## ASSIGNMENT OF TRADEMARKS

THIS ASSIGNMENT OF TRADEMARKS ("Assignment of Trademarks") is made as of this 18<sup>th</sup> day of August 2011, by **Printrex, Inc.**, a California corporation ("Assignor") with its principal place of business located at 276 East Gish Road, San Jose, California 95112, to **TransAct Technologies Incorporated**, a Delaware corporation ("Assignee") with its principal place of business at 2319 Whitney Avenue, Suite 3B, Hamden, Connecticut 06518.

### RECITALS

**WHEREAS**, Assignee and Assignor are parties to an Asset Purchase Agreement, dated as of August 2, 2011 (the "Agreement"), pursuant to which Assignor has agreed to sell to Assignee, and Assignee has agreed to buy from Assignor, the Acquired Assets (as defined in the Agreement), including, without limitation, all trademarks used by Assignor in its business, including without limitation the registered trademarks of Assignor listed in Schedule 1 hereto (the "Trademarks").

**NOW, THEREFORE**, for and in consideration of the mutual covenants contained herein and in the Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby transfers and assigns to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the Trademarks, including without limitation the goodwill of the business symbolized by the Trademarks, all registrations and applications for registration thereof, all common law rights in the Trademarks, and all rights of action accrued and to accrue under and by virtue thereof, including without limitation the right to sue and recover for infringement (including past infringement) of any Trademark, and to secure recordation of the Trademarks and this Assignment of Trademarks, and all records and files relating to the Trademarks, the same to be held and enjoyed by the said Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the said Assignor had this Assignment not been made.

Assignor agrees that it will, upon reasonable request, execute and deliver to Assignee any and all additional papers to establish, perfect or defend Assignee's rights acquired hereunder, including executing further consistent assurances, confirmation, assignments, transfers and releases, and providing good faith testimony by affidavit, declaration, deposition or other means. If further assignment or transfer is deemed necessary by Assignee to establish, perfect or defend its rights acquired hereunder, Assignor hereby appoints Assignee as its attorney in fact, with full power of substitution, on behalf of Assignor and for the benefit of Assignee, to execute all documents, to demand and receive any and all of the Trademarks, to give receipts and releases for and in respect of the Trademarks, to institute and prosecute in the name of Assignor any proceedings at law, in equity, or otherwise, and to take any other action Assignee deems necessary or desirable to establish, perfect or defend its rights acquired hereunder. Assignor stipulates

and agrees that such appointment is a right coupled with an interest and will survive the incapacity or unavailability of Assignor at any future time.

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment of Trademarks shall be governed by and construed in accordance with the laws of the State of New York without regard to the principles of conflicts of laws thereunder.
