of its right, title and interest in and to the Trademarks to Assignee, and Assignee wishes to accept such assignment.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor does hereby assign, sell and transfer to Assignee, its successors and assigns, all right title and interest in and to the Trademarks, together with the goodwill of the Personal Care Business associated therewith.

ASSIGNOR covenants and agrees that Assignor will do, execute and deliver, or will cause to be done, executed and delivered, at Assignee's expense, all such further reasonable acts or documentation for better assuring, conveying and confirming unto Assignee the entire right, title and interest in the Trademarks, as Assignee may reasonably require.

IN WITNESS WHEREOF, Assignor has executed this Assignment of Trademarks as of the date first written above.

Medtech Products Inc.

By: 

Name: Eric S. Klee

Title: Secretary and General Counsel
