AMENDED AND RESTATED TRADEMARK COLLATERAL
SECURITY AND PLEDGE AGREEMENT

WHEREAS, the Borrower is a party to an Amended and Restated Credit Agreement, dated as of June 25, 2009 (as amended to date, the "Original Credit Agreement"), with the Administrative Agent and the Lenders party thereto; and

WHEREAS, the obligations of the Borrower under the Original Credit Agreement are secured pursuant to an Amended and Restated Trademark Collateral Security and Pledge Agreement, dated as of March 31, 2003 (as ratified by a Ratification Agreement dated as of June 25, 2009 by the Borrower in favor of the Administrative Agent, the "Original Trademark Security Agreement"), between the Borrower and the Administrative Agent; and

WHEREAS, the Borrower, the Administrative Agent and the lenders party thereto (the "Lenders") have amended and restated the terms of the Original Credit Agreement pursuant to the Amended and Restated Credit Agreement, dated as of the date hereof (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), pursuant to which the Lenders have agreed, subject to the terms and conditions contained therein, to extend credit to the Borrower; and

WHEREAS, it is a condition precedent to the effectiveness of the Credit Agreement that the Borrower execute and deliver to the Administrative Agent a trademark collateral security and pledge agreement in substantially the form hereof, amending and restating the Original Trademark Security Agreement.

Notwithstanding the foregoing, Trademark License Rights shall not include those trademark or trade name rights which are held by the Borrower as licensee, to the extent that such items are not assignable or capable of being encumbered as a matter of law or without the consent of the licensor thereof under the terms of such license (but solely to the extent that any such provision of any license or other agreement shall be enforceable under applicable law).

2. Grant of Security Interest.

(a) The Borrower hereby (i) confirms its grant of a security interest in, and its pledge, mortgage and hypothecation of (but without any transfer of title to), the Trademark Collateral to the Administrative Agent for the benefit of the Secured Parties under the Original Trademark Security Agreement, and, (ii) to the extent that such confirmation does not result in the Administrative Agent holding a security interest, pledge, mortgage and hypothecation of the Trademark Collateral, grants, pledges or mortgages and hypothecates (but does not transfer title to) the Collateral to the Administrative Agent, in each case to secure the payment and performance in full of the Obligations.

(b) In addition to, and not by way of limitation of, the grant, pledge, mortgage and hypothecation of the Trademark Collateral provided in Section 2(a), the Borrower hereby grants, assigns, transfers, conveys and sets over to the Administrative Agent its entire right, title and interest in and to the Trademark Collateral; provided, however, that such grant, assignment, transfer and conveyance shall be and become of force and effect only upon or after the occurrence and during the continuance of an Event of Default under the Credit Agreement and (ii) either upon the written demand of the Administrative Agent at any time during such continuance or immediately and automatically (without notice or action of any kind by the Administrative Agent) upon an Event of Default specified in Section 8.01(f) or (g) of the Credit Agreement or upon the sale or other disposition of or foreclosure upon the Trademark Collateral pursuant to the Security Agreement and Article 9 of the Uniform Commercial Code (including the transfer or other disposition of the Trademark Collateral by the Borrower to the Administrative Agent in lieu of foreclosure). The foregoing grant, assignment, transfer and conveyance shall be referred to from time to time herein as the “Section 2(b) Assignment”.

(c) The Borrower acknowledges and agrees that, upon the effectiveness of the Section 2(b) Assignment, the Administrative Agent shall have the cumulative rights in and to the Trademark Collateral as are provided in this Agreement and in the Security Agreement, and shall

have the rights in and to the Collateral (other than the Trademark Collateral) as are provided in the Security Agreement.

(d) The parties expressly acknowledge and agree that they have executed and delivered certain other Security Documents (as defined in the Credit Agreement), pursuant to which the Borrower has unconditionally granted to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in and first priority lien on the Collateral. Such Security Documents and all rights and interests of the Administrative Agent in and to the Collateral thereunder, are hereby ratified, confirmed, adopted and approved. In no event shall this Agreement, the Section 2(b) Assignment of the Trademark Collateral hereunder, or the recordation of any Notice of Security Interest with the PTO, adversely affect or impair, in any way or to any extent, any other Security Document, the security interest of the Administrative Agent in the Collateral pursuant to any other Security Document, the attachment and perfection of such security interest under the Uniform Commercial Code, or the present or future rights and interests of the Administrative Agent in and to the Collateral under or in connection with this Agreement, any other Security Document, and/or the Uniform Commercial Code. Any and all rights and interests of the Administrative Agent in and to the Collateral (and any and all obligations of the Borrower with respect to any of the Collateral) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Administrative Agent (and the obligations of the Borrower) in, to or with respect to the Collateral provided in or arising under or in connection with the other Security Documents.

