TRADEMARK ASSIGNMENT

WHEREAS, Wedglock, LLC, a limited liability company organized under the laws of Delaware ("Assignor"), is the owner of the following United States and International trademark and trademark registrations (hereinafter the "Marks and Registrations", respectively);

1. U.S. Trademark Registration No. 3,298,564 on "WEDGELOCK";
2. Canadian Trademark Registration No. 1,299,020 on "WEDGELOCK"; and
3. U.S. Trademark Registration No. 3,303,206 on the "W" logo.

WHEREAS, Cascade Corporation, an Oregon corporation ("Assignee") is desirous of acquiring all of Assignor's right, title, and interest in and to the Marks and Registrations.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor, intending to be legally bound hereby, does hereby contribute, assign, transfer, and set over to Assignee Assignor's entire right, title, and interest in and to the Marks and Registrations, together with the goodwill of Assignor's business in connection with which the Marks and Registrations are used, and the full right to sue for past, present or future infringement of any of such Marks and Registrations and rights, these rights to be held and enjoyed by the Assignee, its successors and assigns, as fully as the same would have been held and enjoyed by the Assignor had this assignment not been made (including but not limited to, all registration rights with respect to the Trademarks, all rights to prepare derivative marks, the right of claiming for it the priority of filing of the application for the registration of the Trademark in the United States, Canada and Mexico, and their territories and holdings).

Assignor further authorizes in the United States, Canada, Mexico and their territories and holdings that Assignee has the right to record the transfer of the registrations and/or applications for registration set forth on Exhibit A to Assignee as Assignee of Assignor's entire right, title and interest therein.

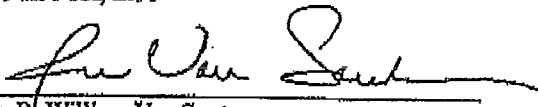

And for the consideration aforesaid, Assignor agrees that it will, upon request, and at Assignee's sole expense and at no expense to Assignor, execute additional lawful papers and generally do all other lawful acts reasonable and necessary to give effect to and to record this Assignment.
