TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (as the same may be amended, modified or supplemented from time to time pursuant to the terms hereof, this “**Agreement**”), dated as of this 1st day of December, 2011, is made by GENOA HEALTHCARE, LLC, an Oregon limited liability company (“**Grantor**”) with its principal place of business and mailing address at 18300 Cascade Avenue South, Suite 251, Tukwila, WA 98188, in favor of Bank of Montreal as administrative agent (in such capacity, the “**Administrative Agent**”) for the Lenders and other Secured Creditors (as defined in the Security Agreement described below), with its mailing address at 111 West Monroe Street, Chicago, Illinois 60603, and its successors and assigns.

PRELIMINARY STATEMENTS

A. Grantor, the other Borrowers party thereto, the Parent, the direct and indirect Subsidiaries of the Borrowers from time to time party thereto, as Guarantors (each of the foregoing, the “**Debtors**”), the Administrative Agent and the Lenders from time to time party thereto are parties to a Credit Agreement dated as of the date hereof (such Credit Agreement, as amended or modified from time to time, including amendments and restatements thereof in its entirety, being hereinafter referred to as the “**Credit Agreement**”), pursuant to which the Administrative Agent and the Lenders have agreed, subject to certain terms and conditions, to extend credit and make certain other financial accommodations available to the Debtors.

B. As a condition to the execution and delivery of the Credit Agreement, the Administrative Agent and the Lenders have required, among other things, that each of the Debtors grant to the Administrative Agent, on behalf of itself and the Lenders and other holders of the Obligations, the Hedging Liability and the Funds Transfer and Deposit Account Liability (the Administrative Agent and such Lenders and other holders being referred to collectively in the Security Agreement described below as the “**Secured Creditors**”) a lien on and security interest in the personal property of such Debtor.

C. The Debtors and the Secured Creditors are parties to a Security Agreement dated as of the date hereof (such Security Agreement, as amended or modified from time to time, including amendments and restatements thereof in its entirety, being hereinafter referred to as the “**Security Agreement**”), pursuant to which each Debtor has granted a lien on and security interest in the personal property of such Debtor as described therein.

D. Capitalized terms used herein without definition are used as defined in the Credit Agreement and Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the L/C Issuer and the Administrative Agent to enter into the Credit Agreement and to induce the Lenders and the L/C Issuer to make their respective extensions of credit to the Grantor thereunder, the parties agree as follows:

1. **Grant of Security Interest.** Grantor hereby grants to Administrative Agent for the benefit of the Secured Creditors a Lien on and continuing security interest in, all of its right, title and interest in, to and under the following Collateral (the “**Trademark Collateral**”):

(i) all of its trademarks and trademark applications, including, without limitation, each trademark and trademark application listed on Schedule A hereto, and all renewals and extensions of the foregoing;

(ii) all goodwill of the business connected with the use of, and symbolized by, each such trademark and trademark application; and

(iii) all income, royalties and proceeds of the foregoing at any time due or payable or asserted under and with respect to the foregoing, including without limitation any claim by Grantor against third parties for damages by reason of past, present or future infringement of any trademark or trademark application, in each case together with the right to sue for and collect said damages;

to secure the payment and performance of all Secured Obligations of the Borrowers as set out in and defined in the Security Agreement.

Notwithstanding the foregoing, no grant of any Lien or security interest shall be deemed granted hereunder on or in any "intent-to-use" trademark application until such time as a statement of use has been filed with and accepted by the United States Patent and Trademark Office.

2. **Terms of Security Agreement Incorporated by Reference.** The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of a conflict between the provisions of this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

3. **Grantor Remains Liable.** Grantor hereby agrees that, anything herein to the contrary notwithstanding, Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its trademarks and trademark applications subject to a security interest hereunder.

4. **Counterparts.** This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Counterpart signature pages delivered by facsimile, emailed .pdf file or other similar forms of electronic transmission shall be equally effective as manually executed original counterparts.

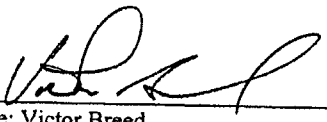

5. **Governing Law.** This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of Illinois.