3. Effect of Section 2(b) Assignment - Administrative Agent's Rights. Upon the effectiveness of the Section 2(b) Assignment, the Administrative Agent shall own the entire right, title and interest in and to the Trademark Collateral, free and clear of any lien, charge, encumbrance or claim of the Borrower or any other party, except for any rights of the NHL. Subject to the requirements of the NHL, upon such effectiveness, in addition to all other rights and remedies of the Administrative Agent, whether under law, the Credit Agreement, any Security Document, or otherwise (all such rights and remedies being cumulative, not exclusive, and enforceable alternatively, successively or concurrently, without notice to or consent by the Borrower except as expressly provided otherwise herein), the Administrative Agent's rights and remedies with respect to the Trademark Collateral shall include but not be limited to the following, without payment of royalty or compensation of any kind to the Borrower except as expressly provided otherwise herein:

(a) The Administrative Agent may exercise, in respect of the Trademark Collateral, all the rights and remedies of a secured party under the Uniform Commercial Code (whether or not such Code applies to the affected Trademark Collateral).

(b) The Administrative Agent may operate the business of the Borrower using the Trademark Collateral.

(c) The Administrative Agent may, to the same extent that the Borrower has the right to do so immediately prior to the effectiveness of the Section 2(b) Assignment, license or sublicense, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any of the Trademark Collateral, throughout the world for such term or

terms, on such conditions, and in such manner, as the Administrative Agent shall in its sole discretion determine.

(d) The Administrative Agent may (without assuming any obligations or liability thereunder), at any time, enforce (and shall have the exclusive right but not the obligation to enforce) against any licensor, licensee or sublicensee all Trademark License Rights of the Borrower, and take or refrain from taking any such action.

(e) The Administrative Agent may, subject to the requirements of the NHL, assign, sell, transfer or otherwise dispose of the Trademark Collateral and exercise any and all of its rights and remedies pursuant to Section 8 hereof.

(f) In addition to the foregoing, in order to implement the assignment, sale, transfer or other disposition of any of the Trademark Collateral pursuant to Section 8 hereof, the Administrative Agent may, pursuant to the authority granted in the power of attorney provided in Section 7 hereof (such authority becoming effective upon the occurrence and during the continuation of an Event of Default), execute and deliver on behalf of the Borrower one or more instruments of assignment of the Trademark Collateral, in form suitable for filing, recording or registration in any jurisdiction or country.

4. Effect of Section 2(b) Assignment - Borrower's Obligations. Subject to the requirements of the NHL:

(a) Upon the effectiveness of the Section 2(b) Assignment, the Borrower shall have no right, title or interest in or to any of the Trademark Collateral, and the Borrower shall immediately cease and desist in the use of the Trademarks or any colorable imitation thereof, and shall, upon written demand of the Administrative Agent, deliver to the Administrative Agent (or the Administrative Agent's designee) all unused or unsold goods owned by the Company bearing the Trademarks.

(b) In addition, upon the effectiveness of the Section 2(b) Assignment, and upon the written demand of the Administrative Agent, the Borrower shall execute and deliver to the Administrative Agent an assignment or assignments of the Trademark Collateral and such other documents as are necessary or appropriate to carry out the intent and purposes of this Agreement; provided that the failure of the Borrower to comply with such demand will not impair or affect the validity of the Section 2(b) Assignment. The Borrower agrees that any such assignment (including a Section 2(b) Assignment) and/or any recording thereof shall be applied to reduce the Obligations outstanding only to the extent that the Administrative Agent actually receives cash proceeds in respect of the assignment, sale or disposition of, or other realization upon, the Trademark Collateral.

(c) In the event of any such license, assignment, sale, transfer or other disposition of the Trademark Collateral, or any of it, after the occurrence and during the continuation of an Event of Default, whether to or by the Administrative Agent, the Borrower shall supply to the Administrative Agent (or the Administrative Agent's designee) the Borrower's know how and expertise relating to the products and services sold and provided under the Trademarks, and other records relating to the Trademark Collateral and to the

production, marketing, delivery and sale of said products and services. Without limiting the generality of the foregoing, within five (5) Business Days of written notice thereof from the Administrative Agent, the Borrower shall make available to the Administrative Agent, to the extent within the Borrower's power and authority, such personnel in the Borrower's employ on the date of the Event of Default as the Administrative Agent may reasonably designate, by name, title or job responsibility, to permit the Borrower (or if the Administrative Agent so elects, the Administrative Agent or the Administrative Agent's designee) to continue, directly or indirectly, to manufacture, produce, supply, advertise, provide, license, sell and deliver the products or services sold by the Borrower under the Trademarks, such persons to be available to perform their prior functions on the Administrative Agent's behalf and, if the Administrative Agent so elects to utilize their services, to be compensated by the Administrative Agent on a per diem, pro rata basis consistent with the wages and salary structure applicable to each as of the date of such Event of Default.

5. Representations, Warranties and Covenants. The Borrower represents and warrants to, and covenants and agrees with, the Administrative Agent as follows:

(a) The Borrower is and will continue to be the sole and exclusive owner of the entire legal and beneficial right, title and interest in and to the Trademarks and the Trademark Collateral (other than ownership and other rights reserved by the owners of the Licensed Trademarks), free and clear of any lien, charge, security interest or other encumbrance, except for the security interest and conditional assignment created by this Agreement and the other Security Documents, liens and encumbrances expressly permitted pursuant to the Credit Agreement, and the rights of the NHL therein. The Borrower will defend its right, title and interests in and to the Trademarks and the Trademark Collateral against any and all claims of any third parties.

(b) Schedule A and B together comprise true and complete lists of all Trademarks. All license and other agreements applicable to the Trademarks are the valid and binding obligations of all of the parties thereto, enforceable against each such parties in accordance with their respective terms.

(c) The Owned Trademarks and the Trademark Registrations and Trademark Rights related thereto are valid, enforceable and subsisting and have not been adjudged invalid or unenforceable. The Borrower has not received any written claim by any third party that any of the Owned Trademarks and the Trademark Registrations and Trademark Rights related thereto are invalid or enforceable.

(d) There is not on file in any governmental or regulatory authority, agency or recording office, in the United States or in any foreign country, any effective financing statement, security agreement, assignment, license or transfer or notice of any of the foregoing (other than those that have been filed in favor of the Administrative Agent) covering any of the Trademark Collateral, and the Borrower is not aware of any such filing. So long as this Agreement shall be in effect, the Borrower shall not execute and shall not knowingly permit to be on file in any such office or agency, any such financing statement or other document or instrument (except financing statements, documents or instruments filed or to be filed in favor of the Administrative Agent).

(e) To the best of the Borrower's knowledge after due inquiry, no claim has been made that the Borrower's use of any of the Owned Trademarks does or may violate the rights of any third parties. There has been no decision adverse to the Borrower's claim of ownership rights and or exclusive rights to use the Owned Trademarks or any material part of the Trademark Collateral associated therewith, or to its right to use and register the Owned Trademarks in any jurisdiction or to keep and maintain such registration in full force and effect, and there is no proceeding involving said rights, threatened or pending in the PTO or any similar office or agency of the United States, any state or foreign country or in any court.

6. Assurances.

(a) The Borrower shall do, make, execute and deliver all such additional and further acts, things, deeds, assurances and instruments as the Administrative Agent may require more completely to vest in and assure to the Administrative Agent its rights hereunder or in any of the Trademark Collateral, including without limitation execution and delivery of financing statements which the Administrative Agent deems appropriate to perfect and continue the assignment and security interest hereby granted.

(b) The Borrower agrees that, upon its commencement of use or acquisition of any right, title or interest in or to any Trademark, Trademark Registration or Trademark Right other than the Trademarks, Trademark Registrations or Trademark Rights set forth in Schedules A and B hereto (including any variation or new versions of such scheduled Trademarks, Trademark Registrations and Trademark Rights), or upon commencement of use of any Trademark (or the addition to any Trademark Registration of), the Borrower shall promptly notify the Administrative Agent in writing thereof and the provisions of this Agreement shall automatically apply thereto. The Administrative Agent shall be authorized to amend such Schedules A and B as appropriate to include such additional Trademarks, Trademark Registrations and Trademark Rights, without the necessity for the Borrower's approval or signature to such amendment, and the Borrower shall do all such other acts (at its own expense) deemed necessary or appropriate by the Administrative Agent to implement and preserve the Administrative Agent's interest therein (including, but not limited to, executing and delivering and recording in all places where this Agreement or notice thereof is recorded, an appropriate counterpart of or supplement to this Agreement). Such additional Trademarks, Trademark Registrations and Trademark Rights shall be automatically included in the definition of the terms "Trademarks", "Trademark Registrations" and "Trademark Rights", as such terms are used herein.

7. Power of Attorney.

(a) The Borrower hereby irrevocably constitutes and appoints the Administrative Agent (or the Administrative Agent's designee), with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Borrower and in the name of the Borrower or in the Administrative Agent's own name (or the Administrative Agent's designee), for the purpose of carrying out the term of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Agreement and, without limiting the generality of the foregoing, hereby gives the Administrative Agent the

power and right, on behalf of the Borrower, without notice to or assent by the Borrower, to do the following:

(i) Subject to the requirements of the NHL, upon the occurrence and during the continuance of an Event of Default, generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Trademark Collateral in such manner as is consistent with the Uniform Commercial Code as enacted by the Commonwealth of Massachusetts and as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and to do at the Borrower's expense, at any time, or from time to time, all acts and things which the Administrative Agent deems necessary to protect, preserve or realize upon the Trademark Collateral and the Administrative Agent's security interest therein, in order to effect the intent of this Agreement, all as fully and effectively as the Borrower might do, including, without limitation, execution and delivery of any and all agreements, documents, instruments of assignment, licenses or transfers of any of the Trademark Collateral, and do all other acts, which the Borrower is obligated to execute or deliver or perform under any provision of this Agreement and which the Borrower fails to execute, deliver or perform, and execution of any and all documents, statements, certificates, instruments or agreements deemed necessary or advisable by the Administrative Agent (or the Administrative Agent's designee) to effect any purpose set forth herein; and

(ii) To file such financing statements with respect hereto, with or without the Borrower's signature, or a photocopy of this Agreement in substitution for a financing statement, as the Administrative Agent may deem appropriate and to execute such financing statements and continuation statements which may require the Borrower's signature.

(b) To the extent permitted by law, the Borrower hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

(c) The powers conferred on the Administrative Agent hereunder are solely to protect its interests and the interests of the Administrative Agent in the Trademark Collateral and shall not impose any duty upon it to exercise any such powers. The Administrative Agent shall be accountable only for the amounts that it actually receives as a result of the exercise of such powers and neither it nor any of its officers, directors, employees or agents shall be responsible to the Borrower for any act or failure to act, except for its own gross negligence or willful misconduct.

8. Remedies. If an Event of Default shall have occurred and be continuing, the Administrative Agent may, without notice or demand to the Borrower, declare this Agreement to be in default, and the Administrative Agent shall, subject to the restrictions contained in the NHL Documents and the NHL Consent Agreement, thereafter have in any jurisdiction in which enforcement hereof is sought, in addition to the right to collect, enforce and settle claims in respect of the Trademark Collateral and all other rights and remedies of a holder of the Trademark Collateral, the rights and remedies of a secured party under the Uniform Commercial Code. The Administrative Agent shall give to the Borrower at least ten Business Days' prior written notice of the time and place of any public sale of any of the Trademark Collateral, including negotiable or non-negotiable instruments, securities or other writings evidencing any

of the Trademark Collateral, or of the time after which any private sale or any other intended disposition is to be made. The Borrower hereby acknowledges that ten Business Days' prior written notice is reasonable notice. In addition, the Borrower waives any and all rights that it may have to judicial hearing in advance of the enforcement of any of the Administrative Agent's rights hereunder.

9. Enforcement of Trademark Rights.

(a) Except as otherwise provided in Section 3 hereof, and notwithstanding Section 2(b) hereof, the Borrower shall have the right and the obligation to commence and prosecute in its own name, as a real party in interest, for its own benefit and at its own expense, such suits, proceedings or other actions to restrain, prevent or recover for infringement, misuse, unfair competition, dilution or other damage as are in its reasonable business judgment necessary or appropriate to maintain, protect and enforce the Trademarks, Trademark Registrations, Trademark Rights and Associated Goodwill. The Borrower shall indemnify and hold harmless the Secured Parties from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements (including but not limited to attorneys' fees) of any kind whatsoever which may be imposed on, incurred or suffered by or asserted against the Secured Parties in connection with or in any way arising out of such suits, proceedings or actions.

(b) Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent shall have the right, but in no way shall be obligated, to bring suit in the name of the Borrower or the Administrative Agent (in the sole discretion of the Administrative Agent) to protect, maintain or enforce any of the Borrower's rights or interest in, to or under the Trademark Collateral or any part thereof, in which event the Borrower shall at the request of the Administrative Agent (and at the Borrower's expense) do any and all lawful acts and things, and execute any and all documents and instruments requested by the Administrative Agent, in furtherance of such protection, maintenance or enforcement; the Borrower shall promptly upon demand indemnify and reimburse the Administrative Agent for all liabilities, obligations, costs, expenses or disbursements imposed on, incurred or suffered by or asserted against the Administrative Agent in the exercise of its rights under this Section 9(b) and any unreimbursed amounts shall constitute Obligations for all purposes hereof. In the event the Administrative Agent shall elect not to bring suit to protect, maintain or enforce any such rights or interests of the Borrower, the Borrower shall use all reasonable measures, whether by action, suit, proceeding or otherwise, to protect, maintain and enforce such rights and interests, and for that purpose shall diligently maintain any such action, suit or proceeding necessary or appropriate for such protection, maintenance or enforcement.

10. Indemnification. The Borrower shall indemnify and hold harmless the Secured Parties from and against, and shall pay to the Secured Parties on demand, any and all claims, actions, suits, judgments, penalties, losses, damages, costs, disbursements, expenses, obligations or liabilities of any kind or nature (except, with respect to any Secured Party, those resulting from such Secured Party's gross negligence or willful misconduct) arising in any way out of or in connection with this Agreement, the Trademark Collateral, custody, preservation, use, operation, sale, license (or other transfer or disposition) of the Trademark Collateral, any alleged infringement of the intellectual property rights of any third party, the production, marketing,

delivery and sale of the goods and services provided under or in connection with any of the Trademarks or the Trademark Collateral, the sale of, collection from or other realization upon any of the Trademark Collateral, the failure of the Borrower to perform or observe any of the provisions hereof, or matters relating to any of the foregoing, prior to the effectiveness of the Section 2(b) Assignment. The Borrower shall also indemnify and hold harmless the Secured Parties from and against any and all claims, actions, suits, judgments, penalties, losses, damages, costs, disbursements, expenses, obligations or liabilities arising out of or in connection with any fault, negligence, act or omission of the Borrower (regardless of whether such fault, negligence, act or omission occurred or occurs prior to or after such effectiveness). The amounts of any unpaid indemnity provided for in this Section 10 shall constitute Obligations for all purposes hereof. The Borrower shall not make any claim against the Administrative Agent for or in connection with the exercise or enforcement by the Administrative Agent of any right or remedy granted to it hereunder, or any action taken or omitted to be taken by the Administrative Agent hereunder (except for the gross negligence or willful misconduct of the Administrative Agent).

11. No Obligation of the Administrative Agent. The rights granted to the Administrative Agent hereunder are solely for the protection of the Administrative Agent and nothing herein contained shall impose on the Administrative Agent any duties or obligations with respect to the Trademark Collateral or any property of the Borrower received hereunder beyond reasonable care in its custody and preservation while in the Administrative Agent's possession.

12. Termination of Agreement. The obligations of the Borrower and the rights and powers granted to the Administrative Agent hereunder shall continue in full force and effect until the Obligations have been indefeasibly paid or satisfied in full (provided that the Lenders are no longer obligated to make Loans or issue Letters of Credit under the Credit Agreement), at which time such obligations, rights and powers shall terminate and be of no further force and effect, provided, however, that this Agreement shall continue to be effective or shall be reinstated, as the case may be, if at any time payment or other satisfaction of any of the Obligations is rescinded or must otherwise be restored or returned upon the bankruptcy, insolvency, or reorganization of the Borrower, or otherwise, as though such payment had not been made or other satisfaction occurred. No invalidity, irregularity or unenforceability by reason of the Bankruptcy Code or any insolvency or other similar law, or any law or order of any government or agency thereof purporting to reduce, amend or otherwise affect, the Obligations, shall impair, affect, be a defense to or claim against the Obligations of the Borrower under this Agreement.

13. GOVERNING LAW. THIS AGREEMENT IS INTENDED TO TAKE EFFECT AS A SEALED INSTRUMENT, SHALL BE BINDING UPON THE BORROWER, ITS SUCCESSORS AND ASSIGNS, SHALL INURE TO THE BENEFIT OF THE ADMINISTRATIVE AGENT, ITS SUCCESSORS AND ASSIGNS AND SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE COMMONWEALTH OF MASSACHUSETTS. Except as prohibited by law, the Borrower waives any right which it may have to claim or recover in any litigation any special, exemplary, punitive or consequential damages or any damages other than, or in addition to, actual damages. The Borrower (a) certifies that neither the Secured Parties nor any representative, agent or attorney of any Secured Party has represented, expressly or otherwise, that the Secured Parties would not, in the event of litigation, seek to enforce the foregoing waivers and (b) acknowledges that, in entering into the

Loan Documents to which the Secured Parties are, the Secured Parties are relying upon, among other things, the waivers and certifications contained in this Section 13.

14. Jurisdiction. The Borrower agrees that any suit for the enforcement of this Agreement may be brought in the courts of the Commonwealth of Massachusetts or any federal court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon the Borrower by certified or registered mail at the address specified in the Credit Agreement. The Borrower hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

15. Waiver of Jury Trial. THE BORROWER WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS AGREEMENT, ANY RIGHTS OR OBLIGATIONS HEREUNDER OR THE PERFORMANCE OF ANY SUCH RIGHTS OR OBLIGATIONS. Except as prohibited by law, and except in the case of the Administrative Agent's gross negligence or willful misconduct, the Borrower waives any right which it may have to claim or recover in any litigation referred to in the preceding sentence any special, exemplary, punitive or consequential damages or any damages other than, or in addition to, actual damages. The Borrower (a) certifies that neither the Secured Parties nor any representative, agent or attorney of any Secured Party has represented, expressly or otherwise, that the Secured Parties would not, in the event of litigation, seek to enforce the foregoing waivers and (b) acknowledges that, in entering into the Credit Agreement and the other Loan Documents to which the Secured Parties are a party, the Secured Parties are relying upon, among other things, the waivers and certifications contained in Sections 13, 14 and this Section 15.

16. Assignment. In the event of a sale or assignment by any Lender of all or any of the Obligations held by it in accordance with the provisions of the Credit Agreement, such Lender may assign or transfer its rights and interests under this Agreement in whole or in part to the purchaser or purchasers of such Obligations, whereupon such purchaser or purchasers shall become vested with all of the powers and rights of such Lender hereunder, and such Lender shall thereafter be forever released and fully discharged from any liability or responsibility hereunder with respect to the rights and interests so assigned.

17. Miscellaneous. The headings of each section of this Agreement are for convenience only and shall not define or limit the provisions thereof. This Agreement and all rights and obligations hereunder shall be binding upon the Borrower and its respective successors and assigns, and shall inure to the benefit of the Administrative Agent and its successors and assigns. If any term of this Agreement shall be held to be invalid, illegal or unenforceable, the validity of all other terms hereof shall in no way be affected thereby, and this Agreement shall be construed and be enforceable as if such invalid, illegal or unenforceable term had not been included herein. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which shall be an original, but all of which together shall constitute one instrument. The Borrower acknowledges receipt of a copy of this Agreement.

18. Notices. All notices and other communications made or required to be given pursuant to this Agreement shall be made or given, and shall take effect, in accordance with the manner specified in Schedule 10.02 of the Credit Agreement.

19. Amendment and Restatement. This Agreement amends, restates, consolidates and supersedes in its entirety the Original Trademark Security Agreement.

20. NHL Requirements. It is acknowledged, understood and agreed that, notwithstanding anything in this Agreement or any other Loan Document to the contrary, (a) the exercise by the Administrative Agent or any Lender of remedies under any Loan Document will be made in accordance with the terms and provisions of the NHL Consent Agreement, the terms, conditions and provisions of which each of the parties to any Loan Document has accepted as reasonable and appropriate, and (b) in the event of any conflict or inconsistency between the terms of the NHL Consent Agreement and the terms of any Loan Document (including this Agreement), the terms of the NHL Consent Agreement will control. All capitalized terms used in this Section and not defined in this Section are defined in the NHL Consent Agreement.
